The Axeman of New Orleans Miriam C. Davis,2017-03-01 From 1910 to 1919 New Orleans suffered at the hands of its very own Jack the Ripper style killer The story has been the subject of websites short stories novels a graphic novel and most recently the FX television series American Horror Story But the full story of gruesome murders sympathetic victims accused innocents public panic the New Orleans Mafia and a mysterious killer has never been written Until now *The Axeman* repeatedly broke into the homes of Italian grocers in the dead of night leaving his victims in a pool of blood Iorlando Jordano an innocent Italian grocer and his teenaged son Frank were wrongly accused of one of those murders corrupt officials convicted them with coerced testimony Miriam C Davis here expertly tells the story of the search for the Axeman and of the eventual exoneration of the innocent Jordanos She proves that the person mostly widely suspected of being the Axeman was not the killer She also shows what few have suspected that the Axeman continued killing after leaving New Orleans in 1919 Only thirty years after Jack the Ripper stalked the streets of Whitechapel the Axeman of New Orleans held an American city hostage This book tells that story *National Genealogical Society ... Contraband Guides Paul H. D. Kaplan,2020-04-23 In his best selling travel memoir *The Innocents Abroad* Mark Twain punningly refers to the black man who introduces him to Venetian Renaissance painting as a contraband guide a term coined to describe fugitive slaves who assisted Union armies during the Civil War By means of this and similar case studies Paul H D Kaplan documents the ways in which American cultural encounters with Europe and its venerable artistic traditions influenced nineteenth century concepts of race in the United States Americans of the Civil War era were struck by the presence of people of color in European art and society and American artists and authors both black and white adapted and transformed European visual material to respond to the particular struggles over the identity of African Americans Taking up

the work of both well and lesser known artists and writers such as the travel writings of Mark Twain and William Dean Howells the paintings of German American Emanuel Leutze the epistolary exchange between John Ruskin and Charles Eliot Norton newspaper essays written by Frederick Douglass and William J Wilson and the sculpture of freed slave Eugene Warburg Kaplan lays bare how racial attitudes expressed in mid nineteenth century American art were deeply inflected by European traditions By highlighting the contributions people of black African descent made to the fine arts in the United States during this period along with the ways in which they were represented *Contraband Guides* provides a fresh perspective on the theme of race in Civil War era American art It will appeal to art historians to specialists in African American studies and American studies and to general readers interested in American art and African American history
