Passion Marks Lee Hayes, 2007-05-01 From the outside it looked like a perfect world of an exclusive neighborhood fancy cars and wealth if only they knew On the outside Kevin Davis's life leaves nothing to be desired Living in a world of luxury comfort and money it seems he has everything he could ever want and need But on the inside Kevin hides the verbal physical and sexual abuse he endures at the hands of his perfect man James Lancaster the ambitious CEO of a rising Houston software firm Entangled in a dark web of love violence depravity and torment at the hands of his lover the only way Kevin can free himself is to overcome his personal demons In a psychological battle of wills who will be the ultimate victor **A**

Deeper Blue Lee Hayes, 2013-02-12 Simmering with passion betrayal and a woman's contempt Lee Hayes delivers a fiery sequel to *Passion Marks* in *A Deeper Blue* Intense from beginning *A Deeper Blue* hypnotizes readers into a story of lust and love Kevin Davis finds his tumultuous relationship with his lover Daryl Harris in serious jeopardy Pulled in different directions Daryl must choose between the lover he's dreamed about and a new temptation both of whom have female lovers past and present who are angry about being betrayed Cerina Ford is a woman desperately and wholeheartedly in love with Temple Moore They share a passionate physical relationship yet Cerina really desires an emotional connection with Temple a connection he is not willing to give Eventually Cerina discovers Temple has fallen in love with Daryl and her obsession plummets out of control Meanwhile Kevin realizes that he can run but there is nowhere to hide from a scorned lover He finds himself a target of a forgotten lover who tracks him down from thousands of miles away and will stop at nothing to ensure total destruction of his life With gripping detail *A Deeper Blue* intertwines love hate jealousy infidelity revenge and ultimately murder Author Lee Hayes shows just how thin the line between love and hate is and that sins from the past can evolve into nightmares of the present The Passion of Jesus in the Gospel of Mark Donald Senior, 1991 The passion is the climactic event in each of the gospels This volume elucidates the passion in its historical background and explores its theological breadth and depth With scholarly finesse and pastoral awareness the author sets the vibrant message of the passion speaking to our lives and times *Mark* Robert H. Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus' death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review **Framed** John Grisham, Jim McCloskey, 2024-10-15 1

NEW YORK TIMES BESTSELLER The master of the legal thriller Associated Press teams up with the godfather of the

innocence movement Texas Monthly to share ten harrowing true stories of wrongful convictions Each of these stories is told with astonishing power David Grann author of Killers of the Flower Moon Gripping compelling What makes Framed important reading isn't the shock value advertised in the title It's the exposure of the infuriating recurrent factors involved in so many unrighteous convictions The Washington Post John Grisham is known worldwide for his bestselling novels but it's his real life passion for justice that led to his work with Jim McCloskey of Centurion Ministries the first organization dedicated to exonerating innocent people who have been wrongly convicted Together they offer an inside look at the many injustices in our criminal justice system A fundamental principle of our legal system is a presumption of innocence but once someone has been found guilty there is very little room to prove doubt These ten true stories shed light on Americans who were innocent but found guilty and forced to sacrifice friends families and decades of their lives to prison while the guilty parties remained free In each of the stories John Grisham and Jim McCloskey recount the dramatic hard fought battles for exoneration They take a close look at what leads to wrongful convictions in the first place and the racism misconduct flawed testimony and corruption in the court system that can make them so hard to reverse Impeccably researched and told with page turning suspense as only John Grisham can deliver Framed is the story of winning freedom when the battle already seems lost and the deck is stacked against you Look for John Grisham's forthcoming legal thriller The Widow This time the verdict isn't the end of the story

States of Passion Yvonne Zylan, 2011-04-20 In States of Passion Law Identity and the Social Construction of Desire Professor Yvonne Zylan explores the role of legal discourse in shaping sexual experience sexual expression and sexual identity The book focuses on three topics anti gay hate crime laws same sex sexual harassment and same sex marriage examining how sexuality is socially constructed through the institutionally specific production of legal discourse States of Passion argues that law's power to authorize specific discourses and practices of love desire hatred fear and vulnerability remain grounded in the powerful discourses and institutional practices that mark law as dispassionate cerebral and fundamentally procedural States of Passion contends that those states of passion we experience in our daily lives as particularly significant to our sense of self to our collective and social identities and to our ideas about the body and its dictates increasingly have as much to do with the state as they do with passion
