PASSIONS BETWEEN WOMEN

BRITISH LESBIAN CULTURE 1668 - 1801

"Provides more than ample evidence that many relationships between women were more passionate and sexual than other historians—including the revered Lillian Faderman—would have us believe."—*Gay Times*

Passions Between Women:

Passions Between Women Emma Donoghue, 1993 Through an examination of a wealth of new medical legal and erotic source material together with re readings of classics of English literature Emma Donoghue uncovers the astonishing range of lesbian and bisexual identities described in British texts between 1668 and 1801 The Politics of Passion Gloria Wekker, 2006-04-25 Gloria Wekker analyzes the phenomenon of mati work an old practice among Afro Surinamese working class women in which marriage is rejected in favor of male and female sexual partners Wekker vividly describes the lives of these women who prefer to create alternative families of kin lovers and children and gives a fascinating account of women s sexuality that is not limited to either heterosexuality or same sex sexuality She offers new perspectives on the lives of Caribbean women transnational gay and lesbian movements and an Afro Surinamese tradition that challenges conventional Western notions of marriage gender identity and desire Bringing these women s voices to the forefront she offers an extensive and groundbreaking analysis of the unique historical religious psychological economic linguistic cultural and political forces that have shaped their lives **Desert Passions** Hsu-Ming Teo, 2012-11-15 The Sheik E M Hull s best selling novel that became a wildly popular film starring Rudolph Valentino kindled sheik fever across the Western world in the 1920s A craze for all things romantically Oriental swept through fashion film and literature spawning imitations and parodies without number While that fervor has largely subsided tales of passion between Western women and Arab men continue to enthrall readers of today s mass market romance novels In this groundbreaking cultural history Hsu Ming Teo traces the literary lineage of these desert romances and historical bodice rippers from the twelfth to the twenty first century and explores the gendered cultural and political purposes that they have served at various historical moments Drawing on high literature erotica and popular romance fiction and films Teo examines the changing meanings of Orientalist tropes such as crusades and conversion abduction by Barbary pirates sexual slavery the fear of renegades the Oriental despot and his harem the figure of the powerful Western concubine and fantasies of escape from the harem She analyzes the impact of imperialism decolonization sexual liberation feminism and American involvement in the Middle East on women s Orientalist fiction Teo suggests that the rise of female authored romance novels dramatically transformed the nature of Orientalism because it feminized the discourse made white women central as producers consumers and imagined actors and revised reversed or collapsed the binaries inherent in traditional analyses of Orientalism Poems Between Women Emma Donoghue, 1997 With poems in English by over one hundred female poets American English Scottish Canadian South African Indian Irish and Australian this is an extraordinary collection that pays homage to four centuries of women s desires friendships and expressions of love The collection is testimony to the rich tradition of female verse and the timelessness of love and creativity **Sacred Unions, Sacred Passions** Dan Brennan, 2010 Sacred Unions Sacred Passions offers a compelling case for Christian men and women to move beyond the fears of sexuality and open themselves to deeper friendships **Passions**

Between Women Emma Donoghue, 1993 Through an examination of a wealth of new medical legal and erotic source material together with re readings of classics of English literature Emma Donoghue uncovers the astonishing range of lesbian and bisexual identities described in British texts between 1668 and 1801

Political Passions Rachel Judith Weil, 1999 Ideas about marriage gender and the family were central to political debate in late Stuart England Newly available in paperback this book shows how political argument became an arena in which the proper relations between men and women parents and children public and private were defined and contested Using sources that range from high political theory to scurrilous lampoons she considers public debates about succession resistance and divorce Weil examines the allegedly fraudulent birth of the Prince of Wales in 1688 the uses to which Williamite propagandists put the image of the paradoxically sovereign but obedient Mary II anxieties about the influence of bedchamber women on Queen Anne the political self image of the notorious Duchess of Marlborough the relationship of feminism and Tory ideology in the polemical writings of Mary Astell and the scandal novels of Delariviere Manley Solidly grounded in current historical scholarship but written in an engaging manner accessible to non specialists this book will interest students of literature gender studies political culture and political theory as well as historians

Unwise Passions Alan Pell Crawford, 2000 This true story of sex murder and corruption in 18th century Virginia centers on Nancy Randolph an attractive woman from a wealthy and socially prominent family who lived with her sister and brother in law Richard Randolph After rumors that Nancy bore Richard s child and that he killed the child a trial ensued with Patrick Henry defending Richard Maps and illustrations

