

Passionate Cause

Deborah J. Brown

Passionate Cause:

The Psychology of Passion Dr Robert J. Vallerand, 2015-05-01 Winner of the 2017 APA William James Book Award The concept of passion is one we regularly use to describe our interests and yet there is no broad theory that can explain the development and consequences of passion for activities across people's lives In The Psychology of Passion Robert J Vallerand presents the first such theory providing a complete presentation of the Dualistic Model of Passion and the empirical evidence that supports it Vallerand conceives of two types of passion harmonious passion which remains under the person's control and obsessive passion which controls the person While the first typically leads to adaptive behaviors the obsessive form of passion leads to less adaptive and at times maladaptive behaviors Vallerand highlights the effects of these two types of passion on a number of psychological phenomena such as cognition emotions performance relationships aggression and violence He also discusses the development of passion and reviews a range of literature on passion for activities

Descartes and the Passionate Mind Deborah J. Brown, 2006-06-22 An important and original reading of Descartes account of mind body unity and his theory of mind Cause Marketing for Nonprofits Jocelyne Daw, 2006-03-31 This book captures the exciting potential for business and nonprofits to partner for mutual benefit and discovery Cause marketing aligns nonprofits and businesses to combine the power of their individual brands with a company's marketing might to achieve social and shareholder value while communicating their values Cause Marketing for Nonprofits changes the way nonprofits view and execute cause marketing programs It provides a wealth of hands on practical experience that can benefit any nonprofit organization interested in this innovative and growing form of generating revenue building profile and achieving mission No nonprofit can afford to ignore the contents of this important new book the first designed specifically for the sector

In Freedom's Cause George Alfred Henty, 1885 At the turn of the fourteenth century in Scotland young Archie Forbes becomes involved with both William Wallace and Robert the Bruce in the struggle for Scottish independence from English rule THE LIFE THAT MATTERS MANIFESTO Adam Landrum, 2024-10-23 Are you at a crossroads wondering if your life and work truly matter The Life That Matters Manifesto is your roadmap to discovering deeper purpose fulfillment and impact in the second half of life Written by seasoned Executive Coach Adam Landrum this book distills 11 powerful principles that guide you to live intentionally lead with purpose and achieve what truly matters to you Through practical insights and real world examples Adam shows you how to redefine success not by what you've accomplished but by how deeply you're living your values and passions Whether you're navigating a career transition stepping into a new venture or simply seeking more meaning in your current role this book equips you with the tools to craft a life of significance It's not just another self help book it's a call to action for every professional ready to move from success to significance Embrace the challenge Live a Life That Matters *The Theosophical Quarterly*, 1927 **The 13Ps of Leadership** Ahmed Shehu Awak, PhD, 2016-03-22 This book provides an insight into the world of leadership and what it entails The various leadership styles

from the social science perspective were discussed in order to provide knowledge of leadership research and continuous research by scholars of the world The author however came up with some prerequisites elements termed as the 13Ps of leadership explained in an applied and practical manner which is hoped to shape the minds of present and potential leaders in imbibing positive responsibilities and characteristics of leadership Speeches quotations direct views shared quotations and stories and verbal views mostly drawn from the Nigerian society were all captured and used in an attempt to give a picture a clear message and meaning to the 13Ps The book focuses on the psyche of an individual as a leader and a sane human being with the objective of making the society a better place It is focused more on public leadership but not limited to all other leadership positions Every other leader should be able to pick a thing or two for further improvement and self development CEOs MDs political office holders etc

