Past Life Memories:

Children Who Remember Previous Lives Ian Stevenson, M.D., 2000-12-15 The concept of reincarnation has been around for thousands of years and is a part of many religions including Hinduism Buddhism Jainism and Sikhism In addition to these religious beliefs many people believe it offers an explanation for the mysteries of life There are children that claim to remember previous lives as adults or even animals These claimed memories might affect the development of the child and be incorporated into the child s personality This book presents an in depth look at Dr Stevenson s forty years studying children who claim to remember previous lives It is an informative professional read that dispels common misconceptions about reincarnation and offers an open minded perspective It provides an overview of the history of the belief in and evidence for reincarnation with new material relating to birthmarks and birth defects independent replication studies and recent developments in genetic study It also covers research on children the methods used the cases studied and the analyses of the data The idea of reincarnation is explored as an explanation for some unsolved problems in psychology and medicine

INTRODUCTION TO REINCARNATION Provides an introduction to the study of reincarnation including a discussion of the belief in reincarnation

VARIATIONS IN DIFFERENT CULTURES Looks at how reincarnation is viewed in different cultures around the world and how it has changed over time

EXPLANATORY VALUE OF THE IDEA OF REINCARNATION The idea of reincarnation has been around for thousands of years and many people believe it offers an explanation for the mysteries of life

TYPES OF EVIDENCE FOR REINCARNATION There are many types of evidence for reincarnation including anecdotal evidence case studies and research studies

TYPICAL CASES OF CHILDREN Looks at typical cases of children who remember previous lives with a focus on their characteristics

METHODS OF RESEARCH Discusses the methods of research and the various ways in which previous life memories can be investigated

ANALYSIS AND INTERPRETATION OF CASES Analyzes a number of cases from the author s 40 year career

Life Before Life Jim B. Tucker, 2009

Children's Past Lives Carol Bowman, 2012-02-01 Has your child lived before In this fascinating controversial and groundbreaking book Carol Bowman reveals overwhelming evidence of past life memories in children Not only are such experiences real they are far more common than most people realize Bowman s extraordinary investigation was sparked when her young son Chase described his own past life death on a Civil War battlefield an account so accurate it was authenticated by an expert historian Even more astonishing Chase s chronic eczema and phobia of loud noises completely disappeared after he had the memory Inspired by Chase s dramatic healing Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives spontaneously and naturally In Children s Past Lives she tells how to distinguish between a true past life memory and a fantasy offers practical advice to parents on how to respond to a past life memory and shows how to foster the spiritual and healing benefits of these experiences Perhaps the most moving convincing and best documented evidence yet for life after death Children s Past Lives will stand alongside the classics of Betty J Eadie

Raymond Moody and Brian Weiss in its power to comfort uplift and transform our thinking about life after death The Past Life Perspective Ann Barham, 2016-06-07 Previously published as *Nine lives and counting* **Past Lives, Present Stories** Judith Marshall, 2014-10-08 Discover how flashes from past lives can appear as signs and synchronicities childhood impressions dreams and memories even spontaneous shifts in consciousness or time Providing time tested exercises Past Lives Present Stories shows how to explore your past lives and use the lessons you've learned to flourish in your present incarnation Join author Judith Marshall as she takes you through the full range of techniques for exploring your past lives and piecing together information to help you on your path Providing examples of her own glimpses into her past lives Judith illustrates how illuminating and healing past life discovery can be **Return to Life** Jim B. Tucker, M.D., 2013-12-03 Dr Tucker in a follow up to his book *Life Before Life* explores American cases of young children who report memories of previous lives in the New York Times bestseller *Return to Life* A first person account of Jim Tucker's experiences with a number of extraordinary children with memories of past lives *Return to Life* focuses mostly on American cases presenting each family's story and describing his investigation His goal is to determine what happened what the child has said how the parents have reacted whether the child's statements match the life of a particular deceased person and whether the child could have learned such information through normal means Tucker has found cases that provide persuasive evidence that some children do in fact possess memories of previous lives Among others readers will meet a boy who describes a previous life on a small island When Tucker takes him to that island he finds that some details eerily match the boy's statements and some do not Another boy points to a photograph from the 1930s and says he used to be one of the men in it Once the laborious efforts to identify that man are successful many of the child's numerous memories are found to match the details of his life Soon after his second birthday a third boy begins expressing memories of being a World War II pilot who is eventually identified Thought provoking and captivating *Return to Life* urges its readers to think about life and death and reincarnation and reflect about their own consciousness and spirituality **Twenty Cases Suggestive of Reincarnation** Ian Stevenson, 1980 Cases of responsive xenoglossy thus add to the evidence concerning the survival of human personality after death

