Past Presence

Rupert Sheldrake

Past Presence:

Past Presence Nicole Bross,2019-04 After Audrey had a near death experience she can see people s past lives She discovers that people are dying in her new home town in just the same way they did in their past lives Audrey vows to use her gift to find the murderer before it s too late

The Presence of the Past Rupert Sheldrake,1995 Rupert Sheldrake s theory of morphic resonance challenges the fundamental assumptions of modern science An accomplished biologist Sheldrake proposes that all natural systems from crystals to human society inherit a collective memory that influences their form and behavior Rather than being ruled by fixed laws nature is essentially habitual The Presence of the Past lays out the evidence for Sheldrake s controversial theory exploring its implications in the fields of biology physics psychology and sociology At the same time Sheldrake delivers a stinging critique of conventional scientific thinking In place of the mechanistic neo Darwinian worldview he offers a new understanding of life matter and mind

Metropolitan Philadelphia Steven Conn,2013-02-12 As America s fifth largest city and fourth largest metropolitan region Philadelphia is tied to its surrounding counties and suburban neighborhoods It is this vital relationship suggests Steven Conn that will make or break greater Philadelphia The Philadelphia region has witnessed virtually every major political economic and social transformation of American life Having once been an industrial giant the region is now struggling to fashion a new identity in a postindustrial world On the one hand Center City has been transformed into a vibrant hub with its array of restaurants shops cultural venues and restored public spaces On the other unchecked suburban sprawl has generated concerns over rising energy costs and loss of agriculture and open spaces In the final analysis the region will need a dynamic central city for its future while the city will also need a healthy sustainable region for its long term viability Central to the identity of a twenty first century Metropolitan Philadelphia Conn argues is the deep and complicated interplay of past and present Looking at the region through the wide lens of its culture and history Metropolitan Philadelphia moves seamlessly between past and present Displaying a specialist s knowledge of the area as well as a deep personal connection to his subject Conn examines the shifting meaning of the region s history the utopian impulse behind its founding the role of the region in creating the American middle class the regional watershed and the way art and cultural institutions have given shape to a resident identity Impressionistic and beautifully written Metropolitan Philadelphia will be of great interest to urbanists and at the same time accessible to the wider public intrigued in the rich history and cultural dynamics of this fascinating region What emerges from the book is a wide ranging understanding of what it means to say I m from Philadelphia

The Powerful Presence of the Past Jacqueline Knörr,Wilson Trajano Filho,2010-10-25 This book conceptualizes integration and conflict as interrelated dimensions of social interaction impacted by specific historical experiences Contributions aim at a better understanding of the social mechanisms affecting processes of integration and conflict at the local national and regional levels

Presence Ranjan Ghosh,Ethan Kleinberg,2013-11-15 The philosophy of presence seeks to challenge current

understandings of meaning and understanding One can trace its origins back to Vico Dilthey and Heidegger though its more immediate exponents include Jean Luc Nancy Hans Ulrich Gumbrecht and such contemporary philosophers of history as Frank Ankersmit and Eelco Runia The theoretical paradigm of presence conveys how the past is literally with us in the present in significant and material ways Things we cannot touch nonetheless touch us This makes presence a post linguistic or post discursive theory that challenges current understandings of meaning and interpretation Presence provides an overview of the concept and surveys both its weaknesses and its possible uses In this book Ethan Kleinberg and Ranjan Ghosh bring together an interdisciplinary group of contributors to explore the possibilities and limitations of presence from a variety of perspectives history sociology literature cultural theory media studies photography memory and political theory The book features critical engagements with the presence paradigm within intellectual history literary criticism and the philosophy of history In three original case studies presence illuminates the relationships among photography the past memory and the Other What these diverse but overlapping essays have in common is a shared commitment to investigate the attempt to reconnect meaning with something real and to push the paradigm of presence beyond its current uses The volume is thus an important intervention in the most fundamental debates within the humanities today Contributors Bill Ashcroft University of New South Wales Mark Bevir University of California Berkeley Susan A Crane University of Arizona Ranjan Ghosh University of North Bengal Suman Gupta Open University Ethan Kleinberg Wesleyan University John Michael University of Rochester Vincent P Pecora University of Utah Roger I Simon

In the Presence of the Past R.T. Bienvenu, M. Feingold, 2013-03-11 The broad canvas covered by the articles in the present volume celebrates the diversity and richness of the writings of Frank Manuel during a scholarly career that spans over five decades The subjects of the articles ranging from science to utopia from theology to political thought mirror many of the themes Manuel has written about with erudition flair and uncommon perception It is only fitting that in paying tribute to such a defiant intellect each author brings to his treatment a distinct perspective and texture the result of his own original forays into the history of ideas Yet underlying all the essays is the conviction that the study of the intersection of individuals and ideas still yields a rich harvest Presented to Frank on the occasion of his eightieth birthday In the Presence of the Past honors a teacher a friend and above all a scholar R T Bienvenu and M Feingold eds In the presence of the past vii MARTIN PERETZ Frank Manuel An Appreciation It was finally because of Frank Edward Manuel that I decided however belatedly to forgo a proper academic career Since I had not left so much as a leafscar on the tree of the scholarly culture this is not a fact which anyone else would have reason to notice It is also not I am happy to add something for which Manuel will be especially remembered

