Pastoral Epistles 1 And 2 Timothy Titus Pelican New Testament Commentary

Arland J. Hultgren

Pastoral Epistles 1 And 2 Timothy Titus Pelican New Testament Commentary:

Abingdon New Testament Commentaries: 1 & 2 Timothy and Titus Jouette M. Bassler, 2011-09-01 Jouette Bassler's volume on the Pastoral Letters is a model of careful clearly written cogent interpretation. She gives faithful attention to the problematic trees along the exegetical path yet without losing sight of the forest. Organized by literary units but not avoiding difficult verses, Bassler's commentary keeps before the reader the unfolding history of the early Christian community from which the text emerges. It is unquestionably the best resource we have on the Pastoral Letters. Charles B. Cousar, Columbia Theological Seminary. Bassler's commentary has the crispness of style and no nonsense quality about it that one has come to expect from its author. The underlying learning is evident throughout. It results in careful critical exegesis that places the Pastorals securely in their social and historical context. All relevant issues are explained and discussed. Bassler is particularly good at referring the reader to other texts that illuminate her own with a broad range over Jewish Greco-Roman and Christian texts. She presupposes the non-Pauline authorship of the Pastorals but otherwise has no special axes to grind. As an introductory commentary for theological students, it could not be bettered. Troels Engberg-Pedersen, Copenhagen University, Denmark. *1 & 2 Timothy, Titus (Understanding the Bible Commentary Series)* Gordon D. Fee, 2011-08-01 The Understanding the Bible Commentary Series helps readers navigate the strange and sometimes intimidating literary terrain of the Bible. These accessible volumes break down the barriers between the ancient and modern worlds so that the power and meaning of the biblical texts become transparent to contemporary readers. The contributors tackle the task of interpretation using the full range of critical methodologies and practices yet they do so as people of faith who hold the text in the highest regard. Pastors, teachers, and lay people alike will cherish the truth found in this commentary series. **The Pastoral Epistles and the New Perspective on Paul** Daniel Wayne Roberts, 2021-08-31 The so-called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism, which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic. This new perspective of first-century Judaism has remarkably changed the landscape of Pauline studies, but it has done so in relative isolation from the Pastoral Epistles, which are considered by most critical scholarship to be pseudonymous. Because of this lack of interaction with the Pastoral Epistles, this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective. This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles. Four basic tenets of the New Perspective on Paul, taken from the writings of E. P. Sanders, N. T. Wright, and James D. G. Dunn, are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective's hermeneutic outside undisputed Paul. The four tenets are as follows: Justification, Salvation Law, and Works; Paul's View of Judaism and the Opponents. Based on these tenets, the passages considered are 1 Tim 1:6-16, 2:3-7, 2 Tim 1:3-8, 12, and Titus 3:3-7. *Pastoral Epistles, Volume 46* Zondervan, 2017-10-10 The Word Biblical

Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes:

- Pericope Bibliography** a helpful resource containing the most important works that pertain to each particular pericope.
- Translation** the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English.
- Notes** the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation.
- Form/Structure/Setting** a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope.
- Rhetorical or compositional features** important to understanding the passage are also introduced here.
- Comment** verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.
- Explanation** brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels:
 1. within the context of the book itself
 2. its meaning in the OT or NT
 3. its place in the entire canon
 4. theological relevance to broader OT or NT issues
- General Bibliography** occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

1-2 Timothy & Titus Philip H. Towner, 1994. Questions about the nature of Christian leadership and authority, attitudes toward wealth and materialism, proper responses to cults, the role of women in the church, and even the validity of the institution of marriage are not new. Paul addressed these issues in personal letters to Timothy and Titus, as leaders of first-century congregations in Ephesus and Crete. What he had to say to them is as relevant to us as today's newspaper headlines. In this clear, pastorally oriented commentary, readers will find helpful background material on authorship, date, and purpose, as well as an overview of theological themes in the Pastoral Epistles. The introductory material is followed by passage-by-passage explanation of the meaning these letters had for their first-century hearers in order to pave the way for understanding their significance for readers today. Students, pastors, Bible teachers, and everyone who wants to understand the message of the Pastoral Epistles for the church will benefit from this excellent resource.

