

PASSIONATE INSIDE THE AMERICAN JESUITS UNCERTAINTY

"McDonough and Bianchi succeed very well in presenting the struggle of an organization deeply challenged at many levels and coping with what seem almost insurmountable problems." — Garry Wills, *New York Review of Books*

PETER McDONOUGH and EUGENE C. BIANCHI

Passionate Uncertainty Inside The American Jesuits

Dean R. Hoge, Jacqueline E. Wenger

Passionate Uncertainty Inside The American Jesuits:

Passionate Uncertainty Peter McDonough, Eugene C. Bianchi, 2002-03-05 Founded by Ignatius Loyola in 1540 the Society of Jesus remains the largest and most controversial religious order of men in Catholicism Since the 1960s however Jesuits in the United States have lost more than half of their members and they have experienced a massive upheaval in what they believe and how they work and live In this groundbreaking book Peter McDonough and Eugene C Bianchi draw on interviews and statements gathered from more than four hundred Jesuits and former Jesuits to provide an intimate look at turmoil among Catholicism s legendary best and brightest Priests and former priests speak candidly about their reasons for joining and leaving the Jesuits about their sexual development and orientation about their spiritual crises and their engagement with other religious traditions They discuss issues ranging from celibacy to the ordination of women homosexuality the rationale of the priesthood the challenges of community life and the divinity of Jesus **Passionate Uncertainty** traces the transformation of the Society of Jesus from a fairly unified organization into a smaller looser community with disparate goals and an elusive corporate identity From its role as a traditional subculture during the days of immigrant Catholicism the order has changed into an amalgam of countercultures shaped around social mission sexual identity and an eclectic spirituality The story of the Jesuits reflects the crisis of clerical authority and the deep ambivalence surrounding American Catholicism s encounter with modernity

Passionate Uncertainty Peter McDonough, Eugene C. Bianchi, 2002-03-05 Founded by Ignatius Loyola in 1540 the Society of Jesus remains the largest and most controversial religious order of men in Catholicism Since the 1960s however Jesuits in the United States have lost more than half of their members and they have experienced a massive upheaval in what they believe and how they work and live In this groundbreaking book Peter McDonough and Eugene C Bianchi draw on interviews and statements gathered from more than four hundred Jesuits and former Jesuits to provide an intimate look at turmoil among Catholicism s legendary best and brightest Priests and former priests speak candidly about their reasons for joining and leaving the Jesuits about their sexual development and orientation about their spiritual crises and their engagement with other religious traditions They discuss issues ranging from celibacy to the ordination of women homosexuality the rationale of the priesthood the challenges of community life and the divinity of Jesus **Passionate Uncertainty** traces the transformation of the Society of Jesus from a fairly unified organization into a smaller looser community with disparate goals and an elusive corporate identity From its role as a traditional subculture during the days of immigrant Catholicism the order has changed into an amalgam of countercultures shaped around social mission sexual identity and an eclectic spirituality The story of the Jesuits reflects the crisis of clerical authority and the deep ambivalence surrounding American Catholicism s encounter with modernity

Passionate Uncertainty Peter McDonough, 2002 Founded in 1540 by Ignites Loyola the Society of Jesus was once the largest most influential most controversial religious order of Catholic priests in the world This book is an insider s look at the Jesuits today

Passionate Uncertainty Peter McDonough, Eugene C. Bianchi, 2003-09 Publisher Fact Sheet An intimate look drawn from hundreds of interviews and statements from Jesuits and former Jesuits at the turmoil among Catholicism's legendary best and brightest

