Passport To The Soviet Union

Christian Drosten

Passport To The Soviet Union:

The Soviet Passport Albert Baiburin, 2021-11-03 In this remarkable book Albert Baiburin provides the first in depth study of the development and uses of the passport or state identity card in the former Soviet Union First introduced in 1932 the Soviet passport took on an exceptional range of functions extending not just to the regulation of movement and control of migrancy but also to the constitution of subjectivity and of social hierarchies based on place of residence family background and ethnic origin While the basic role of the Soviet passport was to certify a person s identity it assumed a far greater significance in Soviet life Without it a person literally disappeared from society It was impossible to find employment or carry out everyday activities like picking up a parcel from the post office a person could not marry or even officially die without a passport It was absolutely essential on virtually every occasion when an individual had contact with officialdom because it was always necessary to prove that the individual was the person whom they claimed to be And since the passport included an indication of the holder s ethnic identity individuals found themselves accorded a certain rank in a new hierarchy of nationalities where some ethnic categories were normal and others were stigmatized Passport systems were used by state officials for the deportation of entire population categories the so called former people those from the pre revolutionary elite and the relations of enemies of the people But at the same time passport ownership became the signifier of an acceptable social existence and the passport itself the information it contained the photographs and signatures became part of the life experience and self perception of those who possessed it This meticulously researched and highly original book will be of great interest to students and scholars of Russia and the Soviet Union and to anyone interested in the shaping of identity in the modern world *Party, State, and Citizen in the Soviet Union* Mervyn Matthews, 1989 The command system has long pervaded nearly every area of Soviet life This volume documents the prescriptions and proscriptions that have governed everyday life in the Soviet Union policies that are currently undergoing reexamination and revision Among the topics covered are voting and party organ Passport to Assassination Oleg Nechiporenko, 1993 In *Passport to Assassination* Colonel Nechiporenko combines information with interviews with key Soviet officials and his own remarkable experience with Lee Harvey Oswald The Passport Society Mervyn Matthews, 1993-11-17 *Russian Citizenship* Eric Lohr, 2012-10-31 In the first book to trace the Russian state s citizenship policy throughout its history Lohr argues that to understand the citizenship dilemmas Russia faces today we must return to the less xenophobic and isolationist pre Stalin period before the drive toward autarky after 1914 eventually sealed the state off from Europe **Guide-book to the Soviet Union** Sándor Radó, 1928

Soviet and Kosher Anna Shternshis, 2006 Kosher pork an oxymoron Anna Shternshis s fascinating study traces the creation of a Soviet Jewish identity that disassociated Jewishness from Judaism The cultural transformation of Soviet Jews between 1917 and 1941 was one of the most ambitious experiments in social engineering of the past century During this period Russian Jews went from relative isolation to being highly integrated into the new Soviet culture and society while

