Pastoral and Personal Evangelism Charles Le Roy Goodell,1907 **Personal Evangelism** J C Macaulay,Robert H Belton,2013-04-25 Here is a fresh approach to personal evangelism by two writers who speak out of their experience in witnessing and in teaching principles of evangelism in the classroom The approach is biblical Scriptures are constantly introduced in dealing with various types such as the anxious the unsatisfied the fearful the procrastinator and the self righteous The study of the Word is emphasized as preparation for the soul winner Important principles are deduced from the Gospel of John The work of the Holy Spirit is emphasized because He must prepare the heart of the seeker guide the speech of the witness and cause new life to spring up in each individual heart Practicality and tact are two words which may be said to characterize this text It is not limited to theory developed in the seclusion of the study nor does it neglect criticism of such wrong approaches as the holier than thou or the wiser than thou **The Gospel and Personal Evangelism (Foreword by C. J. Mahaney)** Mark Dever,2007-09-07 Evangelism is not only misunderstood it is often unpracticed Many Christians want to share the gospel with others but because those Christians don t grasp the fundamentals of witnessing they feel intimidated and incapable of sharing the truth of the gospel Yet those believers fail to recognize that God has already established who and how we are to evangelize In *The Gospel and Personal Evangelism* Dr Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask Who should we evangelize How should we evangelize What is evangelism Why should we evangelize In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways As readers understand the fundamentals of evangelism they will begin to develop a culture of evangelism in their lives and their local churches *Nine Marks of a Healthy Church* Mark Dever,2013 A must read for church leaders and members alike this book outlines nine essential marks that distinguish a healthy biblical church This classic book is now revised with a new foreword a fresh cover and updated content illustrations and appendices Third edition

Evangelism J. Mack Stiles, 2014-04-16 Christians often struggle to know where to start when it comes to telling others about God Jesus sin and salvation In this short book J Mack Stiles challenges us to view evangelism as something we do together instead of something we do alone helping churches cultivate a culture of evangelism that goes beyond simply creating new programs or adopting the latest method The seventh volume in the 9Marks Building Healthy Churches series this book will help Christians joyfully embrace evangelism as a way of life as it equips them to share their faith with those who don't yet know Jesus Part of the 9Marks Building Healthy Churches series **How to Talk about Jesus (Without Being That Guy)** Sam Chan, 2020-11-03 Most Christians know they should be trying to tell their friends and family about Jesus But in a post Christendom world personal evangelism is viewed negatively it's offensive inappropriate and insensitive Recent studies confirm that the majority of Christians rarely evangelize worried they might offend their family or lose their friends In *How to Talk About Jesus Without Being That Guy* author Sam Chan equips everyday Christians who are reluctant and nervous to tell their friends about Jesus with practical tested ways of sharing their faith in the least awkward ways possible Drawing from over two decades of experience as an evangelist teacher and pastor Chan explains why personal evangelism feels so awkward today And utilizing recent insights from communication theory cross cultural ministry and apologetics he helps you build confidence in sharing your faith and teaches you how to evangelize your friends and family in socially appropriate ways **The Art of Personal Evangelism** Will McRaney, 2003-05-01 Personal evangelism is the foundation for all church growth As the culture and landscape of America shifts people are looking for spiritual answers to life's significant questions However in the increasingly crowded marketplace of spiritual ideas people are looking to the church less and less Will McRaney addresses this problem at the heart of the solution If the Kingdom of God is to expand individual Christians will have to learn to communicate their faith story in a way that is engaging personal and relevant to the listening culture today **Introduction to Evangelism** Alvin Reid, 1998-08-01 The evangelistic mandate says Alvin Reid is central to the mission of the church in any age In this important new book Reid traces the essence of evangelism its history and character teaching Christians how to preach the Gospel effectively Using methods built upon biblical historical and theological foundations this exhaustive guide integrates doctrinal issues with practical matters of methodology while developing the personal spirituality of those who seek to carry out the Great Commission By recognizing the timeless aspects of the evangelistic task and adapting them to today's needs and the needs of the future Reid gives Christians the tools they

need to spread the Word with assurance at the dawn of the new millennium Deep and Wide Andy Stanley, 2012-09-25

Nearly 2 000 years ago Jesus started a movement that has grown like wildfire throughout history Author and pastor Andy Stanley draws from Scripture and over 25 years of pastoral experience to bring to life the irresistible nature of this movement known as the Church With surprising candor and transparency pastor Andy Stanley explains how one of America s largest churches began with a high profile divorce and a church split But that s just the beginning Deep and Wide provides church leaders with an in depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend Andy writes Our goal is to create weekend experiences so compelling and helpful that even the most skeptical individuals in our community would walk away with every intention of returning the following week with a friend Later he says I want people to fall in love with the Author of Scripture And while we can t make anyone fall in love we can certainly arrange a date For the first time Andy explains his strategy for preaching and programming to dual audiences mature believers and cynical unbelievers He argues that preaching to dual audiences doesn t require communicators to dumb down the content According to Stanley it s all in the approach You ll be introduced to North Point s spiritual formation model The Five Faith Catalysts Leaders responsible for ministry programing and production will no doubt love Andy s discussion of the three essential ingredients for creating irresistible environments For pastors willing to tackle the challenge of transitioning a local congregation Andy includes a section entitled Becoming Deep and Wide If your team is more concerned with who you are reaching than who you are keeping Deep it will be a resource you come back to over and over Couldn t be prouder of my son Andy And I couldn t be more excited about the content of this book I wish a resource like this existed when I was starting out in ministry Dr Charles Stanley Founder In Touch Ministries Deep and Wide pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church I was both challenged and inspired by this book Bill Hybels author of Just Walk Across the Room The most common question I get from pastors is How do I get the people in my church to be open to change From now on my answer will be Read Deep and Wide by Andy Stanley Thanks Andy Great book Craig Groeschel Pastor LifeChurch TV author It How Churches and Leaders Can Get It and Keep It No one has given me more practical handles for establishing a focused vision than Andy Stanley Deep and Wide is a rich resource to help all of us stay intentional about the main thing building a church that reaches people who are far from God Steven Furtick Lead Pastor Elevation Church Larry Moyer's How-to Book on Personal Evangelism Richard Larry Moyer, R.
