Passports Guide To Ethnic New York:

New York Cookbook Molly O'Neill, 1992-01-01 More than five hundred recipes celebrate the passion for food with New York specialties ranging from Codfish Puffs to Braised Lamb Shanks to Kreplach From Abyssinian to Zion David W. Dunlap, 2004-05-12 From modest chapels to majestic cathedrals and historic synagogues to modern mosques and Buddhist temples this photo filled pocket size guidebook presents 1 079 houses of worship in Manhattan and lays to rest the common perception that skyscrapers bridges and parks are the only defining moments in the architectural history of New York City With his exhaustive research of the city s religious buildings David W Dunlap has revealed and at times unearthed an urban history that reinforces New York as a truly vibrant center of community and cultural diversity Published in conjunction with a New York Historical Society exhibition From Abyssinian to Zion is a sometimes quirky always intriguing journey of discovery for tourists as well as native New Yorkers Which popular pizzeria occupies the site of the cradle of the Christian and Missionary Alliance movement the Gospel Tabernacle And where can you find the only house of worship in Manhattan built during the reign of Caesar Augustus Arranged alphabetically this handy guide chronicles both extant and historical structures and includes 650 original photographs and 250 photographs from rarely seen archives 24 detailed neighborhood maps pinpointing the location of each building concise listings with histories of the congregations descriptions of architecture and accounts of prominent priests ministers rabbis imams and leading personalities in many of the congregations **Passport's Guide to Ethnic New York** Mark Leeds, 1991 **Brooklyn!** Ellen Marie Snyder-Grenier, 1996 Lavishly illustrated with prints paintings memorabilia and objects from The Brooklyn Historical Society s unparalleled collection Brooklyn will bring every reader closer to the Brooklyn of legend and fact **Watching the Traffic Go By** Paul Mason Fotsch, 2009-06-03 2007 Jane Jacobs Urban Communication Publication Award Urban Communication Foundation As twentieth century city planners invested in new transportation systems to deal with urban growth they ensured that the automobile rather than mass transit would dominate transportation Combining an exploration of planning documents sociological studies and popular culture Paul Fotsch shows how our urban infrastructure developed and how it has shaped American culture ever since Watching the Traffic Go By emphasizes the narratives underlying our perceptions of innovations in transportation by looking at the stories we have built around these innovations Fotsch finds such stories in the General Motors Futurama exhibit at the 1939 World s Fair debates in Munsey s magazine films such as Double Indemnity and even in footage of the O J Simpson chase along Los Angeles freeways Juxtaposed with contemporaneous critiques by Lewis Mumford Theodor Adorno and Max Horkheimer Fotsch argues that these narratives celebrated new technologies that fostered stability for business and the white middle class At the same time transportation became another system of excluding women and the poor especially African Americans by isolating them in homes and urban ghettos A timely interdisciplinary analysis Watching the Traffic Go By exposes the ugly side of transportation politics through

the seldom used lens of popular culture **The Neighborhoods of Queens** Claudia Gryvatz Copquin, 2007-01-01 This up to date intimate portrait of the 99 neighborhoods of Queens is a wonderful tribute to the borough's past history and present diversity. Detailing the history, people, and cultural activities of each neighborhood, the book is generously illustrated with more than 200 photographs, both contemporary and historical, and over 50 new maps that chart the precise neighborhood boundaries. With two airports, La Guardia and JFK, Shea Stadium, and the Aqueduct Racetrack, Queens is a destination for millions of travelers and visitors each year. But those who live in the borough's neighborhoods know that it offers much more: parks, bridges, colleges, and universities, museums, shops, restaurants, and other institutions and sites that testify to its more than 350 year history. From Astoria to Woodside, with points in between, Queens, the most diverse county in the country, offers a cornucopia of cultures, sights, tastes, and sounds. With input from residents, historians, demographers, politicians, borough officials, shopkeepers, and many others, *The Neighborhoods of Queens* captures the unique character of each neighborhood. The book features practical tips, subway and bus routes, libraries, fire departments, hospitals, quirky and unusual neighborhood facts, and information on famous residents. For anyone who lives in Queens, visits its neighborhoods, or remembers it from earlier times, this book is an unsurpassed treasure.