European Cases of the Reincarnation Type Ian Stevenson, M.D., 2008-11-13 Many cultures accept that a person may die and then come back to life in another form but Westerners have traditionally rejected the idea Recently however surveys conducted in Europe indicate a substantial increase in the number of Europeans who believe in reincarnation and numerous claims of reincarnation have been reported This book examines particular cases in Europe that are suggestive of reincarnation The first section provides a brief history of the belief in reincarnation among Europeans The second section considers eight cases from the first third of the twentieth century that were not independently investigated but were reported and sometimes published by the persons concerned The third section covers 32 cases from the second half of the twentieth century that were investigated by the author Many of these cases involved either children who exhibited unusual

behavior attributed to a previous life or adults who experienced recurrent or vivid dreams attributed to a previous life In the fourth section the author compares European cases suggestive of reincarnation with those of other countries and cultures

Weiss, Amy E. Weiss, 2012-10-02 In his revolutionary book *Miracles Happen* Brian Weiss M.D. the New York Times bestselling author of *Many Lives Many Masters* examines the physical emotional and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation Trained as a traditional psychotherapist Dr Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient Now a leading proponent of past life therapy Dr Weiss shows us that indeed *Miracles Happen* with seemingly incredible but true stories that demonstrate how by getting in touch with and understanding our past lives we can dramatically improve the present **The Boy Who Knew Too Much** Cathy Byrd, 2017-03-21 The compelling and heartwarming story of a young

baseball prodigy who began sharing vivid memories of being famed American baseball player Lou Gehrig At the tender age of two baseball prodigy Christian Haupt began sharing vivid memories of being a baseball player in the 1920s and 30s From riding cross country on trains to his fierce rivalry with Babe Ruth Christian described historical facts about the life of American hero and baseball legend Lou Gehrig that he could not have possibly known at the time Distraught by her son's uncanny revelations Christian's mother Cathy embarked on a sacred journey of discovery that would shake her beliefs to the

core and forever change her views on life and death In this compelling and heartwarming memoir Cathy Byrd shares her remarkable experiences the lessons she learned as she searched to find answers to this great mystery and a story of healing in the lives of these intertwined souls The Boy Who Knew Too Much will inspire even the greatest skeptics to consider the possibility that love never dies

Reincarnation Eirik Leivsson, 2016-03-17 Discover Remarkable Stories of Past Life Memory Reincarnation Just another religious myth or an actual real phenomenon While such esoteric concepts are near impossible to prove under controlled conditions there does actually exist compelling evidence which suggests that we do live more than once Exceptional Cases of Past Life Memories takes bits of information from all kinds of obscure sources including scientific papers and journals old documentaries and news articles as well as numerous radio and TV interviews and distills it all into a number of concise easy to read stories with clear narratives During the course of this book we will explore 13 cases where people remembered moments from another time another life another them Whatever your beliefs may or may not be one thing is certain at the end of it all the idea of many lives will appear more real than ever before We will take a look at An Indian boy who claims he got shot and whose birthmarks match the bullet wounds of his previous body An English boy who is haunted by the echoes of his 1940s German past A woman whose sexual anxiety is explained through her past life memories A little Finnish girl who swears she used to be a grown man before she was ran over by a bus A young girl from Myanmar who claims she s actually her own grandmother And much more