Jesuits in the North American Colonies and the United States Catherine O'Donnell, 2020-04-28 From Eusebio Kino to Daniel Berrigan and from colonial New England to contemporary Seattle Jesuits have built and disrupted institutions in ways that have fundamentally shaped the Catholic Church and American society As Catherine O'Donnell demonstrates Jesuits in French Spanish and British colonies were both evangelists and agents of empire John Carroll envisioned an American church integrated with Protestant neighbors during the early years of the republic nineteenth century Jesuits many of them immigrants rejected Carroll's ethos and created a distinct Catholic infrastructure of schools colleges and allegiances The twentieth century involved Jesuits first in American war efforts and papal critiques of modernity and then in accord with the leadership of John Courtney Murray and Pedro Arrupe in a rethinking of their relationship to modernity to other faiths and to earthly injustice O'Donnell's narrative concludes with a brief discussion of Jesuits declining numbers as well as their response to their slaveholding past and involvement in clerical sexual abuse

The American Jesuits Raymond A. Schroth, 2009-10 Schroth recounts the history of the Jesuits in the United States focusing on the key periods of the Jesuit experience beginning with the era of European explorers some of whom were Jesuits themselves

The Cultural Dynamics of Democratization in Spain Peter McDonough, Samuel H. Barnes, Antonio Lopez-Pina, 2018-09-05 Since the death of Franco in 1975 Spain has made a successful transition to democracy This book looks at what that transition has meant for the Spanish people Drawing on national surveys taken in 1978 1980 1984 and 1990 the authors explore three questions What is the basis of the new regime's political legitimacy How did Spanish democracy move from the conservative center right coalition that engineered the transition to the socialist government that consolidated it And why is political participation so low among Spaniards The answers to the first two questions highlight the ambiguity built into the political contrast with the Franco regime and a certain appreciation of the material accomplishments of authoritarianism the pivotal role of the king in opting for democracy while symbolically spanning traditional and modernizing forces and finally a movement from foundational issues to economic and social concerns In response to the third question the authors illuminate the participatory shortfall in Spanish politics by comparing Spain with Brazil and Korea two post authoritarian societies where political involvement is much higher They consider long term structural factors as well as short term strategic actions that have contributed to low civic engagement

Status Envy Anne Hendershott, 2017-09-08 The debate within Catholic educational circles on whether church sponsored colleges and universities perpetuate mediocrity by giving too great a priority to the moral development of students instead of scholarship and intellectual excellence continues in this book by sociologist Anne Hendershott She asserts that part of the reason for the crisis of faith within Catholic colleges is due to status envy the desire to compete with the top colleges in the country Catholic universities are generally not rated as top

notch They are viewed as having a lower status than secular institutions which of course creates resentment Catholic universities in turn become more secular as they become consumed with status concerns Detailing how this resentment manifests itself on campuses Hendershott explains faculty and administrative attempts to distance universities from Catholic ideas and curriculum Some have distanced themselves so far from their Catholic origins that the church no longer recognizes them as Catholic institutions The author questions whether even determined Catholic universities will be able to avoid the pressures to become more secular Hendershott who clearly sympathizes with the original mission of Catholic universities leads the reader through the earliest signs that Catholic colleges were beginning to lose their way in the 1960s up through the ongoing issues of feminism and homosexuality and their impact In focusing on these secular issues colleges are denying exposure to the traditional Catholic views on subjects such as homosexuality women s ordination and abortion Like all culture wars the interaction among people defines the situation The campus is a reflection of the greater culture between those who assert that there are no truths only readings and those who believe that the truths have been revealed and require constant rereading and application It is a conflict between those dedicated to the negation of the authority of Scripture and the hierarchy of the church and those proposing a renaissance of the Catholic intellect and a renewed appreciation of the church itself

Handbook of Research on Catholic Higher Education Kendall Hunt, Ellis A. Joseph, Ronald J. Nuzzi, John O. Geiger, 2003-08-01 The Handbook of Research of Catholic Higher Education provides an important and timely overview for scholars and students interested in understanding this important sector of private higher education More importantly it is an important resource for those faculty staff and administrators interested in shaping the distinctiveness of Catholic colleges and universities The Handbook provides chapters presenting a thematic overview of a particular element of Catholic higher education and in addition provides an extensive bibliography resource of further reading While some of the chapters will appeal to those with specialized interests e g legal affairs finance and community relations the chapters on mission and religious identity history and the documents on Catholic higher education provide an important perspective on the challenges facing Catholic higher education and should be read by everyone involved in Catholic colleges and universities The Handbook of Research of Catholic Higher Education is an important resource for understanding and shaping the distinctiveness of Catholic higher education

