

The background image shows a close-up of a white plate filled with wide, flat pasta (like farfalle or farfalle) covered in a thick, creamy white sauce. The sauce is garnished with small pieces of blue cheese and finely chopped green herbs. In the background, a glass of white wine is partially visible, and the scene is set on a light-colored tablecloth. The overall lighting is soft and warm, creating an inviting atmosphere.

Two's Company Orlando Murrin, 2021-10-05. Two's Company is a book with a positive message that cooking for two is exciting, fun, and worthwhile. More than that, free from the demands of family or guests, liberated from a strict timetable, you can follow your mood, whether you fancy something homey, a fake away, or a creative culinary adventure. There is a major gap in the market for a mainstream cookbook for two, providing inspiration for couples, friends, and flat sharers who enjoy cooking and eating at home. Most of those cooking for two are forced either to scale down recipes or repeatedly contend with a fridge full of leftovers. Supermarkets have identified this trend and provide a lavish choice of ready meals aimed at twosomes. But there is still a lack of inspiration for those of us who want to cook something fresh from scratch for a partner or friend. Here, Orlando Murrin not only brings you original recipes but sets out the different rules to consider when cooking for two. He suggests ways to shop sensibly to minimize waste and shares ingenious tips for shortcuts and techniques gleaned from working with professional chefs and food stylists.