retaining a strong ethnic and cultural identity This identity took shape during the 1920s and 1930s when the government attempted to create a new Jewish culture national in form and socialist in content Soviet and Kosher is the first study of key Yiddish documents that brought these Soviet messages to Jews notably the Red Haggadah a Soviet parody of the traditional Passover manual songs about Lenin and Stalin scripts from regional theaters Socialist Realist fiction and magazines for children and adults More than 200 interviews conducted by the author in Russia Germany and the United States testify to the reception of these cultural products and provide a unique portrait of the cultural life of the average Soviet Jew **Irregular Migration from the Former Soviet Union to the United States** Saltanat Liebert,2009-09-10 This is the first book in English to examine irregular migration from former Soviet states to the United States It discusses reasons for migration the profile of migrants how the process works how migrants obtain U S visas where they work once arrived and if they intend to return home *Hammer and Silicon* Sheila M. Puffer,Daniel J. McCarthy,Daniel M. Satinsky,2018-06-21 The untold story in their own words of the contributions of Soviet and post Soviet immigrants to the US innovation economy revealed through in depth interviews and analysis It will appeal to academics business practitioners and policymakers interested in innovation entrepreneurship the tech industry immigration and cultural adaptation **Unrecognized Entities** ,2021-12-28 The book which covers contributions from leading international and European law scholars and analyzes the legal and political status quo of non recognized entities comprises three parts The first and the second part focus on contemporary trends of legal theory and practice concerning issues pertaining to secession and non recognized entities in international and European law respectively Additionally it touches upon EU policies the issue of EU citizenship in light of secessionist movements in Europe and the phenomenon of extraterritorial naturalization within non recognized entities The third part scrutinizes the legal systems of non recognized entities in the post Soviet area covering Eastern Ukraine Abkhazia South Ossetia Transnistria and Nagorno Karabakh *Russia* Dmitri Trenin,2019-07-26 Over the past century alone Russia has lived through great achievements and deepest misery mass heroism and mass crime over blown ambition and near hopeless despair always emerging with its sovereignty and its fiercely independent spirit intact In this book leading Russia scholar Dmitri Trenin accompanies readers on Russia s rollercoaster journey from revolution to post war devastation perestroika to Putin s stabilization of post Communist Russia Explaining the causes and the meaning of the numerous twists and turns in contemporary Russian history he offers a vivid insider s view of a country through one of its most trying and often tragic periods Today he cautions Russia stands at a turning point politically economically and socially its situation strikingly reminiscent of the Russian Empire in its final years For the Russian Federation to avoid a similar demise it must learn the lessons of its own history **Policing Stalin's Socialism** David R. Shearer,2014-05-14 Policing Stalin s Socialism is one of the first books to emphasize the importance of social order repression by Stalin s Soviet regime in contrast to the traditional emphasis of historians on political repression Based on extensive examination of new archival materials David Shearer finds that most repression

during the Stalinist dictatorship of the 1930s was against marginal social groups such as petty criminals deviant youth sectarians and the unemployed and unproductive It was because Soviet leaders regarded social disorder as more of a danger to the state than political opposition that they instituted a new form of class war to defend themselves against this perceived threat Despite the combined work of the political and civil police the efforts to cleanse society failed this failure set the stage for the massive purges that decimated the country in the late 1930s *States and Social Revolutions* Theda

Skocpol,2015-09-29 State structures international forces and class relations Theda Skocpol shows how all three combine to explain the origins and accomplishments of social revolutionary transformations Social revolutions have been rare but undeniably of enormous importance in modern world history *States and Social Revolutions* provides a new frame of reference for analyzing the causes the conflicts and the outcomes of such revolutions It develops a rigorous comparative historical analysis of three major cases the French Revolution of 1787 through the early 1800s the Russian Revolution of 1917 through the 1930s and the Chinese Revolution of 1911 through the 1960s Believing that existing theories of revolution both Marxist and non Marxist are inadequate to explain the actual historical patterns of revolutions Skocpol urges us to adopt fresh perspectives Above all she maintains that states conceived as administrative and coercive organizations potentially autonomous from class controls and interests must be made central to explanations of revolutions *The Passport in*

America Craig Robertson,2010-07-02 In today s world of constant identification checks it s difficult to recall that there was ever a time when proof of identity was not a part of everyday life And as anyone knows who has ever lost a passport or let one expire on the eve of international travel the passport has become an indispensable document But how and why did this form of identification take on such a crucial role In the first history of the passport in the United States Craig Robertson offers an illuminating account of how this document above all others came to be considered a reliable answer to the question who are you Historically the passport originated as an official letter of introduction addressed to foreign governments on behalf of American travelers but as Robertson shows it became entangled in contemporary negotiations over citizenship and other forms of identity documentation Prior to World War I passports were not required to cross American borders and while some people struggled to understand how a passport could accurately identify a person others took advantage of this new document to advance claims for citizenship From the strategic use of passport applications by freed slaves and a campaign to allow married women to get passports in their maiden names to the passport nuisance of the 1920s and the contested addition of photographs and other identification technologies on the passport Robertson sheds new light on issues of individual and national identity in modern U S history In this age of heightened security especially at international borders Robertson s *The Passport in America* provides anyone interested in questions of identification and surveillance with a richly detailed and often surprising history of this uniquely important document **Bordering** Nira Yuval-Davis,Georgie

