The Peace Perspective Mike Markovski, 2014-09-11. What parent does not want to see their children have a life of inner peace and love? I believe inner peace and love is the greatest gift we can give our children. A peace within leads to a greater love of oneself, and that love helps us to have a higher self-esteem. It is with this higher self-esteem that our children can best deal with the many challenges life has to offer. We all want to give our children the best chance for success in life, but what is the best way to make this success possible?
