biography and autobiography this book analyses K tut Tantri s self defeating battle to use history in text and film script to define her identity and reappropriate her past An examination of the use of ideas of truth and fiction in understanding the past leads to broader consideration of the nature of history and its uses Finally an attempt is made to reconcile the deconstruction of K tut Tantri s autobiography with both an acceptance of the validity of alternative historical genres and an acceptance of the problems inherent in writing a history of a living person ABOUT THE AUTHOR Timothy Lindsey is Professor of Law Director of the Asian Law Centre Director of the Centre for Islamic Law and Society and Federation Fellow in the Law School at the University of Melbourne
