I've Been Here Before

Sara Yoheved Rigler, 2021-11-15. This ground breaking book opens a closet and allows hundreds of people of this generation to emerge with their nightmares, phobias and flashbacks suggestive of an incarnation in the Holocaust. Through that open door, author Sara Rigler introduces the reader to people from all over the world whose stories defy rational explanation unless they are indeed reincarnated souls from the Holocaust. Because the purpose of reincarnation is to rectify past mistakes and failings, Part Two narrates the journeys of souls who in their current lifetime replaced fear with courage, hatred with love and guilt with self forgiveness. Fascinating and convincing, this page turner will quicken your awareness of your own soul and how your inexplicable fears, attractions and repulsions may be comprehensible through the notion of past life experiences. Sara Rigler has written a powerful and gripping narrative. The stories make for fascinating reading.

Rabbi Yitzchak A. Breitowitz, Kehillat Ohr Somayach. An eye opening journey.

Alicia Yacoby, Founder Our6Million. Sara Rigler's extensive research and collection of past life Holocaust memories confirms the reality of this phenomenon and offers hope for healing the trauma that carried over for many of us. For those who have not had their own memories, the case studies offer compelling evidence for the continuation of a personal consciousness after death.

Carol Bowman, author of *Children's Past Lives*. This book is not only credible, it is important.

Rebbetzin Tziporah Heller, Gottlieb, author and lecturer. Sara Rigler has done exceptional work in meticulously compiling, recording and describing personal stories of Jews and non Jews from many countries. By doing so, she has rendered an invaluable service to humanity.

Sabine Lucas, Ph.D., Jungian analyst.