Wemyss,Kathryn Cassidy,2019-06-10 Controlling national borders has once again become a key concern of contemporary

states and a highly contentious issue in social and political life But controlling borders is about much more than patrolling territorial boundaries at the edges of states it now comprises a multitude of practices that take place at different levels some at the edges of states and some in the local contexts of everyday life in workplaces in hospitals in schools which taken together construct reproduce and contest borders and the rights and obligations associated with belonging to a nation state This book is a systematic exploration of the practices and processes that now define state bordering and the role it plays in national and global governance Based on original research it goes well beyond traditional approaches to the study of migration and racism showing how these processes affect all members of society not just the marginalized others The uncertainties arising from these processes mean that more and more people find themselves living in grey zones excluded from any form of protection and often denied basic human rights

The Multiethnic Soviet Union and its Demise Brigid O'Keeffe, 2022-09-08 This book is the first to offer a concise accessible overview of the evolution of the Soviet Union as a multiethnic empire It reflects on how the Soviet Union was home to many ethnic minorities and how their fates and that of the USSR itself were bound to the question of how the Soviet state responded variously throughout its existence to the fundamental question of ethnic difference across its vast and diverse territory The book then examines how the Soviet collapse in 1991 fractured the Union along markedly national lines leading to a variety of new nation states including the Russian Federation being born Brigid O'Keeffe explains how and why the Bolsheviks inscribed ethnic difference into the bedrock of the Soviet Union and explores how minority peoples experienced the potential advantages and disadvantages of ethnic politics within the Soviet Union Ukrainians and Georgians Jews and Roma Chechens and Poles Kazakhs and Uzbeks these and many other minority groups all distinctively shaped and were shaped by the Soviet and post Soviet politics of ethnic difference The Multiethnic Soviet Union and its Demise gives you the historical context necessary to understand contemporary Russia's relationships and conflicts with its post Soviet neighbors and the wider world beyond

Soviet and Post-Soviet Identities Mark Bassin, Catriona Kelly, 2012-04-26 A fresh look at post Soviet Russia and Eurasia and at the Soviet historical background that shaped the present

[The Jewish Minority In The Soviet Union](#) Thomas E Sawyer, 2019-07-11 Dr Sawyer investigates the status and role of Jews in the USSR He includes a discussion of Communist theory and the nationality issue particularly as it concerns the Jews and addresses as well the legal status of Soviet Jews as determined by the Soviet constitutions party directives legislative acts and commitments resulting from international agreements on human and national minority rights A central part of the study looks at the extent to which Jews have been assimilated into the general Soviet culture and whether they continue to play a significant role in party governmental and societal affairs To provide essential background information Dr Sawyer presents and analyzes demographic historical and other relevant materials He also analyzes Soviet Jewish emigration its background and its effects on Jews remaining in the USSR and on both internal affairs and external relations

Passport To The Soviet Union Introduction

In today's digital age, the availability of Passport To The Soviet Union books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Passport To The Soviet Union books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Passport To The Soviet Union books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Passport To The Soviet Union versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Passport To The Soviet Union books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Passport To The Soviet Union books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Passport To The Soviet Union books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Passport To The Soviet Union books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Passport To The Soviet Union books and manuals for download and embark on your journey of knowledge?

FAQs About Passport To The Soviet Union Books

What is a Passport To The Soviet Union PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Passport To The Soviet Union PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Passport To The Soviet Union PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Passport To The Soviet Union PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Passport To The Soviet Union PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or

desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
