SUMATHI RAMASWAMY

Passions Of The Tongue

Alan Johnson

Passions Of The Tongue:

Passions of the Tongue Sumathi Ramaswamy, 1997-11-20 An important and original book providing a completely new perspective on the intellectual and cultural history of southern India Sumathi Ramaswamy has both produced a major work of comparative history and made the finest scholarly contribution to the intellectual and cultural history of modern Tamil Nadu to date Nicholas B Dirks author of *The Hollow Crown* The most thorough account of the history of the symbolic profusion of a language any language I have ever read The scholarship is extraordinary and Ramaswamy is quite likely the most knowledgeable on this subject in the whole of India nay the world E Valentine Daniel author of *Charred Lullabies* Chapters in an Anthropography of Violence ["I have always loved the Holy Tongue"](#) Anthony Grafton, Joanna Weinberg, 2011-01-03 Fusing high scholarship with high drama Grafton and Weinberg uncover a secret and extraordinary aspect of legendary Renaissance scholar Isaac Casaubon's already celebrated achievement

Teethmarks on My Tongue Eileen Battersby, 2016-11-09 The gunning down of her mother in a Richmond street sets young Helen Stockton Defoe on a journey of self discovery A physical feature she had first noticed when she was nine years old has made her feel apart and she has quietly capitalized on the privilege never mind the aura which surrounds her She lives in her head and fills her thoughts and days with science horses and art The more intently she begins to observe her remote detached father the more she learns about her place within the rarefied world she inhabits Just when it appears she is at last becoming closer to him it all falls apart as he coldly undermines her abiding passions which causes her to question the identity she has created Her rebellion leads her to Europe on a disturbing path dominated by chance and an evolving self realization As a result of these experiences she gains an ability to feel deeply something from which she had always felt somehow excluded This most unusual coming of age novel with its impressive characterization humor and vivid sense of place takes its clever if barely street wise and increasingly obsessive teenaged narrator on a physical as well as psychological journey towards an astute hard fought and deserved maturity

The Tongue of Fire William Arthur, 1856 [Passions of the Tongue](#) Sumathi Ramaswamy, 1997

Passion June Jordan, 2021-10-19 After decades out of print *Passion* one of June Jordan's most important collections has returned to readers Originally entitled *passion new poems* 1977 1980 this volume holds key works including *Poem About My Rights* *Poem About Police Violence* *Free Flight* and an essay by the poet *For the Sake of the People's Poetry* Walt Whitman and the *Rest of Us* June Jordan was a fierce advocate for the safety and humanity of women and Black people and for the freedom of all people and Barack Obama made a line from this book famous *We are the ones we have been waiting for* With love and humor via lyrics and rants she calls for nothing less than radical compassion This new edition includes a foreword by Nicole Sealey

Einstein Barry R. Parker, 2010-10-05 In this unique contribution to the Einstein literature physicist and acclaimed science writer Parker draws on the great scientist's letters and personal papers to explore the intellectual and emotional passions that motivated both his work and his life Illustrations throughout [Private Passions](#)

Rochelle Alers,2012-03-20 Successful journalist Emily Kirkland secretly marries her close friend and gubernatorial candidate Christopher Delgado but their growing relationship is soon threatened by scandal and by powerful enemies out to destroy them The Low Passions: Poems Anders Carlson-Wee,2019-03-12 In a trenchantly observed and moving debut John James Kenyon Review Anders Carlson Wee mines nourishment and holiness from the darkest of our human origins Explosive and incantatory The Low Passions traces the fringes of the American experiment through the eyes of a young drifter Pathologically frugal reckless and vulnerable the narrator of these viscerally compelling poems hops freight trains hitchhikes dumpster dives and sleeps in the homes of total strangers scavenging forgotten and hardscrabble places for tangible forms of faith **Things That Matter** Charles Krauthammer,2015-05-12 From America s preeminent columnist named by the Financial Times the most influential commentator in the nation a must have collection of Charles Krauthammer s essential timeless writings A brilliant stylist known for an uncompromising honesty that challenged conventional wisdom at every turn Krauthammer dazzled readers for decades with his keen insight into politics and government His weekly column was a must read in Washington and across the country Don t miss the best of Krauthammer s intelligence erudition and wit collected in one volume Readers will find here not only the country s leading conservative thinker offering a passionate defense of limited government but also a highly independent mind whose views on feminism evolution and the death penalty for example defy ideological convention Things That Matter also features several of Krauthammer s major path breaking essays on bioethics on Jewish destiny and on America s role as the world s superpower that have profoundly influenced the nation s thoughts and policies And finally the collection presents a trove of always penetrating often bemused reflections on everything from border collies to Halley s Comet from Woody Allen to Winston Churchill from the punishing pleasures of speed chess to the elegance of the perfectly thrown outfield assist With a special highly autobiographical introduction in which Krauthammer reflects on the events that shaped his career and political philosophy this indispensable chronicle takes the reader on a fascinating journey through the fashions and follies the tragedies and triumphs of the last three decades of American life The Goddess and the Nation Sumathi Ramaswamy,2010-04-09 Making the case for a new kind of visual history The Goddess and the Nation charts the pictorial life and career of Bharat Mata Mother India the Indian nation imagined as mother goddess embodiment of national territory and unifying symbol for the country s diverse communities Soon after Mother India s emergence in the late nineteenth century artists both famous and amateur began to picture her in various media incorporating the map of India into her visual persona The images they produced enabled patriotic men and women in a heterogeneous population to collectively visualize India affectively identify with it and even become willing to surrender their lives for it Filled with illustrations including 100 in color The Goddess and the Nation draws on visual studies gender studies and the history of cartography to offer a rigorous analysis of Mother India s appearance in painting print poster art and pictures from the late nineteenth century to the present By exploring the mutual entanglement of the