Cause Marketing For Dummies Joe Waters, Joanna MacDonald, 2011-08-09 Create a mutually beneficial partnership between nonprofit and for profit enterprises Cause marketing creates a partnership with benefits for both a nonprofit entity and a business Written by an expert on cause marketing whose blog SelfishGiving.com is a key resource on the subject this friendly guide shows both business owners and marketers for nonprofits how to build and sustain such a partnership using social media such as Facebook and Twitter It covers new online tools how to identify potential partners tips on engaging your fans and how to model a campaign on proven successes Cause marketing is not marketing a cause but a partnership between business and nonprofit that benefits both This guide offers an easy to understand blueprint for finding appropriate partners planning and setting up a campaign using Facebook Twitter and blogs measuring campaign success and more Explains online tools such as Quick Response Codes services like Causon and The Point and location marketing services including Foursquare Whrrl and Gowalla Features case studies that illustrate successful campaign techniques Cause Marketing For Dummies helps both businesses and nonprofits reap the benefits of effective cause marketing

The Three Marks of Manhood G. C. Dilsaver, 2010 The noted Catholic psychologist Dr G C Dilsaver writes that the time has come for Catholic families to re discover true patriarchy time for Catholic men to accept and fulfill their role as leader and head of their families The role of Christian manhood as ordained by God and confirmed by Catholic teaching is symbolized by three staffs the Scepter of authority and self discipline the Crosier of spiritual headship and the Cross of redemptive suffering Dr Dilsaver promotes a new and untainted patriarchy in which the husband's ultimate authority is rooted in Christ's example of humility and self sacrificing love Three Marks of Manhood can help Christian families realize their identity to the fullest empowering them to resist the encroachment of secular culture Read it and learn how to build a strong and lasting marriage raise children to become faithful men and women of God and foster an authentic Catholic culture in your home Dr Dilsaver with his development of the first fully integrated Christian psychology Imago Dei Psychotherapy is truly the father of Christian Psychology with the publication of Three Marks of Manhood he may also be the father of a new Christian patriarchy

The Power Within: Claim It! Debbie Miles, 2012-10 Life is a gift meant to be enjoyed

but most people think it's defined by problems that they need to solve. It's time to take a new approach that allows you to start walking down a path that will lead to accountability and success. It begins with six proven strategies: Build a strong personal foundation, Develop a life philosophy, Recognize what's holding you back, Pursue your purpose and passion, Unleash your personal power to initiate change, Inspired by everyday people who live ordinary lives. This guidebook for growth shows how self-awareness can change all areas of your life, how to find the courage to take charge of your destiny and how to handle challenging situations more effectively. The only thing standing in the way of the future you want is the decisions you make. Stop coming up with excuses and start taking action to overcome self-doubt, fear, and insecurities by finding The Power Within.

The Monthly Chronicle, 1839 **Deep Influence** T. J. Addington, 2014-12-18 Too much attention is paid to leadership techniques and far too little to the kind of heart and mind from which the best leadership emanates. The path to truly influential leadership is found in the discipline of practices hidden from the public eye that deeply inform our public leadership. Our convictions, our call, our understanding of ourselves and heart commitments are where it all begins. Character, courage, wisdom, integrity, humility, spiritual depth, endurance, perseverance, kindness, and vision all come from a place deep inside our hearts and souls, the hidden interior and recesses of our lives whose channels lead to deep veins of God's work and molding.

Summa Theologica, Volume 2 (Part II, First Section) St Thomas Aquinas, 2013-01-01 The Summa Theologica is the best known work of Italian philosopher, scholar, and Dominican friar SAINT THOMAS AQUINAS (1225-1274), widely considered the Catholic Church's greatest theologian. Famously consulted immediately after the Bible on religious questions at the Council of Trent, Aquinas's masterpiece has been considered a summary of official Church philosophy ever since. Aquinas considers approximately 10,000 questions on Church doctrine, covering the roles and nature of God, man, and Jesus, then lays out objections to Church teachings and systematically confronts each using Biblical verses, theologians, and philosophers to bolster his arguments. In Volume II, Aquinas addresses happiness, good and evil, love and hatred, hope and despair, anger, virtue, sin, and grace, and much more. This massive work of scholarship, spanning five volumes, addresses just about every possible query or argument that any believer or atheist could have and remains essential more than seven hundred years after it was written for clergy, religious historians, and serious students of Catholic thought.

