An American Passion Len Blanchard, 2001-09 An historical narrative of epic scope An American Passion is a story of adventure political intrigue war and romance set on the Northern Plains during the last several decades of the Nineteenth Century While faithfully adhering to the sketchy and often contradictory historical record the epic offers a vivid imaginatively realized account of the life of the mysterious Crazy Horse legendary war chief of the Lakota Sioux A man who typically let his actions do his speaking for him and who died young assassinated at the hands of the U S Government in his mid thirties Crazy Horse s story is related by five different narrators An American Passion opens with a prologue spoken by the Missouri River the mighty river of the Great Plains With the historical context established Crazy Horse s life from his birth to his death little more than a year following his great victory over George Armstrong Custer at the Little Big Horn is related retrospectively by his grieving father Worm a notable medicine man of the tribe The next major section of the epic is narrated by the woman for whom Crazy Horse risked his life and the welfare of his people Black Buffalo Woman s tale is a tragedy in the vein of Romeo and Juliet s Unlike the story of Shakespeare s fallen lovers however the love story of Crazy Horse and Black Buffalo Woman has never been related in its full gripping complexity as it is in An American Passion Amazingly after his nearly fatal attempt to take Black Buffalo Woman as his wife Crazy Horse went on to marry and the third major narration of An American Passion is that of Black Shawl his fiercely loyal and devoted widow and the mother of his only known child Telling her story at about the time Sitting Bull was returning to the reservation after having been released from prison by the U S Government a bitter but not a hopeless woman Black Shawl focuses on the early death of her daughter by Crazy Horse and on her final days in captivity with Crazy Horse The epic concludes with the account of He Dog a loyal friend of Crazy Horse having fought beside him throughout his days as the greatest warrior among the Sioux He Dog lived to be nearly a hundred years old and served as a respected judge in the Indian courts on the reservation Told from the vantage point of 1910 some 33 years after the killing of Crazy Horse He Dog s narration is largely a tribute to his friend a consideration of the differences in character and temperament between himself and Crazy Horse and an elegy to what might have been and perhaps may some day yet be In the depth and breadth of its portrayal of major figures in Crazy Horse s life who are little more than footnotes in the historical record and in the insight it offers into the heart and mind of a great and

complicated man a man who lived and died ultimately as an enigma even to the people who revered and revere him An American Passion is a unique emotionally engaging account of the final days of the resistance of the Native Americans of the Northern Plains to that juggernaut of forces which having achieved its objective destroyed a culture though not a people

A passion in the desert** Honoré de Balzac, 1908 **Wolf by the Ears** John R. Van Atta, 2015-06-30 In this engaging work Van Atta provides an in depth analysis of the 1820 Missouri Compromise a seminal event on the road to the Civil War Choice In Wolf by the Ears John R Van Atta discusses how the question of slavery surfaced in the divisive fight over Missouri statehood As Thomas Jefferson wrote at the time a nation dealing with the politically implacable issue of slavery essentially held the wolf by the ears and could neither let go nor hang on forever The first organized Louisiana Purchase territory to lie completely west of the Mississippi River and northwest of the Ohio Missouri carried special significance for both pro and anti slavery advocates Northern congressmen leaped out of their seats to object to the proposed expansion of the slave empire while slave state politicians voiced outrage at the northerners blatant sectional attack Although the Missouri confrontation ultimately appeared to end amicably with a famous compromise that the wily Kentuckian Henry Clay helped to cobble together the passions it unleashed proved vicious widespread and long lasting Van Atta deftly explains how the Missouri crisis revealed the power that slavery had already gained over American nation building He explores the external social cultural and economic forces that gave the confrontation such urgency around the country as well as the beliefs assumptions and fears that characterized both sides of the slavery argument Wolf by the Ears provides students in American history with an ideal introduction to the Missouri crisis while at the same time offering fresh insights for scholars of the early republic Van Atta has written the clearest narrative of the Missouri crisis to date Louisiana History Rapture Sjohnna McCray, 2016-04-05 Because I can never say anything plainly Because I always stutter politely Because there s always the chatter before the kiss from In Need of Subtitles In this award winning debut Sjohnna McCray movingly recounts a life born out of wartime to a Korean mother and an American father serving during the Vietnam War Their troubled

histories and McCray's own are told with lyric passion and the mythic undercurrents of discovering one's own identity one's own desires What emerges is a self and family portrait of grief and celebration one that insists on our lives as anything please but singular Rapture is an extraordinary first collection with poems of rare grace and feeling *The Return of Wolves* Eli Francovich, 2023-04-11 Uncover on the ground reporting on the conflict between conservationists ranchers and an iconic predator and discover the solution that might appease them all The gray wolf has made an astonishing comeback in Washington Nearly eradicated by the 1990s conservationists and environmentalists have cheered its robust return to the state over the last two decades But Washington ranchers are not so joyous When wolves prey on livestock ranchers view their livelihood as under attack In *The Return of Wolves* journalist Eli Francovich investigates how we might mend this divide while keeping wolf populations thriving He finds an answer in the time honored tradition of range riding and one passionate range rider Daniel Curry who has jumped directly into the fray by patrolling the rural Washington landscape on horseback Curry engages directly with farmers seeking to protect livestock from wolves while also protecting and proliferating wolf populations In *The Return of Wolves* we meet an eclectic cast of players local ranchers politicians environmentalists and everyday folks caught in the middle and find hope for the future of wolves and perhaps for our divided nation *The Chouans ; A passion in the desert ; The gondreville mystery ; The muse of the department* Honoré de Balzac, 1901 *The Ruling Passion* Christopher Lane, 1995 In *The Ruling Passion* Christopher Lane examines the relationship between masculinity homosexual desire and empire in British colonialist and imperialist fictions at the turn of the twentieth century Questioning the popular assumption that Britain's empire functioned with symbolic efficiency on sublimated desire this book presents a counterhistory of the empire's many layers of conflict and ambivalence Through attentive readings of sexual and political allegory in the work of Kipling Forster James Beerbohm Firbank and others and deft use of psychoanalytic theory *The Ruling Passion* interprets turbulent scenes of masculine identification and pleasure power and mastery intimacy and antagonism By foregrounding the shattering effects of male homosexuality and interracial desire and by insisting on the centrality of unconscious fantasy and the death drive *The Ruling Passion* examines the startling recurrence of colonial failure in narratives of symbolic doubt and ontological crisis Lane argues compellingly that Britain can progress culturally and politically only when it has relinquished its residual fantasies of global mastery *Scenes from military life: The Chouans. A passion in the desert* Honoré de Balzac, 1904 **Hope Heals** Katherine Wolf, Jay Wolf, 2016-04-26 When all seems lost where can you find hope Katherine and Jay Wolf married right after college and sought adventure far from home in Los Angeles CA As they pursued their dreams she as a model and he as a lawyer they planted their lives in the city and their church community Their son James came along unexpectedly in the fall of 2007 and just six months later everything changed in a moment for this young family On April 21 2008 as James slept in the other room Katherine collapsed suffering a massive brain stem stroke without warning Miraculously Jay came home in time and called for help Katherine was immediately