The Multilingual Apple Ofelia García, Joshua A. Fishman, 2011-03-01 This book will be of special interest to the general reader concerned with the issue of language in the United States, as well as the language specialist and sociolinguist. It has been written to inform those wishing to learn more about the role that languages other than English have had and continue to have in the life of the most important United States city, New York. At the same time, this volume makes an important contribution to the scholarly literature on urban multilingualism and the sociology of language. The book contains chapters on languages of ethnolinguistic groups who arrived early in New York and which have been somewhat silenced: Irish, German, Yiddish, the languages of groups who made early contributions and continue to be heard in the city; Italian, Greek, Spanish, Hebrew, and languages which are acquiring an important voice in the city today; Chinese, Indian languages, English creoles, Haitian Creole.

Ethnic Origins Jeremy Hein, 2006-04-13 Immigration studies have increasingly focused on how immigrant adaptation to their new homelands is influenced by the social structures in the sending society, particularly its economy. Less scholarly research has focused on the ways that the cultural make-up of immigrant homelands influences their adaptation to life in a new country. In *Ethnic Origins*, Jeremy Hein investigates the role of religion, family, and other cultural factors on immigrant incorporation into American society by comparing the experiences of two little-known immigrant groups living in four different American cities not commonly regarded as immigrant gateways. *Ethnic Origins* provides an in-depth look at Hmong and Khmer refugees, people who left Asia as a result of failed U.S. foreign policy in their countries. These groups share low socio-economic status but are vastly different in their norms, values, and histories. Hein compares their experience in two small towns, Rochester, Minnesota, and Eau Claire, Wisconsin, and in two big cities, Chicago and Milwaukee, and examines how each group adjusted to these different settings. The two groups encountered

both community hospitality and narrow minded hatred in the small towns contrasting sharply with the cold anonymity of the urban pecking order in the larger cities Hein finds that for each group their ethnic background was more important in shaping adaptation patterns than the place in which they settled Hein shows how in both the cities and towns the Hmong s sharply drawn ethnic boundaries and minority status in their native land left them with less affinity for U S citizenship or Asian American panethnicity than the Khmer whose ethnic boundary is more porous Their differing ethnic backgrounds also influenced their reactions to prejudice and discrimination The Hmong with a strong group identity perceived greater social inequality and supported collective political action to redress wrongs more than the individualistic Khmer who tended to view personal hardship as a solitary misfortune rather than part of a larger scale injustice Examining two unique immigrant groups in communities where immigrants have not traditionally settled Ethnic Origins vividly illustrates the factors that shape immigrants response to American society and suggests a need to refine prevailing theories of immigration Hein s book is at once a novel look at a little known segment of America s melting pot and a significant contribution to research on Asian immigration to the United States A Volume in the American Sociological Association s Rose Series in Sociology **Taylor Street** Kathy Catrambone, Ellen Shubart, 2007 Chicagos Near West Side was and is the citys most famous Italian enclave earning it the title of Little Italy Italian immigrants came to Chicago as early as the 1850s before the massive waves of immigration from 1874 to 1920 They settled in small pockets throughout the city but ultimately the heaviest concentration was on or near Taylor Street the main street of Chicagos Little Italy At one point a third of all Chicagos Italian immigrants lived in the neighborhood Some of their descendents remain and although many have moved to the suburbs their familial and emotional ties to the neighborhood cannot be broken Taylor Street Chicagos Little Italy is a pictorial history from the late 19th century and early 20th century from when Jane Addams and Mother Cabrini guided the Italians on the road to Americanization through the areas vibrant decades and to its sad story of urban renewal in the 1960s and its rebirth 25 years later **The Hispanic Way** Judith Noble, Jaime Lacasa, 1991 A handy guide to understanding aspects of behavior attitudes and customs in the Spanish speaking world Magical Habits Monica Huerta, 2021-06-28 In Magical Habits Monica Huerta draws on her experiences growing up in her family s Mexican restaurants and her life as a scholar of literature and culture to meditate on how relationships among self place race and storytelling contend with both the afterlives of history and racial capitalism Whether dwelling on mundane aspects of everyday life such as the smell of old kitchen grease or grappling with the thorny unsatisfying question of authenticity Huerta stages a dynamic conversation among genres voices and archives personal and critical essays exist alongside a fairy tale photographs and restaurant menus complement fictional monologues based on her family s history Developing a new mode of criticism through storytelling Huerta takes readers through Cook County courtrooms the Cristero Rebellion in which her great grandfather was martyred by the Mexican government Japanese baths in San Francisco and a little bit about Chaucer too Ultimately Huerta sketches out habits of living while thinking that

