searches for answers and uncovers a maelstrom of lies deceit and murder From the halls of Parliament to the streets of London Absolute Greed explores the secret and sometimes deadly lives of politicians **Passionate politics** Indrajit Roy,2023-01-31 Passions matter to politics Yet much of the work on passions in politics focuses on such spectacular events as social movements civil wars and revolutionary upheavals but ignores electoral politics as banal The contributors to this book trace the importance of passions to electoral politics with a focus on India s landmark 2019 General Elections which saw the decisive re election of Narendra Modi as the country s Prime Minister This book illustrates the economic social and cultural processes that shaped political passions in India during the summer of 2019 The contributors compel us to take seriously the structures of feeling in politics Such an approach requires interdisciplinarity Which is why the book brings together a stellar team of economists political scientists sociologists historians and geographers to explain Modi s resounding win **A Rose for Emily and Other Stories** William Faulkner,2012-04-18 Here is a classic collection from one of America s greatest authors Though these short stories have universal appeal they are intensely local in setting With the exception of Turn About which derives from the time of the First World War all these tales unfold in a small town in Mississippi William Faulkner s birthplace and lifelong home Some stories such as A Rose for Emily The Hound and That Evening Sun are famous displaying an uncanny blend of the homely and the horrifying But others though less well known are equally colorful and characteristic The gently nostalgic Delta Autumn provides a striking contrast to Dry September and Barn Burning which are intensely dramatic As the editor Saxe Commins states in his illuminating Foreword These eight stories reflect the deep love and loathing the tenderness and contempt the identification and repudiation William Faulkner has felt for the traditions and the way of life of his own portion of the world **With Passionate Longing** Thomas Price,2012-05 The goal of this book is to help create an intense desire to meet the Lord Jesus at the Lord s Supper on a regular basis just as He has a passionate longing to meet us there It has weekly meditations to help enrich that special time which can inflame a consistent devotion that can relight your candle It can be used as a launch pad by the pastor teacher or preacher for individual sermons and teachings on the Lord s Supper or simply a devotional companion for the Christian at home Some churches have a tendency to use the same meditation same Scripture and often the same songs every time they observe the Lord s Supper corporately This regular practice can become boring routine ritualistic and eventually meaningless without taking an approach to deflect that It helps to use a different meditation every time take a new outlook change the topic or use a new theme of our Lord s life and sacrifice and meditate on it though maintaining the foundation of Christ s sufferings and crucifixion Growing a Passionate Heart Wendy Mahill,2007-04 Growing a Passionate Heart is a Christ centered curriculum for women wounded by childhood sexual abuse Mahill provides victims with clear definitions for their experiences helping them firmly establish responsibility where it rightfully belongs The text also helps survivors replace faulty beliefs with biblical truth Christian *Passionate love legends of the past* Dr. George Vareekal,2022-03-19 Passionate Love Legends of the Past Stories of

Undying Romances is a collection of fascinating love stories that have even changed the course of history. They include some of the most popular and frequently heard stories of love and romance. These legends are widely adapted in various literary genres because of their powerful emotional appeal. *The Passionate Fictions of Eliza Haywood* Kirsten T. Saxton, Rebecca P. Bocchicchio, 2021-05-11. Will be required reading not just for students of eighteenth-century literature but also for feminist critics and historians of the novel. Sandra M. Gilbert, award-winning poet and literary critic. The most prolific woman writer of the eighteenth century, Eliza Haywood (1693-1756) was a key player in the history of the English novel. Along with her contemporary Defoe, she did more than any other writer to create a market for fiction prior to the emergence of Richardson, Fielding, and Smollett. Also one of Augustan England's most popular authors, Haywood came to fame in 1719 with the publication of her first novel, *Love in Excess*. In addition to writing fiction, she was a playwright, translator, bookseller, actress, theater critic, and editor of *The Female Spectator*, the first English periodical written by women for women. Though tremendously popular, her novels and plays from the 1720s and 30s scandalized the reading public with explicit portrayals of female sexuality and led others to call her the Great Arbitress of Passion. Essays in this collection explore themes such as the connections between Haywood's early and late work, her experiments with the form of the novel, her involvement in party politics, her use of myth and plot devices, and her intense interest in the imbalance of power between men and women. Distinguished scholars such as Paula Backscheider, Felicity Nussbaum, and John Richetti approach Haywood from a number of theoretical and topical positions, leading the way in a crucial reexamination of her work. *The Passionate Fictions of Eliza Haywood* examines the formal and ideological complexities of her prose and demonstrates how Haywood's texts defy traditional schematization.

