

A serene sunset scene over a calm body of water. The sky is a gradient of warm colors, from deep orange near the horizon to a lighter yellow at the top. The sun is a bright, glowing orb just above the horizon line, its light reflecting on the water's surface. In the foreground, a dark, silhouetted rock formation juts out from the left, with a small, dark figure of a person standing on it, looking out towards the sea. The overall mood is peaceful and contemplative.

Yesterday was the past, tomorrow
is the future. But today is a gift.
That's why it's called the present.