Many Lives, Many Masters Brian L. Weiss, 1988-07-15 Describes the case of a young woman suffering from anxiety attacks explains how hypnosis revealed her memories of past lives and discusses the usefulness of regression therapy

Past Life Dreamwork Sabine Lucas, 2008-04-18 The first book to approach reincarnation from the perspective of dreams Identifies soul bloodlines the key to past life therapies Combines the author s own experiences with case studies and dreamwork with empirical research Reveals how the analyst and client are often karmically linked In Past Life Dreamwork Sabine Lucas examines soul bloodlines character traits talents and life issues that are the common elements and circumstances of successive past lives Found threaded through our dreams these bloodlines reveal the forces manifesting in this life and taken together they shape individuality as well as destiny within the reincarnation cycle Though a wealth of past life related material regularly surfaces in dreams until now dreamwork has been largely ignored as a therapy for successfully integrating past life experiences Using the results of 27 years of personal and professional work Lucas explains that past life memories help us work out karma on the macro level and trauma on a micro level She distinguishes three types of past life dreams classic informatory and hybrid and demonstrates how to distinguish these from other dreams Her dramatic case studies illustrate the effectiveness of dream therapy in recognizing and integrating the resonant and recurrent circumstances and ethical dilemmas that are played out in the subconscious mind These psychologically revealing stories bear witness to how individuals are made whole through the integration of common strands of forgotten or repressed past lives Lucas shows that the integration of past lives enriches the conscious self and also

promotes universal tolerance through an understanding of the patterns of our psychic soul inheritance Past Life Regression Daniel Kai, 2015-04-07 Have you ever wanted to explore your past lives to help better understand the purpose of your soul's journey through eternity Would you like to help guide your friends and relatives into a meditative state when they can recall their own hidden past life memories to help them with the very personal challenges of their current lives If so this book is for you This book will help you discover the long journey of your soul whether your most recent incarnations were in the distant distant past or from a slightly more recent period of history You'll discover how important events of your past life create trends and can significantly impact your current life You'll see how people family and friends help create karmic resonances and causal ripples from pasts long since forgotten Author Daniel Kai has spent years investigating past life phenomena and helping others recover their own past life memories By popular request he has created this book to help show you how to achieve the same amazing past life recollection results in the comfort of your own home By the time you finish reading this book not only will you be able to provide your own past life regression but you will have enough information to act as a past life advisor to help others In this book you will learn how to use the included guided meditation script to help clients and others recover their own lost past life memories how to distinguish between real past life memories and memories conjured by false memory syndrome how to induce deep deep states of relaxation in yourself and clients to begin probing the recesses of their minds the basics of and the differences between hypnosis and guided meditations how to hone in on specific past life memories how tragedies and important events in past incarnations dramatically affect your current life conditions If you are even remotely curious about past lives and how to help yourself and others enter into a state of mind to recover their hidden past life memories this book is definitely for you I hope you enjoy this book as much as I enjoy creating it *Across Time and Death* Jenny Cockell, 1994 For as long as she could remember Jenny Cockell had felt she had lived a former life as Mary Sutton Finally Jenny acted on her intense need to find her lost family After years of painstaking searching she finally reunited with family members from her previous lifetime This is her startling true story Cosmic Cradle, Revised Edition Elizabeth M. Carman, Neil J. Carman, Ph.D., 2013-04-16 Where was your soul before you were born If your soul is immortal did it have a life prior to birth Did you choose your life and parents Is reincarnation real Elizabeth and Neil Carman the authors of Cosmic Cradle address these questions through interviews with adults and children who report pre birth experiences PBEs not based on regression hypnosis or drugs Instead interviewees recall their pre birth existence completely sober and awake In contrast to near death experiences NDEs which have been well documented to show us what the soul experiences after death PBEs throw light upon our lives before birth People with NDEs sense that they return home when their spirits cross to the other side What is the nature of this place we return to PBEs suggest that we come from the same place we return to we come from the Light and return to the Light The same eternal you progresses through life before life human life and life after death This new edition of Cosmic Cradle explores your soul's journey into your mother's womb
