**The Pastor-evangelist** Roger S. Greenway,1987      **The Pastor-Evangelist** Roger S. Greenway,1987-06-01      **A House Without Walls: How Christ Unites His Ethnically Divided Church** Dan Crabtree,2021-11-02 In light of the heart breaking ethnic division rending America today A House Without Walls seeks to foster multi ethnic harmony in evangelical congregations by bringing Biblical clarity to current racial and ethnic conversations It uses Scripture to answer some pressing questions of our day like Are all people inherently racist Does the gospel include racial justice Does the Bible advocate for white repentance A House Without Walls attempts to realign discussions about race under the Lordship of Jesus Christ focusing on Biblical understanding and applications It also includes extra Biblical research explaining the language and logic of current conversations about race within an aim towards confidence in engaging the prevalent cultural discourse on race The hopeful outcome of this work is listing unity among believers from diverse ethnic groups facilitated by this Scriptural study      *Invitation to Evangelism* Timothy K. Beougher,2021-08-24 Essential guidance for a lifestyle of sharing God s good news with a lost world What exactly does it mean to evangelize in a Christian sense And how is such evangelizing supposed to be done Longtime pastor evangelist and professor of evangelism Timothy K Beougher answers these questions and more from theological historical and practical perspectives Beougher demonstrates God s goodness in evangelism through relatable anecdotes Bible teaching and encouraging instruction *Invitation to Evangelism* welcomes believers into the experience of stepping out in faith of behalf of people God loves Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren t witnessing very well or even at all They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives *Invitation to Evangelism* guides readers through the essential issues of the gospel message evangelism methods and witnessing models so they are ready and excited to move out in faith as everyday evangelists Beougher s biblical theological historical and practical teaching revolves around following essential aspects of being an evangelist Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for new believers to share their faith eagerly with others

Take Your Church's Pulse Tim Koster,John Wagenveld,2014-10-07 *Take Your Church s Pulse* presents ten vital signs of a healthy church five key commitments and five key functions It then introduce you to a church health diagnostic tool you can apply to your setting Thousands of pastors and leaders around the world have found this paradigm helpful in organizing the ministry and mission of the local church This book and the free diagnostic tool it presents are most useful if accompanied by a healthy process of conversations With such a process led by the Spirit this book can help you discern a preferred future for your community of faith Koster and Wagenveld write A healthy community of faith is rooted first of all in the character and nature of God It understands its mission and purpose in the world and organizes its life and work to be faithful and effective

in its context None of these vital signs stands alone It is a combination of factors that together make up a faithful and fruitful organism the living Church of our Lord Jesus Christ There is no magic in the number ten but for the teaching purposes it has worked quite well in different cultural contexts in providing ideas and a language for discussing important issues in congregational life and mission The intended audience for this book is any pastor leader or church member who is interest in having healthy conversations with others to strengthen the local church Gospel Witness David M. Gustafson,2019-02-14 In light of our increasingly post Christian Western contexts David Gustafson offers a mission oriented ecclesiology that moves from missional theory to practices of missional engagement Introducing God s human drama as a way to explain the gospel within God s redemptive story he outlines specific ways for pastors and church leaders to shape a gospeling culture within their congregations Gustafson expertly lays the foundations of and approaches to evangelism that are seminal and apt for the church today Preach the Word Stephen Oliver Stout,2014-12-09 At some time or another every preacher has entered the pulpit wondering What shall I preach This study finds the answer in the preaching charge of 2 Timothy 4 1 5 summarized in the command Preach the Word In this careful examination of the preaching ministry of Paul as recorded in his letters and sermons in the book of Acts a Pauline theology of preaching emerges What this work discovers is that the governing activity of the ministry of the Apostle Paul is the verbal proclamation of the gospel of Christ All other activities in his ministry are subservient to this overriding concern and they find meaning only if preaching is primary That being the case this book takes seriously the words of Paul when he encourages future preachers to follow his teaching conduct and purpose 2 Tim 3 10 offering Paul as the model for the Christian preacher As readers will discover anyone who desires to preach biblically should seek to preach like Paul and the way to do that is to Preach the Word **The Heart of Hebrews** Leslie Powers,2018-08-08 Making the presence of God known in the world goes to the very heart of the church s purpose Yet it is a formidable challenge How can the church make the presence and glory of God a reality in a world that both denies God and hates the church By the church bearing the image of Jesus Christ in the world through word and deed for as the unknown author of Hebrews declares Jesus is the radiance of God s glory and the exact representation of His being Hebrews 1 3 It is not the primary purpose of the church to specialize in economic social or political issues but rather to proclaim the good news of what God has accomplished in and through Jesus Christ When the church quits proclaiming Christ to proclaim a message of love acceptance tolerance and affirmation then it ceases to effectively fulfill its purpose and loses its relevancy Christ came into the world to proclaim the Gospel in the marketplace and He did so while never surrendering His identity or sacrificing His purpose for the sake of relevancy He expects his church in every age to do likewise The greatest need in the church today is exactly what the early church needed in the first century In a church that is infected with a spiritual apathy has forsaken her first love has compromised truth and is lukewarm a new vision of the risen and glorified Christ dwelling in her midst is needed The only method God designed to lead the church to recover the awareness of Christ s presence is prayer

and preaching that focuses on Jesus Christ Thus if the church is to flourish again there is no greater need than a recovery of faithful powerful biblical preaching whose subject is Christ and the new birth *Into Thy Word* Richard Krejcir,2000-12-20 This book is about how to read and study the Bible This book is about getting the non Christian to learn how to study the Bible and this book is for the Pastor and theologian who needs to have their refresh button pressed This book is in fact for anybody desiring to know the Book of ages If you are new to the Word or are a seasoned teacher If you do not know where to begin or you have tried countless times and feel overwhelmed and frustrated this is the book for you **Mobilizing a Great Commission Church for Harvest** Thomas P. Johnston,2011-05-23 Mobilizing a Great Commission Church for Harvest addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare Key leaders and professors write in their areas of expertise For examples Alvin Reid writes on Mobilizing Students David Wheeler on Servant Evangelism Josef Solc on Sports Evangelism and Darrell Robinson on The Evangelist In addition the book begins and ends with two different applications of Matthew s Great Commission Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry It is fresh new and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God **Themelios, Volume 33, Issue 3** D. Norman J. Barnard, 1992      **The Next Christians** Gabe Lyons, 2012-03-13 I recommend The Next Christians which will give you great insight into the hopes and aspirations of the next generation Chuck Colson founder of Prison Fellowship

Provocative yet massively optimistic Louie Giglio pastor and founder of the Passion Movement Gabe Lyons is optimistic that Christianity's best days are yet to come His best selling book *UnChristian* revealed the pervasiveness of culture's growing disregard for Christians Now in *The Next Christians* Lyons shows how a new wave of believers are turning the tide by bringing the truth of the Gospel to bear on our changing secular society Restorers as Lyons calls them approach culture with a different mentality than generations past Informed by truth yet seasoned with grace and love these believers engage the world by drawing it to the sensibility and authenticity of the Christian life You can be one of these next Christians and change the negative perception of Christianity by living a life that is faithful to the Gospel yet credible and coherent to your friends and neighbors