allow us to consider what it means to live with and try to peer beyond history even as we are caught up in the middle of it
Duke University Press Scholars of Color First Book Award recipient *Transnational Lives and the Media* O. Bailey, M. Georgiou, R. Harindranath, 2007-07-31 This collection offers a comprehensive account of the relation between diaspora and media cultures It analyses the politics of transnational communication the consumption of media by diasporic communities and the views of non governmental organizations on issues of the participation and representation of ethnic minorities in the media Chicago , This book provides a comprehensive portrayal of the growth and development of Chicago from the mudhole of the prairie to today s world class city This completely revised fourth edition skillfully weaves together the geography history economy and culture of the city and its suburbs with a special emphasis on the role of the many ethnic and racial groups that comprise the real Chicago of its neighborhoods **The Japanese** Jack Seward, 1992 *Japan Made Easy* Boye De Mente, 1995 This book contains essential information practical advice and hundreds of dos and don ts that will help you get the most out of ayour business or vacation trip to Japan Back cover **Asian Foods** Catharina Y.W. Ang, Keshun Liu, Yao-Wen Huang, 1999-04-05 This comprehensive new book provides up to date information on many types of Asian prepared foods their origin preparation methods processing principles technical innovation quality factors nutritional values and market potential Written by experts who specialize in the field it includes information on Asian dietary habits and the health significance of Asian diets Asian Foods also discusses differences in preparations and varieties among diverse Asian ethnic groups and regions cultural aspects associated with the consumption of the products and the market status or potential of more than 400 varieties of Asian foods These foods include products made from rice wheat other starchy grains soybeans meat poultry fish fruits and vegetables as well as functional foods and alcoholic beverages This timely book will be of interest to food professionals in product development dieticians interested in Asian diets and dietary habits business developers seeking market potential for Asian prepared foods and food science and human nutrition students who need supplemental information *Tourism, Ethnic Diversity and the City* Jan Rath, 2007-05-07 The primary focus of this book is the role of immigrant entrepreneurs and workers in the emerging ethnic tourist industry as well as their interaction with public private and civil society actors in this sector **American Bookseller** , 1992 The Soviet Passport Albert Baiburin, 2021-11-03 In this remarkable book Albert Baiburin provides the first in depth study of the development and uses of the passport or state identity card in the former Soviet Union First introduced in 1932 the Soviet passport took on an exceptional range of functions extending not just to the regulation of movement and control of migrancy but also to the constitution of subjectivity and of social hierarchies based on place of residence family background and ethnic origin While the basic role of the Soviet passport was to certify a person s identity it assumed a far greater significance in Soviet life Without it a person literally disappeared from society It was impossible to find employment or carry out everyday activities like picking up a parcel from the post office a person could not marry or even officially die without a passport It was

absolutely essential on virtually every occasion when an individual had contact with officialdom because it was always necessary to prove that the individual was the person whom they claimed to be And since the passport included an indication of the holder s ethnic identity individuals found themselves accorded a certain rank in a new hierarchy of nationalities where some ethnic categories were normal and others were stigmatized Passport systems were used by state officials for the deportation of entire population categories the so called former people those from the pre revolutionary elite and the relations of enemies of the people But at the same time passport ownership became the signifier of an acceptable social existence and the passport itself the information it contained the photographs and signatures became part of the life experience and self perception of those who possessed it This meticulously researched and highly original book will be of great interest to students and scholars of Russia and the Soviet Union and to anyone interested in the shaping of identity in the modern world **Books in Print** ,1991

When people should go to the ebook stores, search instigation by shop, shelf by shelf, it is in reality problematic. This is why we give the books compilations in this website. It will certainly ease you to see guide **Passports Guide To Ethnic New York** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. If you object to download and install the Passports Guide To Ethnic New York, it is categorically simple then, since currently we extend the colleague to purchase and create bargains to download and install Passports Guide To Ethnic New York consequently simple!