Catholicism and American Freedom: A History John T. McGreevy, 2004-09-17 A brilliant book which brings historical analysis of religion in American culture to a new level of insight and importance New York Times Book Review Catholicism and American Freedom is a groundbreaking historical account of the tensions and occasional alliances between Catholic and American understandings of a healthy society and the individual person including dramatic conflicts over issues such as slavery public education economic reform the movies contraception and abortion Putting scandals in the Church and the media s response in a much larger context this stimulating history is a model of nuanced scholarship and provocative reading

Sex and Heaven John Portmann, 2003-03-05 And so the way we worship apparently

matters less to God than the way we make love The diagnosis may not be limited to Roman Catholicism for today Jewish Protestant and Muslim communities also struggle to decide what the next world holds for their sexual dissidents Curiously debates over where gay people belong now feed into debates over how much equality women deserve in the West s three major faith traditions BOOK JACKET Unexpected Company Douglass McFerran,2007-08 In the years before the Second Vatican Council great numbers of young men typically just out of high school entered a Jesuit novitiate to begin the thirteen year march to the priesthood Most would leave the Jesuits sometimes long after ordination and the question often is whether they failed their church or their church failed them In often brutally frank disclosures a number of these former Jesuits talk about their lives why they became novices and took lifetime vows and then why they left sometimes just walking away after years in the priesthood What they have to say about themselves exposes a world once shrouded in secrecy Mutuality in El Barrio Carey Kasten,Brenna Moore,2024-05-07 The stories of 18 immigrant families from East Harlem and their experiences with one of New York s deeply rooted organizations On any given weekday people stream in and out of Little Sisters of the Assumption Family Health Service s bright airy building on 115th Street They are mostly mothers who find their way to LSA sometimes only weeks after crossing the border from Mexico having heard of the support that las hermanitas the little sisters offer Opening a window into the world of New York s Spanish speaking newcomers Mutuality in El Barrio combines oral histories with archival research of the history spirituality and ministry of LSA to present how this well established organization serves vulnerable populations with a unique approach they call mutuality LSA is part of a network of East Harlem s powerful grassroots organizations that draws from the remarkable strengths of local families in its community It is a place of healing and empowerment focused on the overall holistic health of resident families Long term relationships are cultivated here rather than quick fixes and it is a place that nurtures people s full potential as leaders parents and advocates for themselves In Mutuality in El Barrio eighteen mothers share how through the help of LSA they managed to navigate a strange city and an unfamiliar language in a neighborhood that has long been a site of incredible challenges and extraordinary strength creativity and cultural vitality These personal accounts of mothers long time LSA staff and nuns reveal how these women found solidarity accompaniment care neighborhood transformation and binding connections through mutuality that helped them grow and connect in East Harlem Their stories shine a light on an organization that began as a small community of vowed nuns who like these mothers also trace their origins abroad They Made All the Difference Eileen Wirth,2010-06 At a time when so many public and private school systems are burdened with woes Jesuit high schools are thriving Enrollments budgets and endowments are growing alumni support is strong and the schools enjoy an impressive reputation for academic and athletic excellence Jesuit educators are even taking bold steps to develop new schools to serve poor and disadvantaged students Eileen Wirth a university professor and parent of a Jesuit high school student explains how the remarkable success of Jesuit high schools is rooted in a centuries old vision marked by acute sensitivity to the individual