Presence of the Past Charles Bridgham Hosmer, 1965

The Presence of the Past in Children's Literature Ann Lucas, 2003-09-30 Time is one of the most prominent themes in the relatively young genre of children's literature for the young like adults want to know about the past This book explores how children's writers have treated the theme and concept of time The volume starts with the

application of literary theory and additionally analyzes examples of the juvenile historical novel. In doing so it also examines changing fashions in criticism and publishing and the pressure they exert on writers. It then considers literary adaptations of myths and archetypes, constructions of history in children's literature, colonial and postcolonial children's fiction, and the treatment of the past in the postmodern era. The book looks at literature from around the world and the expert contributors are from diverse countries and backgrounds. While the book looks primarily at literature of the 19th and 20th centuries, it considers a broad range of historical material treated in works from that period. Included are discussions of such topics as Joan of Arc in children's literature, the legacy of Robinson Crusoe, colonial and postcolonial children's literature, the Holocaust and the supernatural. International in scope, the volume examines history and collective memory in Portuguese children's fiction, Australian history in picture books, Norwegian children's literature, and literary treatments of the great Irish famine.

The Presence of the Past Steven Kemper, 1991 **The Presence of the Past** Penelope Lively, 1976 **Time and Experience** Peter McInerney, 1992-12-15. This book is the only contemporary systematic study of the relationship of time and conscious experience. Peter K. McInerney examines three tightly interconnected issues: how we are able to be conscious of time and temporal entities; whether time exists independently of conscious experience; and whether the conscious experienter exists in time in the same way that ordinary natural objects are thought to exist in time. Insight is drawn from the views of major phenomenological and existential thinkers on these issues. Building on a detailed explication and critique of the views of Kant, Husserl, Heidegger, and Sartre, McInerney develops and defends his own positions. He argues that a revised version of Husserl's three feature theory of time consciousness provides the best explanation of our awareness of temporal features, but that an independently real time is necessary to explain our experience of temporal passage. He also shows that human existence has some special temporal features in addition to those it shares with other entities. Time consciousness, the conscious exercise of powers, and personal identity through time require that any temporal part of human existence be defined by and reach across to earlier and later parts. *The Politics of Presence* John G. Sabol Jr., 2008-08-27. A major focus of ghost excavation, as opposed to ghost hunting, is an archaeology of experience. The emergence of this experience is unearthed through the investigative engagement of haunted space. One aspect of this engagement is performance, which requires a specific sociocultural and historical context of understanding. This context of understanding must be understood in terms of layers of meaning. Gettysburg is used as a specific example of the use of performative and dramatic activity. Each of these activities performed at Gettysburg predisposes a genre, a set of beliefs, practices, social relations, manifestations, and locations, which together define categorically what it is that is manifesting on the battlefield and what interpretations are being used to understand these performative cultural practices. The genres of performative action at Gettysburg are important because they are located at places on the battlefield where belief systems become mobilized into actual practice. This book will explore various haunting uncertainties and cultural situations associated with ghostly activity and the

implications of these performances as they are enacted by ghost hunters Civil War re enactors the tourism industry and the ghosts themselves

Post-Ottoman Topologies Nicolas Argenti,2019-04-21 How are historians and social scientists to understand the emergence the multiplicity and the mutability of collective memories of the Ottoman Empire in the political formations that succeeded it With contributions focussing on several of the nation states whose peoples once were united under the aegis of Ottoman suzerainty this volume proposes new theoretical approaches to the experience and transmission of the past through time Developing the concept of topology contributors explore collective memories of Ottoman identity and post Ottoman state formation in a contemporary epoch that echoing late modernity we might term late nationalism

The Past, Present and Future of Sustainable Management Stephen Cummings,Todd Bridgman,2021-06-05 We might think sustainable management is a new idea created in the 1960s by enlightened modern scientists We might think that it puts us on a new path beyond what management was originally about But this is not true Sustainable management is as old as civilization and was a foundation stone of management science as it was formed in the first decade of the 20th century Recovering this forgotten past provides deeper roots and greater traction to advance sustainable management in our own times This book charts a history of sustainable management from premodern times through the birth of management science as an offshoot of the conservation movement to the present day The authors argue that modern tools like Triple Bottom Line reporting and multiple Sustainable Development Goals may be less useful than a return to a more fundamental and holistic view of management

