Past Lives Therapy Morris Netherton, Nancy Shiffrin, 1978 *The Past Life Perspective* Ann Barham, 2016-06-07
Previously published as *Nine lives and counting* **Reliving Past Lives: The Evidence Under Hypnosis** Helen Wambach, 2021-04-06 In *Reliving Past Lives* psychologist Helen Wambach PhD shares the fascinating results of her large scale past life group hypnotherapy sessions In an effort to rule out false memory fantasy and wishful thinking often associated with past life hypnosis Wambach devised a protocol where she chose time specific periods from 2000 BC to the twentieth century and asked respondents where they were and what they were doing during that specific period Race social class occupation types of money used and gender were all explored Mundane questions were asked such as What types of utensils are being used Describe weaving techniques that are being used What foodstuffs are commonly in use during this time What color is the brickwork of the houses As expected when taken to a specific period some respondents reported experiences while others reported nothing prompting the question did they report nothing because they were between lives Wambach reasoned that if she asked a large number of subjects questions about a specific time and place and received a sizable percentage of similar answers from subjects who weren't consciously aware of the information they were reporting that was something worth investigating further Together with her book *Life before Life* the data is compelling reading for anyone pondering the validity of reincarnation and life beyond physical death *Many Lives, Many Masters* Brian L. Weiss, 1988-07-15 Describes the case of a young woman suffering from anxiety attacks explains how hypnosis revealed her memories of past lives and discusses the usefulness of regression therapy **Life Between Lives** Michael Newton, 2014-01-08 For hypnotherapists interested in spiritual regression therapy and aspiring spiritual regressionists this lucid book will be tremendously helpful New Age Retailer **The Power of Past Life Regression** Steve Burgess, 2020-04 The amazing healing powers of past life regression written by one of the world's most experienced Past Life Therapists