**Farewell to Follies** Xingu Fawcett, 2018-09-14. Themes of *Farewell to Follies* (FTF) Nature in the form of beautiful landscapes and wholesome surroundings is a constant presence in FTF's short fiction. It is often the only thing in the text, animate or inanimate, that is described in a positive or laudatory fashion. FTF characters are great believers in the power of nature, both in terms of its beauty and its challenges to improve one's quality of life. Tok Pisin. Also a near-constant presence in FTF's stories is the theme of death, either in the form of death itself, the knowledge of the inevitability of death, or the futility of fleeing death. Clearly evocative of death are the stories in which FTF describes actual deaths. *Terminate with Extreme Prejudice*. Also known as heroic fatalism, this attitude was a FTF favorite. Fatalistic heroism derives from the belief that death is certain to come and that resisting it is futile; one may as well face death with stoicism and resignation. This belief and its accompanying stoic behavior patterns appear in several short stories: *Lord Clives*, *Last Biryani Supper*, *Disillusionment*, and *the depression that*

results from it are recurrent themes in FTFs short stories FTF himself suffered from feelings of disillusionment and dislocation following his harrowing experiences during Americas Long Wars Goodbye Kabul FTF it is often noted was enamored of a particular notion of masculinity FTFs heroes are often outdoorsmen or hunters who are stoic taciturn and averse to showing emotion Real men according to FTF are physically courageous and confident and keep doubts and insecurities to themselves Beso Tango y Amor Many of FTFs characters have ambivalent feelings toward each other in FTFs universe people are not wholly good or bad Bal Masque Animals in the FTF canon whether they are game pets or wild sometimes serve as symbols for their human hunters caretakers or observers Lizards of Formentera Fragments of dreams and memories want to have fantasy encounters and casual togetherness Whether single or in a permanent relationship or something in between with FTF stories you can live out your passionate uninhibited fantasies discretely *The Battle Ground* Ellen Anderson Gholson Glasgow,2022-09-15 *The Battle Ground* is a historical romance novel by a Pulitzer Prize winning author Ellen Glasgow The story is set in Virginia and takes place from the plantation era and all the way up to the American Civil War Central to the story are two families who built their wealth from slavery the Amblers and the Lightfoots The Amblers are much more sympathetic to abolishing slavery and staying loyal to the Union while the Lightfoots view on the matter is more in line with that of the Confederacy *Delphi Collected Works of Ellen Glasgow (Illustrated)* Ellen Glasgow,2022-11-25 The winner of the Pulitzer Prize in 1942 Ellen Glasgow published 19 novels to critical acclaim establishing a new form of Southern fiction Offering realistic depictions of life in her native Virginia her narratives avoided the nostalgia sentimentality and idealistic escapism that characterised Southern literature after Reconstruction With an assured and increasingly ironic treatment Glasgow s novels examined the decay of the Southern aristocracy and the trauma of the encroachment of modern industrial civilization with compelling results This eBook presents Glasgow s collected works with numerous illustrations rare texts informative introductions and bonus material Version 1 Beautifully illustrated with images relating to Glasgow s life and works Concise introductions to the major texts All 15 novels in the US public domain with individual contents tables Features rare novels appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts The complete published short stories only available in this collection Ordering of texts into chronological order and genres Please note due to US copyright restrictions four later novels a non fiction book and the autobiography cannot appear in this edition When new texts become available they will be added to the eBook as a free update CONTENTS The Novels The Descendant 1897 Phases of an Inferior Planet 1898 The Voice of the People 1900 The Battle Ground 1902 The Deliverance 1904 The Wheel of Life 1906 The Ancient Law 1908 The Romance of a Plain Man 1909 The Miller of Old Church 1911 Virginia 1913 Life and Gabriella 1916 The Builders 1919 One Man in His Time 1922 Barren Ground 1925 The Romantic Comedians 1926 The Shorter Fiction The Shadowy Third and Other Stories 1923 Miscellaneous Short Stories Please visit [www.delphiclassics.com](http://www.delphiclassics.com)
