Pastor Greg 4 Episodes:

Steve McQueen Greg Laurie, 2019-05-07 An intimate look at movie star Steve McQueen's reckless life of fast cars women and drugs all the way up to his dramatic life change and terminal cancer diagnosis Join Greg Laurie as he takes a cross country drive in his 1968 Highland Green Ford Mustang 390 GT through the canyons of Malibu the alleys of Hollywood the wide and open roads of the Midwest and the streets of New York as he traces the woolly geography of actor Steve McQueen's life relationships career and spiritual journey This iconic muscle car was the vehicle McQueen drove in his most raucous and enduring film Bullitt In the 1960s McQueen was according to box office receipts the biggest movie star of his generation and one of the coolest men to ever walk the planet Greg Laurie was a teen at the time and an ardent fan of The King of Cool first mesmerized by McQueen in 1963's The Great Escape Like millions of cinema fans Greg developed a lifelong fascination with the actor Now he has a chance to tell McQueen's story McQueen was a complex contradictory man who lived the same way he drove his motorcycles and cars fearlessly ruthlessly and at top speed After a lifetime of fast cars women and drugs McQueen took a surprising detour In this book Laurie thoughtfully interviews Steve McQueen's friends co stars associates widow and pastor to tell of the dramatic life change for the actor in the spring of 1979 six months before McQueen was diagnosed with terminal cancer What were the critical steps that led McQueen to make such a life altering decision Perhaps more importantly why is that part of his story so rarely told This book answers these questions Greg Laurie will follow the seeds of Christianity that were sown throughout McQueen's improbable life where a Light finally shone into the darkness of his troubled life These seeds miraculously germinated allowing McQueen to see that redemption through Jesus Christ is a lasting truth more glittering and real than any magic of the entertainment industry *The Unstuck Church* Tony Morgan, 2017-05-16 Acclaimed church leader blogger founder and chief strategic officer of The Unstuck Group Tony Morgan unpacks the lifecycle of a typical church identifies characteristics of each phase and provides practical next steps a church can take to move towards sustained health Think about your church for a moment Is it growing Is it diminishing Is it somewhere in between Acclaimed church leader blogger and founder and chief strategic officer of The Unstuck Group Tony Morgan has identified the seven stages of a church's lifecycle that range from the hopeful and optimistic days of launch to the stagnating last stages of life support Regardless of the stage in which you find your church it carries with it the world's greatest mission to go and make disciples of all the nations With eternity at stake the Church should be doing most everything within its power to see lives changed forever The Church should strive for the pinnacle of the lifecycle where they are continually making new disciples and experiencing what Morgan refers to as sustained health In *The Unstuck Church* Morgan unpacks each phase of the church lifecycle and offers specific and strategic next steps the church leader can take to find its way to sustained health and finally become unstuck The Unstuck Church is a call for honest assessment of where your church sits on the lifecycle and a challenge to move beyond it **Rethinking Hell** Joshua W Anderson, Christopher M

Date, Gregory G Stump, 2014-11-27 Many Christians believe that people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favour of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed However due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earle Ellis as they articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell

Religious Humor in Evangelical Christian and Mormon Culture Elisha McIntyre, 2018-01-25 Incorporating perspectives from religious studies humor studies cultural and film studies and theology as well as original data from textual analysis and the voices of religious comedians this book critically analyses the experiences of believers who appreciate that their faith is not necessarily a barrier to their laughter It is often thought that religion and humor are incompatible but Religious Humor in Evangelical Christian and Mormon Culture shows that humor is not only a popular means of entertainment but also a way in which an individual or community expresses their identity and values Elisha McIntyre argues that believers embrace their sense of humor actively producing and consciously consuming comic entertainment that reflects their own experiences This process is not however without conflict The book argues that there are specific characteristics that indicate a unique kind of humor that may be called religious humor Through an examination of religious humor found in stand up comedy television sitcoms comedy film and satirical cartoons and drawing on interview data the book outlines the main considerations that Christians take into account when choosing their comedy entertainment These include questions about ideology blasphemy taboos around the body and the motives behind the joke