First and Second Timothy and Titus Thomas C. Oden, 2012-08-01. Oden provides a modern commentary on the pastoral letters grounded in the classical consensual tradition of interpretation. This book features otherwise unavailable information and insight on the events

thoughts of the apostle Paul at the close of his life *The Pastoral Epistles* George William Knight, 1992-07-22 Knight's study on the Pastoral Epistles is part of The New International Greek Testament Commentary a series based on the UBS Greek New Testament which seeks to provide thorough exegesis of the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context **The Pastoral Epistles** Donald Guthrie, 1990 Tydale New Testament Commentaries contains The Pastoral Epistle of 1 2 Timothy and Titus and also book 14 **The Untold Story of the New Testament Church [Revised and Expanded]** Frank Viola, 2025-03-04 Experience the New Testament Like Never Before Endorsements from New Testament scholars Craig Keener Darrell Bock Joel B Green Michael Licona Mark Strauss Richard Horsley David deSilva Constantine Campbell Paul Barnett Clinton Arnold Eckhard Schnabel Jeffrey A D Weima and many others One famous scholar said that reading the New Testament letters is like hearing one end of a phone conversation The Untold Story of the New Testament Church Revised and Expanded reconstructs the other end so you can understand virtually every word Seamlessly weaving the narrative of Acts with the Epistles you'll discover a coherent story enriched by intriguing details of first century life This unique and innovative presentation of the New Testament unlocks its epic story in a way that will leave you breathless and equipped to understand the Bible like never before Though it's non fiction this masterpiece reads like a cinematic experience that will captivate your heart by putting you in the center of the drama Drawing on the best of contemporary scholarship Frank Viola includes background information about the people cities and places that are mentioned throughout the New Testament all in an engaging narrative As you dive into this riveting volume you will Gain an intimate glimpse into the lives of apostles Peter James John Paul and their colleagues Uncover the events that inspired each New Testament letter shedding new light on every line from Romans to Revelation Meet the key figures who shaped the world like Priscilla Apollos Lydia Luke John Mark Phoebe Aristarchus and Epaphras Witness the dynamic tumult of first century churches individuals and events as they unfold vividly before you Prepare to be ushered into the living breathing atmosphere of the first century so you can uncover the hidden riches contained in God's Word **1 Timothy** Paul Trebilco, Simon H. Rae, Deolito Vistar, 2023-05-31 1 Timothy shows how Christians can live in harmony and with integrity in a society of people with differing religious and cultural beliefs and values This commentary provides an exposition of 1 Timothy's message which is relevant to many theological and pastoral situations faced by Asian church communities today Along with the detailed commentary the authors provide cultural reflections on various topics surrounding church government and society The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible *Paul and His Letters* John B. Polhill, 1999 Except for Christ himself no figure has been more influential in the history of Christianity than the apostle Paul And yet his remarkable life remains shrouded in mystery In this probing new book John

B Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought Using Acts the Pauline epistles and reliable traditions from non canonical sources Polhill weaves together the remarkable story of Paul s transformation from persecutor to persecuted producing a dynamic account of his entire ministry By placing each of Paul s letters in its proper historical context Polhill brings new light to these foundation stones of the Christian faith He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike

Hostility in the House of God Dillon T. Thornton, 2016-07-30 Virtually all scholars acknowledge the presence of opponents in 1 and 2 Timothy but there is considerable disagreement over the identity of these opponents and the author s way of handling them In this volume Thornton provides a critique of a number of extant theories including Gnostic Jewish and proto Montanist identifications and develops a rigorous methodology for unmasking the opponents who appear in these letters He argues that the opponents came from within the Christian community in Ephesus and that their teaching is best described as an erroneous eschatological position that derived from the complexity of Paul s views He also argues that the author of the books of Timothy engaged with the false teachers in significant ways throughout the letters and draws attention to a number of literary and theological maneuvers that were intended to counteract the opponents influence and or to bolster the faithful community s confidence as it struggled against the opponents Thornton s meticulous investigation sheds new light on the hostility that plays such a large part in 1 and 2 Timothy

Granville Sharp's Canon and Its Kin Daniel B. Wallace, 2009 Granville Sharp s Canon and Its Kin explains that the semantics of the article substantive KAI substantive construction TSKS have been largely misunderstood and that this misunderstanding has adversely impacted the exegesis of several theologically significant texts This issue is addressed from three angles historical investigation linguistic phenomenological analysis of the construction and exegetical implications The reasons for the misunderstanding are traced historically a better comprehension of the semantics of the construction is established by an examination of primary literature in the light of linguistic theory and the implications of this analysis are applied to a number of passages in the New Testament Historically the treatment begins with a clear grammatical principle articulated by Granville Sharp and it ends with the present day confusion This book includes a detailed examination of the New Testament data and other Ancient Greek literature which reveals that Sharp s rule has a general validity in the language Lastly a number of exegetically significant texts that are affected by the linguistic phenomenological investigation are discussed in detail This enlightening text is a valuable resource for undergraduate and graduate students of religion linguistics history and Greek