fierce commitment to excellence concern for the poor and a spirituality that prizes self knowledge and flexibility By visiting Jesuit high schools all over the country conducting interviews studying countless books and visiting every Jesuit high school Web site Wirth learned and eagerly shares with her readers how Ignatian spirituality imbues every conceivable dimension of a Jesuit high school education From football to freshman retreats fund raising to finding God in all things They Made All the Difference details the incomparable success of Jesuit high schools and their far reaching effects Jesuit high schools make a world of difference Their graduates make a difference in the world Take a look at any Jesuit high school in the United States and immediately you ll be struck by the fact that there is something different about its academics as well as its athletics student life discipline and spirituality But what makes these high schools so different and also so successful The key is a compelling educational vision that dates back nearly five hundred years to St Ignatius of Loyola Throughout this book that vision is articulated and shown to be embodied in the students faculty and alumni of Jesuit high schools Through fascinating and life changing stories from Jesuit high schools biographies of notable Jesuit high school alumni including among others journalist Tim Russert comedian Bob Newhart Olympic medalist Kate Johnson and actor singer Harry Connick Jr and individual profiles of each Jesuit high school readers will come to know and admire the schools and the people who make a significant difference in today s world because of the centuries old vision they follow **Catholic Identity Or Identities?**

Gerald A. Arbuckle,2013 How can Catholic leaders effectively train and form members of our institutions in the Gospel values that are the ultimate foundation of Catholic identities Internationally recognized author educator and facilitator Gerald A Arbuckle argues that it is time to acknowledge that the programs and processes used in the past are inadequate to our postmodern age The systems previously used to educate the staffs of our hospitals universities schools and other institutions rarely succeed today Although didactic teaching and discursive learning have their place they cannot be the primary method for forming identities Catholic Identity or Identities will assist a wide range of people bishops theologians pastoral workers institutional leaders and staffs and more in their various ministries Arbuckle draws on several disciplines including Scripture theology and history but in particular cultural anthropology to explain the importance of refounding adult formation for Catholic ministries and the practical ways to achieve it Evolving Visions Of The Priesthood Dean R. Hoge,Jacqueline E. Wenger,2017-06-15 Evolving Visions of the Priesthood traces the movement of the Church in the United States during the first forty years of the implementation of Vatican II This research gives the U S Church a good picture of itself and its struggles during the post conciliar period These studies are important for what they tell us of priests who were already ministering the theology of the Council at the time of the Council and also consider those priests ordained more recently and their perspectives on Vatican II How the different groups of priests perceive each other in their respective desires to be faithful to God offers the reader insight into today s presbyterate By following what has been happening we get a glimpse of what the future holds Given the struggles of the scandals recently confronting the Church the studies also offer indications of

why the particular problems arose so suddenly and why they were so related to a given time frame Chapters are The American Priesthood After the 1960s Characteristics of Priests in 2001 The Shifting Emphasis in Ecclesiology The New Priests Issues and Needs Felt by Priests The Question of Homosexual Subcultures Understanding the Changes and Recommendations Made by the Priests Includes an epilogue Effects of the 2002 Sexual Misconduct Crisis Dean R Hoge is a professor in the department of sociology at The Catholic University of America in Washington D C He has done sociological research serving American churches for 32 years and has authored several books and articles on American religion including The First Five Years of the Priesthood published by Liturgical Press Jacqueline E Wenger is a graduate student in sociology at The Catholic University of America and a licensed clinical social worker Lost Shepherd Philip F. Lawler, 2018-02-26 Faithful Catholics are beginning to realize it s not their imagination Pope Francis has led them on a journey from joy to unease to alarm and even a sense of betrayal They can no longer pretend that he represents merely a change of emphasis in papal teaching Assessing the confusion sown by this pontificate Lost Shepherd explains what s at stake what s not at stake and how loyal believers should respond **Priests** Andrew M. Greeley, 2004-03-07 For several years now the Roman Catholic Church and the institution of the priesthood itself have been at the center of a firestorm of controversy While many of the criticisms lodged against the recent actions of the Church and a small number of its priests are justified the majority of these criticisms are not Hyperbolic and misleading coverage of recent scandals has created a public image of American priests that bears little relation to reality and Andrew Greeley s Priests skewers this image with a systematic inside look at American priests today No stranger to controversy himself Greeley here challenges those analysts and the media who parrot them in placing the blame for recent Church scandals on the mandate of celibacy or a clerical culture that supports homosexuality Drawing upon reliable national survey samples of priests Greeley demolishes current stereotypes about the percentage of homosexual priests the level of personal and professional happiness among priests the role of celibacy in their lives and many other issues His findings are more than surprising they reveal among other things that priests report higher levels of personal and professional satisfaction than doctors lawyers or faculty members that they would overwhelmingly choose to become priests again and that younger priests are far more conservative than their older brethren While the picture Greeley paints should radically reorient the public perception of priests he does not hesitate to criticize the Church s significant shortcomings Most priests for example do not think the sexual abuse problems are serious and they do not think that poor preaching or liturgy is a problem though the laity give them very low marks on their ministerial skills Priests do not listen to the laity bishops do not listen to priests and the Vatican does not listen to any of them With Greeley s statistical evidence and provocative recommendations for change including a national Priest Corps that would offer young men a limited term of service in the Church Priests offers a new vision for American Catholics one based on real problems and solutions rather than on images of a depraved immature and frustrated priesthood **Episcopacy, Authority, and Gender**