A Book of English Literature Franklyn Bliss Snyder, Robert Grant Martin (Harvard local name), Robert Grant Martin, 1924 **Hume's Morality** Rachel Cohon, 2008-10-02 Rachel Cohon offers an original interpretation of the moral philosophy of David Hume, focusing on two areas. Firstly, his metaethics. Cohon reinterprets Hume's claim that moral distinctions are not derived from reason and explains why he makes it. She finds that Hume did not actually hold three Humean claims: 1) that beliefs alone cannot move us to act, 2) that evaluative propositions cannot be validly inferred from purely factual propositions, or 3) that moral judgments lack truth value. According to Hume, human beings discern moral virtues and vices by means of feeling or emotion in a way rather like sensing, but this also gives the moral judge a truth apt idea of a virtue or vice as a felt property.

Secondly Cohon examines the artificial virtues Hume says that although many virtues are refinements of natural human tendencies others such as honesty are constructed by social convention to make cooperation possible and some of these generate paradoxes She argues that Hume sees these traits as prosthetic virtues that compensate for deficiencies in human nature However their true status clashes with our common sense conception of a virtue and so has been concealed giving rise to the paradoxes **Leader Developmental Readiness: Pursuit of Leadership Excellence** Rebecca J.

Reichard,2016-02-19 This volume takes an in depth look at leader development readiness and practice especially in early life stages where it is especially formative and has the potential magnitude of long term impact By understanding developmental readiness what it is how to assess it and how to develop it we can maximize program impact and it will help both individual leader self development efforts as well as organized formal programs in attaining the ultimate goal of increasing and accelerating leader development The Jossey Bass quarterly report series New Directions for Student Leadership explores leadership concepts and pedagogical topics of interest to high school and college leadership educators Issues are grounded in scholarship and feature practical applications and best practices in youth and adult leadership education *Perception*

and Passion in Dante's Comedy Patrick Boyde,1993-09-16 A reading of the Comedy in the context of thirteenth century psychology and philosophy **Hume, Passion, and Action** Elizabeth Schmidt Radcliffe,2018 David Hume s theory of action is well known for several provocative theses including that passion and reason cannot be opposed over the direction of action Elizabeth S Radcliffe defends an original interpretation of Hume s views on passion reason and motivation which is consistent with other theses in Hume s philosophy loyal to his texts and historically situated She challenges the now orthodox interpretation of Hume on motivation presenting an alternative that situates Hume closer to Humeans than many recent interpreters have Part of the strategy is to examine the thinking of the early modern intellectuals to whom Hume responds Most of these thinkers insisted that passions lead us to pursue harmful objects unless regulated by reason and most regarded passions as representations of good and evil which can be false Understanding Hume s response to these claims requires appreciating his respective characterizations of reason and passion The author argues that Hume s thesis that reason is practically impotent apart from passion is about beliefs generated by reason rather than about the capacity of reason Furthermore the argument makes sense of Hume s sometimes ridiculed description of passions as original existences having no reference to objects The author also shows how Hume understood morality as intrinsically motivating while holding that moral beliefs are not themselves motives and why he thought of passions as self regulating contrary to the admonitions of the rationalists *Mosquito* Gayl Jones,2016-06-28 Bury those easy to read Black romance books *Mosquito* is where African American literature is heading as we approach the twenty first century E Ethelbert Miller Emerge *Purpose with Passion & Compassion* Rodin JS Kumar,2024-12-25 Purpose with Passion Compassion In Search for Happiness A Flourishing Life is the second book by author and music composer Rodin JS Kumar It is about the search for Happiness and Living a Flourishing

life It is about discovering our true calling accepting it and identifying ourselves with it It s about finding our purpose living it with passion and compassion and making the most of every step moment day and endeavour regardless of the challenges or monotony
