Theology of the Old Testament Walter Brueggemann, 2012-06-01 In this powerful book, Walter Brueggemann moves the discussion of Old Testament theology beyond the dominant models of previous generations. Brueggemann focuses on the metaphor and imagery of the courtroom trial in order to regard the theological substance of the Old Testament as a series of claims asserted for Yahweh, the God of Israel. This provides a context that attends to pluralism in every dimension of the interpretive process and suggests links to the plurality of voices of our time.

PARADOXISM AND POSTMODERNISM Ion Soare, For a better understanding of the aims of this essay, it is necessary to recall at least fugitively the partial inadequacy of the notion and the term of postmodernism. What, in spite of the fact that it is recognized for quite a long time in the literature of specialty, still arouses controversies.

Sense of Enigma Jacob Isaac, 2015-05-08 For those who have the privilege and the daring to read poetry, the surprise and discovery never end. Such is the case with the poetics of Dr. Jacob Isaac in the twenty-two poems that make up his book *Sense of Enigma*, presented here in its bilingual English-Spanish version. Due to my audacity to reincarnate his poetry for Spanish readers, I have recreated them in the Spanish language and hopefully without betraying them in the traditional possibility of traduttore, traduttore. The creation of this poet is challenging and uncommon.

Luis Alberto Ambroggio, North American Academy of the Spanish Language. The author of *Sense of Enigma*, Jacob Isaac explores almost all the throes and imaginative possibilities of Fantasy as it affects the human mind: the inner self with feelings and even some physical attributes of man. This in-depth poetic report will stimulate the thoughts of habits, amusements, pride, and other sometimes hidden responses when experimenting with fantasy. Its imagery opens many doors and closes none.

Rex B. Valentine, USA. I am deeply impressed with the skillful hand of Mr. Jacob Isaac in writing poetry. He has a powerful pen that can magnify the barely unseen to make it apparent to the naked eyes. He is one of those poets who can touch the human soul by simply saying a word. How he transforms images into reality and reality into images is quite remarkable. In effect, Mr. Jacob Isaac's writings are collections of precious jewels in the art of poetry.

Renato B. Alzadon, USA, Kapampangan Poet.