Jan Wim Buisman, Marjet Derks, Peter Raedts, 2015-09-07 What is the base of religious leadership and how has it changed over the centuries This volume presents a range of actors both men and women who in a variety of historical contexts claimed to be the living voices or intermediaries of God The essays analyse the foundation of their authoritative claims and ask how and how far they succeeded in securing obedience from the Christians to whom they addressed their message Religious authority is not understood as a monolithic entity but as something derived from many sources and claims Whatever the national background whether ordained or supposedly appointed through divine intervention the histories of the people portrayed underline the long term manifestations and multifaceted nature of Christian identity *Our Fathers* David France, 2005 An examination of the pedophile scandals that have rocked the Catholic Church assesses the implications of the crisis explaining why the Church knowingly covered up decades of abuse and discussing how it has responded

Thank you for downloading **Passionate Uncertainty Inside The American Jesuits**. Maybe you have knowledge that, people have look numerous times for their chosen books like this Passionate Uncertainty Inside The American Jesuits, but end up in malicious downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful virus inside their desktop computer.

Passionate Uncertainty Inside The American Jesuits is available in our book collection an online access to it is set as public so you can get it instantly.

Our books collection hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Merely said, the Passionate Uncertainty Inside The American Jesuits is universally compatible with any devices to read

Passionate Uncertainty Inside The American Jesuits Introduction

Passionate Uncertainty Inside The American Jesuits Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Passionate Uncertainty Inside The American Jesuits Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Passionate Uncertainty Inside The American Jesuits : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Passionate Uncertainty Inside The American Jesuits : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Passionate Uncertainty Inside The American Jesuits Offers a diverse range of free eBooks across various genres. Passionate Uncertainty Inside The American Jesuits Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Passionate Uncertainty Inside The American Jesuits Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Passionate Uncertainty Inside The American Jesuits, especially related to Passionate Uncertainty Inside The American Jesuits, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Passionate Uncertainty Inside The American Jesuits, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Passionate Uncertainty Inside The American Jesuits books or magazines might include. Look for these in online stores or libraries. Remember that while Passionate Uncertainty Inside The American Jesuits, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Passionate

Uncertainty Inside The American Jesuits eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Passionate Uncertainty Inside The American Jesuits full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Passionate Uncertainty Inside The American Jesuits eBooks, including some popular titles.

FAQs About Passionate Uncertainty Inside The American Jesuits Books

What is a Passionate Uncertainty Inside The American Jesuits PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Passionate Uncertainty Inside The American Jesuits PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Passionate Uncertainty Inside The American Jesuits PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Passionate Uncertainty Inside The American Jesuits PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Passionate Uncertainty Inside The American Jesuits PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering

information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