What started as a joke account on Instagram has turned into a movement Through this provocative project the founder of PreachersNSneakers is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment In PreachersNSneakers Authenticity in an Age of For Profit Faith and Wannabe Celebrities Ben Kirby approaches many of the difficult questions plaguing countless Christians minds presenting experiences and input from both sides of difficult questions such as Should pastors grow wealthy off of religion and can their churches ever be too large Do we really believe that divine blessings are monetary or is that just religious wallpaper to hide our own greed Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news What about this Is it wrong for someone even wrong for author Ben Kirby to call out faith leaders online and leverage cancel culture to affect change PreachersNSneakers will navigate these challenging questions and many more with humor wit candor and a few never before published hijinks Each chapter will explore the various sides of the debate holding space for us to make up our own minds This book is not about finding the perfect right way to do something but instead learning how to articulate what we believe why we believe it and what to do when we want to stand up against cultural norms This book will doubtlessly become a staple for church small groups college ministries and book clubs emboldening struggling believers who want to live a more genuine faith After all the Lord works in mysterious colorways

Fresh Wind, Fresh Fire Jim Cymbala, 2010-09 The Times Are Urgent God Is on the Move Now Is the Moment to ask God to ignite his fire in your soul Pastor Jim Cymbala believes that Jesus wants to renew his people to call us back from spiritual dead ends apathy and lukewarm religion Cymbala knows the difference firsthand Thirty five years ago his own church the Brooklyn Tabernacle was a struggling congregation of twenty Then they began to pray God began to move street hardened lives by the hundreds were changed by the love of Christ and today they are more than ten thousand strong The story of what happened to this broken down church in one of America s toughest neighborhoods points the way to new spiritual vitality in the church and in your own life Fresh Wind Fresh Fire shows what the Holy Spirit can do when believers get serious about prayer and the gospel As this compelling book reveals God moves in life changing ways when we set aside our own agendas take him at his word and listen for his voice

Still Time to Care Greg Johnson, 2021-12-07 Charting the path forward for our churches and ministries in providing care not a cure for our non straight sisters and brothers who are living lives of costly obedience to Jesus At the start of the gay rights movement in 1969 evangelicalism s leading voices cast a vision for gay people who turn to Jesus It was C S Lewis Billy Graham Francis Schaeffer and John Stott who were among the most respected leaders within theologically orthodox Protestantism We see with them a positive pastoral approach toward gay people an approach that viewed homosexuality as a fallen condition experienced by some Christians who needed care more than cure With the birth and rise of the ex gay movement the focus shifted from care to cure As a result there are an estimated 700 000 people alive today who underwent conversion therapy in the United States alone Many of these patients were treated by faith based

testimony driven parachurch ministries centered on the ex gay script Despite the best of intentions the movement ended with very troubling results Yet the ex gay movement died not because it had the wrong sex ethic It died because it was founded on a practice that diminished the beauty of the gospel Yet even after the closure of the ex gay umbrella organization Exodus International in 2013 the ex gay script continues to walk about as the undead among us pressuring people like me to say I used to be gay but I m not gay anymore Now I m just same sex attracted For orthodox Christians the way forward is to take a close look at our history It is time again to focus with our Neo Evangelical fathers on caring over attempting to cure With warmth and humor as well as original research Still Time to Care provides Guidance for the gay person who hears the gospel and finds themselves smitten by the life giving call of Jesus Guidance for the church to repent of its homophobia and instead offer gospel motivated love and compassion **Law, Politics and Family in 'The Americans'** Austin Sarat,2023-09-25 Interpreting The Americans through a socially charged lens this special issue offers a compelling insight into the legal and cultural undertones of family dynamics as well as those at the heart of conservative American politics **Velvet Elvis** Rob Bell,2006-06-29 In order to find an authentic understanding of the Christian faith Bell frees readers to consider God beyond the picture someone else painted How to Share Your Faith Greg Laurie,1999 One of America s premier evangelists provides a practical step by step guide to help Christians share Christ with their friends and neighbors The Failure of Youth Ministry Greg Stier,2022-03-18 The Failure of Youth Ministry assesses the current state of youth ministry explains why it s broken and outlines how to fix it Echoing Hope Kurt Willems,2021-03-16 Where is Jesus when we need him most An influential pastor shares how despair can lead us to discover true hope and a deeper relationship with God helping us emerge stronger and more joyful from times of crisis May this careful look at pain in the context of Jesus s life open up avenues of discovery and healing Mindy Caliguire cofounder and president of Soul Care We all experience difficulties and hardships But how can we learn to live richly in the midst of them And even grow spiritually because of them The answer is found in the hopeful humanity of Jesus As the Son of God Jesus wasn t exempt from suffering disappointment or injustice He lived in the real world as a real person He wept for those he loved He felt hunger and thirst He endured temptation betrayal and ridicule He died after being unjustly tortured And somehow through it all he embodied hope by defeating death and opening a new world of life for us In Echoing Hope influential pastor and blogger Kurt Willems reveals how understanding the humanity of Jesus can radically transform our identity and empower us to step into our pain filled world in a new way Combining rich theological insight with personal stories and practices for response he shows how we can overcome despair and encounter the beautiful potential of our lives *Brothers, We Are Not Professionals* John Piper,2013-02-01 In this revised and expanded edition of *Brothers We Are Not Professionals* that includes a new introduction and select all new chapters best selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry We pastors are being killed by the

