Sticca,1970-01-01 In this first comprehensive study of the Latin Passion play Professor Sticca examines the medieval liturgical ceremonies commemorating the events in Christ s Passion and traces their gradual change in character from the contemplative to the dramatic The author shows that while Christ s Passion became increasingly popular as one of the sacred mysteries beginning in the tenth century new forces that allowed a more eloquent and humane visualization and description of Christ s anguish first appeared in the eleventh and twelfth centuries Professor Sticca analyzes the earliest extant Latin Passion play the twelfth century Montecassino codex and compares it with other Latin and vernacular Passion plays He

refutes the traditional view that the Planctus Mariae is the germinal point of the Latin Passion play and then offers a new theory of its inception As a literary form the Latin Passion play appears to Professor Sticca as a creation of the Montecassino monastic circle which was inspired by the liturgical services of Good Friday and the Gospel accounts Particularly influential also were three themes that developed in the eleventh century in liturgy a concentration on Christocentric piety in art a more humanistic treatment of Christ and in literature a consideration of the scenes of the Passion as dramatic and human episodes In the course of this investigation Professor Sticca also reappraises traditional views of the origin of the medieval liturgical drama indicating that it should not be traced exclusively to the tropes from the schools of St Gall and St Martial of Limoges but rather to a number of sources

The Silence of God during the Passion Daniel Bourguet,2016-08-03

God s silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified

The Orphan Sisters Mary E. Bennett,1899 **Holy Week. The Passion. The Resurrection** ,1899 *The passion (cont.). The resurrection* James Jacques Joseph Tissot,1900 A Devotional on Our Savior's Death and Passion Charles Herle,C.

Matthew McMahan,2022-02-24

Every true Christian longs to be closer in their relationship to Jesus Christ and obtain a more intimate communion with God This is the point of this puritan devotional Herle has taken the role of a preacher and presented the preaching of the Gospel particularly the passion and death of Christ in a devotional manner What is a devotional A devotional is akin to the meditative aspects of a sermon direct application to the self and how the text launches the reader into their own meditations how it applies to me personally as directly applied to the soul Devotionals like this one

do this step by step one day at a time Each chapter is a respective day s meditation In this work there are 41 devotionals on the passion and death of Christ with a concluding meditation on the resurrection that Christ is a dying and rising Savior In addition Herle thought it important to add into each devotional a kind of ending prayer Each day there are two or three prayers linked to the devotionals that allow you to become more thoughtful about these important biblical points as they relate to what happened to Jesus what he did for his people and how they can be prayed back to him for the soul s edification and benefit The goal in this devotional is to meditate and consider the passion of the Lord Jesus from the Garden of Gethsemane to his death at Golgotha and then consider what happened on the cross as he is nailed there dying for sinners These devotionals work themselves out daily Readers would draw the most virtue from this work and from Jesus Christ if they deal with one chapter each day for 41 days But they are only as helpful as they are thoughtful and dedicated about considering them Devotionals are not about simply flexing one s theological muscles each day It is primarily to gain the real blessing of the Spirit further conformity to the image of Jesus Christ and a deeper fellowship with the Father as you come to understand the passion of Christ and his death on the cross in redeeming sinners

Passion and Compassion in Early Christianity Susan Wessel, 2016-06-09 This book examines how the early Christian elite articulated and cultivated the affective dimensions of compassion in a Roman world that promoted emotional tranquillity as the path to human flourishing Drawing upon a wide range of early Christians from both east and west Wessel situates each author in the broader cultural and intellectual context The reader is introduced to the diverse conditions in which Christians felt and were urged to feel compassion in exemplary ways and in which warnings were sounded against the possibilities for distortion and exploitation Wessel argues that the early Christians developed literary methods and rhetorical techniques to bring about appropriate emotional responses to human suffering Their success in this regard marks the beginning of affective compassion as a Christian virtue Comparison with early modern and contemporary philosophers and ethicists further demonstrates the intrinsic worth of the early Christian understanding of compassion