Waking Giants Herbert N. Schneidau,1991 This is a study of the most paradoxical aspect of modernism its obsession with the past Eliot wrote that the artist must be conscious not only of the pastness of the past but of its presence This creed permeated the movement Modernists believed that the energies of the past could be resurrected in modern works and that they could be the very force that makes those works modern the urge of Pound and others to make it new stemmed from seeing the past as a source of renewal Schneidau focuses on separate texts that incorporate these concepts Joyce s Ulysses Hardy s poems Forster s Howards End Conrad s Secret Agent Sherwood Anderson s Winesburg Ohio and finally Pound s Cantos In his discussions many little noticed connections are examined including a transatlantic set

Hardy with Pound Forster with Fitzgerald Joyce and Lawrence with Anderson

The Presence of the Past Roy Rosenzweig,David Thelen,1998-11-05 Some people make photo albums collect antiques or visit historic battlefields Others keep diaries plan annual family gatherings or stitch together patchwork quilts in a tradition learned from grandparents Each of us has ways of communing with the past and our reasons for doing so are as varied as our memories In a sweeping survey Roy Rosenzweig and David Thelen asked 1 500 Americans about their connection to the past and how it influences their daily lives and hopes for the future The result is a surprisingly candid series of conversations and reflections on how the past infuses the present with meaning Rosenzweig and Thelen found that people assemble their experiences into narratives that allow them to make sense of their personal histories set priorities project what might happen next and try to shape the future

By using these narratives to mark change and create continuity people chart the courses of their lives A young woman from Ohio speaks of giving birth to her first child which caused her to reflect upon her parents and the ways that their example would help her to become a good mother An African American man from Georgia tells how he and his wife were drawn to each other by their shared experiences and lessons learned from growing up in the South in the 1950s Others reveal how they personalize historical events as in the case of a Massachusetts woman who traces much of her guarded attitude toward life to witnessing the assassination of John F Kennedy on television when she was a child While the past is omnipresent to Americans history as it is usually defined in textbooks leaves many people cold Rosenzweig and Thelen found that history as taught in school does not inspire a strong connection to the past And they reveal how race and ethnicity affects how Americans perceive the past while most white Americans tend to think of it as something personal African Americans and American Indians are more likely to think in terms of broadly shared experiences like slavery the Civil Rights Movement and the violation of Indian treaties Rosenzweig and Thelen s conclusions about the ways people use their personal family and national stories have profound implications for anyone involved in researching or presenting history as well as for all those who struggle to engage with the past in a meaningful way

Production of Presence Hans Ulrich Gumbrecht,2004 This book offers a personalized account of some of the central theoretical movements in literary studies and in the humanities over the past thirty years together with an equally personal view of a possible future It develops the provocative thesis that interpretation alone cannot do justice to the dimension in which cultural phenomena and cultural events become tangible and have an impact on us

Presence & I Niki Kapoor,2022-09-14 Presence I is a guide to mastering the journey of life It helps the readers create a beautiful life and meaningful relationships The book presents life as a dance between the Presence and self Each moment of life is a step in that dance We are all here to ultimately discover the Presence That is the purpose of each soul We are all making our way towards the Presence through each life experience How we navigate life and its moments determines if we move closer to the Presence or away from it The book guides the readers towards the Presence by showing the roadmap to choosing higher consciousness in everyday life This is an interactive book with guided meditations reflections and stories that make the content very easy to follow The language is very simple clear and the practices are easy to apply Presence I is a journey into your Higher Self and a higher destiny

Dr. Adams and Master Death Michael H. Mitias,2022-02-03 What is the meaning of human life of living for a short period in this strange world and then leaving it alone quietly in the silence of your soul What is the central aim of liberal arts education What makes the life of a human being worth living This novel revolves around these three questions The exploration of the first question takes place in a long conversation between Master Death and Dr Adams a professor of philosophy at Webster College in Jackson Mississippi While Master Death argues that human living is a process of human dying Dr Adams argues that an understanding of the reality of death is a necessary condition for leading a worthwhile life Dr Adams argues that the aim of liberal arts education is the

cultivation of human character The serious atmosphere of the novel shines brilliantly with a beautiful romance between one of Dr Adams s distinguished students David Brandon and the daughter of his dear friend Dr Stanley Lawson **The Presence of the Past** Valerie Krips,2002-09-11 The presence of the Past studies the interaction of heritage and fiction written for children over a 40 year period in Britain exploring a range of works for children from The Tale of Peter Rabbit to I Spy

Decoding **Past Presence**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Past Presence**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Past Presence full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Past Presence eBooks, including some popular titles.

FAQs About Past Presence Books

What is a Past Presence PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Past Presence PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Past Presence PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Past Presence PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Past Presence PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