scientifically mapped image of India and a Hindu mother goddess Sumathi Ramaswamy reveals Mother India as a figure who relies on the British colonial mapped image of her dominion to distinguish her from the other goddesses of India and to guarantee her novel status as embodiment sign and symbol of national territory Providing an exemplary critique of ideologies of gender and the science of cartography Ramaswamy demonstrates that images do not merely reflect history they actively make it In *The Goddess and the Nation* she teaches us about pictorial ways of learning the form of the nation of how to live with it and ultimately to die for it *Rules for the Government of the Tongue; together with directions in six particular cases, etc* Edward REYNER, 1658 **Notes on the International S.S. Lessons [...]** Robert Rhoden Meredith, 1883

Thaipusam in Malaysia Carl Vadivella Belle, 2018-02-14 This book explores the festival of Thaipusam in terms of its own inner dynamics the traditions and belief structures which ensure the festival's continuing relevance to Malaysian Hindus It argues that Thaipusam reflects a growing sense of Hindu identity in Malaysia and an as yet inchoate unity It contends that while the kavadi ritual provides profound meaning at the individual and group level Thaipusam furnishes a public arena for and gives expression to a powerful Hindu resurgence largely though not exclusively fuelled by Dravidian assertiveness In situating the festival within the context of a Malaysia dominated by Malay and Islamic power brokers a society in which both the Indian community and Hinduism are relegated to the margins the book explores the festival of Thaipusam as a vehicle for mobilization of religious symbols and values which not only simultaneously articulate ethnicity and thus resist the forces which threaten cultural and religious integrity but which also ultimately signal wider allegiances to the broader politico cultural world of an imagined immeasurably rich and enduring Indo Hindu civilization **Silent Anatomies** Monica Ong, 2015 Poetry Art Asian American Studies 2014 Kore Press First Book Winner selected by Joy Harjo SILENT ANATOMIES is a poetic visual hybrid that traverses the body's terrain examining the phenomena of cultural silences Whether it is shame obscuring the female body the social stigma shrouding certain illnesses or the cryptic stories of her ancestors Monica Ong interrogates the agency of the daughter who must decide whether or not to speak out What happens to stories that go underreported untranslating or are completely erased **Riddles of Belonging** Christi A. Merrill, 2009-08-25 Can the subaltern joke Christi A Merrill answers by invoking riddling oral based fictions from Hindi Rajasthani Sanskrit and Urdu that dare to laugh at what traditions often keep hidden whether spouse abuse ethnic violence or the uncertain legacies of a divinely wrought sex change Herself a skilled translator Merrill uses these examples to investigate the expectation that translated work should allow the non English speaking subaltern to speak directly to the English speaking reader She plays with the trope of speaking to argue against treating a translated text as property as a singular material object to be carried across as *trans latus* implies She refigures translation as a performative telling in turn from the Hindi word *anuvad* to explain how a text might be multiply possessed She thereby challenges the distinction between original and derivative fundamental to nationalist and literary discourse humoring our melancholic fixation on what

is lost Instead she offers strategies for playing along with the subversive wit found in translated texts Sly jokes and spirited double entendres she suggests require equally spirited double hearings The playful lessons offered by these narratives provide insight into the networks of transnational relations connecting us across a sea of differences Generations of multilingual audiences in India have been navigating this Ocean of the Stream of Stories since before the 11th century arriving at a fluid sense of commonality across languages Salman Rushdie is not the first to pose crucial questions of belonging by telling a version of this narrative the work of non English language writers like Vijay Dan Detha whose tales are at the core of this book asks what responsibilities we have to make the rights and wrongs of these fictions come alive age after age

Sermons on Various Subjects, Evangelical, Devotional and Practical Joseph Lathrop,1806 *James E. C. S. Gibson,1886*

The Word in the Desert Douglas E. Christie,Douglas Burton-Christie,1993 Growing scholarly debate in recent years on the religious world of late antiquity has focused new attention on the quest for holiness by early Christian monks known as the desert fathers This book explores the setting within which their early monastic movement emerged

India's Forests, Real and Imagined Alan Johnson,2022-12-29 As they seek to explore evolving and conflicting ideas of nationhood and modernity India s writers have often chosen forests as the dramatic setting for stories of national identity India s Forests Real and Imagined explores how these settings have been integral to India s sense of national consciousness Alan Johnson demonstrates that modern writers have drawn on older Indian literary traditions of the forest as a place of exile trial and danger to shape new ideas of India as a modern nation The book casts new light on a wide range of modern writers from Bankim Chandra Chattopadhyay widely regarded as the first Indian novelist to contemporary authors such as Amitav Ghosh Arundhati Roy and Salman Rushdie as well as local attitudes to nationhood and the environment across the country

Immerse yourself in heartwarming tales of love and emotion with is touching creation, **Passions Of The Tongue** . This emotionally charged ebook, available for download in a PDF format (PDF Size: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