Passion and Purity Elisabeth Elliot, 2002 I have deep feelings for this guy but he says I m like a sister to him What should I do Why should a man still be expected to initiate romance Isn t it okay to spend time together if we re just friends If I never marry will God take that desire away These are some of the many questions posed in letters to Elisabeth Elliot by readers of her bestselling book *Passion and Purity* In this beautifully repackaged edition of *Quest for Love* she responds with sound biblical guidance dusting off antiquated concepts such as commitment integrity honor and servanthood and showing how they still apply to dating and singleness today Intertwined are hopeful true stories of discovering love through God s direction

Women, Passion & Celibacy Sally Cline, 1993 The author of *Just Desserts* *Women and Food* issues a startling but compelling call for single women to embrace their freedom and redefine and celebrate a non genital sexuality Essential reading for any woman who has ever felt that her body is not her own

Acts of Passion Nina Rapi, Maya Chowdhry, 2014-06-03 The first volume to focus exclusively on lesbian performance work *Acts of Passion* *Sexuality Gender and Performance* draws on the experiences and expertise of a wide range of lesbian practitioners and theorists to explore the impact and influences of sexuality and gender on performance It examines essays dialogues and performance texts from theater directors performers theorists playwrights and performance writers against social and cultural constructs and performance theories to produce a diverse and challenging portrait of lesbian live performance art The book s penetrating scope covers drag queens lesbian vampires

representations of lesbian sex solo artists the art of collaboration lesbian aesthetics and lesbian playwrights writing straight and illustrates why live performance is one of the most dynamic forums in which women can create control and produce their work without artistic constraint *Acts of Passion* explodes binary definitions of gender and sexuality by destabilizing familiar notions of the real and creating new production values and aesthetics in the process The relationships between experience and expression sexuality and cultural placing context and artistic control representation and self representation become clearer as the book discusses the manner in which women are represented as absent in the signifying system of patriarchal society how questions of purity authenticity and self definition complicate the field of representation the power of lesbian dance performance to make the lesbian body culturally visible several new wave performers creating work getting seen showing flesh doing politics and making money the projections preconceptions expectations and general baggage attached to the performing lesbian body what the term lesbian playwright means within contemporary culture It's Queer Up North a British National Arts Organization the arguments for and against mainstreaming lesbian performance Anyone interested in theater and performance cultural studies gender issues and the politics of positive representation whether playwright performer director writer academic student or theatre goer will find *Acts of Passion* a powerful step in wrenching the power of representation away from the dominant culture Defiant saucy sexy and smart the contributors appropriate their own spaces identities crafts and languages both within this book and without

Passion Is the Gale Nicole Eustace, 2011-02
Passion Is the Gale Emotion Power and the Coming of the American Revolution Particular Passions Lynn Gilbert, Gaylen Moore, 1981 Presents interviews with influential modern women including Louise Nevelson Mary Lou Williams Lillian Hellman Agnes de Mille Billie Jean King Gloria Steinem Sarah Caldwell and others The Dangerous Passion David M. Buss, 2000-02-14 Why do men and women cheat on each other How do men really feel when their partners have sex with other men What worries women more men who turn to other women for love or men who simply want sexual variety in their lives Can the jealousy husbands and wives experience over real or imagined infidelities be cured Should it be In this surprising and engaging exploration of men's and women's darker passions David Buss acclaimed author of *The Evolution of Desire* reveals that both men and women are actually designed for jealousy Drawing on experiments surveys and interviews conducted in thirty seven countries on six continents as well as insights from recent discoveries in biology anthropology and psychology Buss discovers that the evolutionary origins of our sexual desires still shape our passions today According to Buss more men than women want to have sex with multiple partners Furthermore women who cheat on their husbands do so when they are most likely to conceive but have sex with their spouses when they are least likely to conceive These findings show that evolutionary tendencies to acquire better genes through different partners still lurk beneath modern sexual behavior To counteract these desires to stray and to strengthen the bonds between partners jealousy evolved as an early detection system of infidelity in the ancient and mysterious ritual of mating Buss takes us on a fascinating journey through many cultures from

pre historic to the present to show the profound evolutionary effect jealousy has had on all of us Only with a healthy balance of jealousy and trust can we be certain of a mate s commitment devotion and true love Critical Passions Jean Franco,1999
