Passionate Miss Prudence:

The Passionate Miss Prudence Lisa Noeli, 2005 When a young lady at a library accuses a rakish lord of a scandalous prank he sets out to prove his innocence and teaches her not to judge a book by its cover Original **The Triumph of Prudence Over Passion, Or, The History of Miss Mortimer and Miss Fitzgerald** Betsy Sheridan, 2011 This is an unconventional epistolary novel set in Ireland and France in 1779 and 1780 against the background of the patriot political agitation that marked the age of Grattan's parliament The young women who write the bulk of the novel's letters link the state of Ireland and the conditions of its women Jane and Prudence Barbara Pym, 2013-01-22 The author of *Excellent Women* explores female friendship and the quiet yearnings of British middle class life a literary delight for fans of Jane Austen Jane Cleveland and Prudence Bates were close friends at Oxford University but now live very different lives Forty one year old Jane lives in the country is married to a vicar has a daughter she adores and lives a very proper life in a very proper English parish Prudence a year shy of thirty lives in London has an office job and is self sufficient and fiercely independent until Jane decides her friend should be married Jane has the perfect husband in mind for her former pupil a widower named Fabian Driver But there are other women vying for Fabian's attention And Pru is nursing her own highly inappropriate desire for her older married and seemingly oblivious employer Dr Grampian What follows is a witty delightful trenchant story of manners morals family and female bonding that redefines the social novel for a new generation Queenie's Whim Rosa Nouchette Carey, 1881 Queenie's Whim: A Novel (Complete) Rosa Nouchette Carey, 1906-01-01 I have always thought the history of the ugly duckling one of the truest and most pathetic of all stories It commences in the sad minor key a long prelude of oppression of misunderstanding The unknown creature sombre of plumage makes no way among its companions its folded up beauties remain hidden The duck pond represents the world Amidst plenty of quackery and folly the weaker goes to the wall By and by the key changes the long neck arches above the weeds amid a burst of triumph the ugly duckling sails away into fairy land a beautiful swan After all there is a wonderful moral hidden under these quaint old stories Beauty and goodness always go together the ugly sister dropping toads instead of diamonds and roses is only the poetical incarnation of envy and discontent truth and mercy and kindness to the aged always unfold themselves under the garb of a beautiful young girl And so the children glean precious stones of wisdom odd shaped and many colored out of the fanciful borders of fairy land Queenie Marriott once compared herself and her little sister Emmie to the ugly duckling of the fable There must be two of them she said only it was dubious whether either of them would become swans No one at Granite Lodge understood them certainly not Miss Titheridge or the other teachers or the girls unless it were Cathy and even Cathy much as she loved them voted them peculiar Queenie was only speaking metaphorically when she made this droll simile the grave young teacher Madam Dignity as the other girls had nicknamed her was sufficiently alive to her own attractions not to fear unjust comparisons Without being handsome Queenie was woman enough to know that her clear brown complexion

white teeth and brown velvety eyes would win a certain amount of commendation Queenie's eyes as she well knew were her strong point they were of singular depth and expression Some one once remarked that they reminded him of brown wells for they had no bottom Somebody was right but they were not mild eyes for all that But we must tell how Queenie Marriott became a teacher at Miss Titheridge's in the select establishment for young ladies at Granite Lodge where her little sister Emmie was a sort of foundation scholar or demi semi boarder as one witty young lady described her with reference to the somewhat scanty scholastic privileges eked out by Miss Titheridge in return for unmitigated drudgery on Queenie's part and a trifling stipend paid out of Queenie's poor little purse the contents of which barely sufficed to find them in decent clothing Her own and part of Emmie's board were all the wages Queenie received for her endurance and patient labor and half of the miserable little pittance of forty pounds a year left to her by her mother was paid quarterly into Miss Titheridge's hand invariably received by Miss Titheridge in the same stony manner and acknowledged in the same words I hope you and Emily will always be grateful to us Miss Marriott for the handsome and gratuitous manner in which my poor sister and myself have befriended you the second Miss Titheridge had been dead fifteen years but it was Miss Titheridge's way always to associate the deceased as though she were still the partner of her labors There would have been very few in this mercenary world who would have acted as generously but as Caroline always beautifully puts it we do it not to be seen of men After which speech it was odd that the visitors to Granite Lodge when they were ushered into the school room always gazed curiously at the young teacher and then at a certain closely cropped head in the darkest corner and went out whispering to themselves of Miss Titheridge's Christianity and magnanimity of soul In more than one case the story turned the scale in the mind of a dubious parent who after such a recital could not but trust their darlings under the care of so good a creature as Miss Titheridge My dear she actually supports those two poor orphans she assured me that a few pounds are all she receives and that is pressed upon her Can you conceive such generosity went on one warm hearted visitor the mother of seven female hopes at least to Miss Titheridge a poor hard working school mistress and treats them as though they were her own daughters The Shape of Fear Elia Wilkinson Peattie,1898 **The Shape of Fear** Elia Wilkinson Peattie,2022-08-01 *Spring's Memory* Colleen Coble,Carol Cox,Judith McCoy Miller,Darlene Mindrup,1999 A nostalgic look at springtimes past and the joy of love discovered Spring's Memory is the latest collection of historical inspirational novellas from Barbour Publishing Includes the stories A Valentine for Prudence by Darlene Mindrup Set Sail My Heart by Colleen Coble The Wonder of Spring by Carol Cox The Blessings Basket by Judith McCoy Miller Retreat to romances of Springs gone by and experience the season of love all over again **Queenie's whim** Roša Nouchette Carey,1881 *The Family Herald* ,1852 *Best Plays of the Early American Theatre, 1787-1911* John Gassner,2000-01-01 Sixteen works from American theater 1787 1911 Charles the Second 1824 Fashion 1845 Uncle Tom's Cabin 1852 The Count of Monte Cristo 1883 The Mouse Trap 1889 The Great Divide 1906 more Background essay Pamela's Spring Song Cecil Roberts,1929 **The World of Barbara Pym** Janice