professionalizing of the pastoral ministry he writes The mentality of the professional is not the mentality of the prophet It is not the mentality of the slave of Christ Professionalism has nothing to do with the essence and heart of the Christian ministry The more professional we long to be the more spiritual death we will leave in our wake For there is no professional childlikeness there is no professional tenderheartedness there is no professional panting after God Brothers we are not professionals We are outcasts We are aliens and exiles in the world Our citizenship is in Heaven and we wait with eager expectation for the Lord Phil 3 20 You cannot professionalize the love for His appearing without killing it And it is being killed The world sets the agenda of the professional man God sets the agenda of the spiritual man The strong wine of Jesus Christ explodes the wine skins of professionalism Turn Your Season Around Darryl Strawberry,2021-01-12 For anyone ready to move their life forward from tragedy personal failure unfair circumstances or just a sense of being stuck baseball legend and bestselling author Darryl Strawberry offers transformational practices and the tangible hope that you can enjoy a future filled with power purpose and freedom Darryl Strawberry has seen it all the highs and lows of an intense career as a Major League Baseball all star drug addiction marriage challenges prison time and battles with cancer With honesty and transparency Strawberry shares the same foundational principles that transformed his life from the inside out the power of prayer cultivating healthy friendships weathering trials without losing heart refreshing the way you think and letting God change your life for good Ultimately he ll help you discover and trust the redemptive process of making small daily decisions to follow God into a life of faith health and freedom Strawberry weaves compelling stories from his own life with those of others he met through his speaking and ministry work across the nation These uplifting testimonies will inspire you with the reminder that God s power can renew any life no matter what has happened With scriptural insights and real life examples Strawberry celebrates the miracles God works in us for healing cleansing and new beginnings Strawberry s life story is proof that you can overcome life s adversities one decision one step at a time It s time to turn your season around **9 Common Lies Christians Believe** Shane Pruitt,2019-02-19 Maybe God isn t who you think He is Maybe He s much better Pastor and speaker Shane Pruitt guides readers in identifying the Christian cliches we ve all heard that are actually unbiblical lies He then counters with the truths about God as presented in the Bible truths that bring encouragement and freedom for our lives God won t give you more than you can handle Really Pastor and speaker Shane Pruitt shines a light on this and other Christian cliches that upon further inspection are actually unbiblical lies that keep far too many believers stuck in spiritual immaturity **LGBT Inclusion in American Life** Susan Burgess,2023-02-21 Using popular culture political time critical race theory and queer theory this book explores how LGBT people were transformed in the post WWII era from dangerous perverts who threatened family and state to military heroes and respectable married couples and parents **Paul's Idea of Community** Robert J. Banks,2020-01-21 This highly readable investigation of the early church explores the revolutionary nature dynamics and effects of the earliest Christian communities It introduces readers to the cultural setting of the house

churches of biblical times examines the apostle Paul's vision of life in the Christian church and explores how the New Testament model of community applies to Christian practice today Updated and revised throughout this 40th anniversary edition incorporates recent research updates the bibliography and adds a new fictional narrative that depicts the life and times of the early church *Queer Prophets* Greg Paul, 2020-10-07 This is the story of a spiritual journey a theological quest to find better biblical answers ones that work in real life to the challenging questions that plague many of us surrounding gender and sexual identity If God is love why does he seemingly reject LGBTQ2 people How can Christians truly embrace them without abandoning their biblical convictions How are queer Christians supposed to live No story ends where it began If we follow the story instead of treating the Bible as a document recording a set of precepts we find that the angst division and abuse set in motion by the fall in the garden are reconciled and resolved in the city of the new Jerusalem And just possibly we may also find that queer people have a prophetic function for our age **When People Are Big and God Is Small** Edward T. Welch, 2023-06-11 Overly concerned about what people think of you Edward T Welch uncovers the spiritual dimension of people pleasing what the Bible calls fear of man and points the way through a true knowledge of God ourselves and others
