PASTORAL LETTER

Share Your Bread with the Hungry

February 7, 2021

Dear Brothers and Sisters in Christ,

Covid 19 has changed the lives of all people, poor and rich alike, economically, socially and spiritually. Its strongest impact is on the poor families that are now struggling to survive. For many of our fellow Filipinos, hunger is real and many of them are asking where to get their food for each day. Whatever we can save on **Ash Wednesday** because of our fasting, abstinences and other acts of penance let us share to those in need of food.

The Church continues to fulfill its mission of feeding the hungry and tending to the needs of the poor. Following this, Pondo ng Pinoy Community Foundation Inc. invites everyone to be in solidarity with the poor, through Hapag-Asa Integrated Nutrition Program. For several years now, Pondo ng Pinoy supports dioceses in feeding the hungry and malnourished children including the malnourished and lactating mothers through the Hapag-Asa Program. The program has been expanded to feed more children who are starving because of the pandemic.

For this purpose, Pondo ng Pinoy is re-launching the FAST2FEED to support funding the Hapag-Asa program. Whatever you save from fasting you may donate to be used in feeding children who are in danger of stunting and wasting. To feed a hungry child one meal a day for 120 days, all it takes is P10.00/day or P1,200.00 for six months. Kindly direct your donation for FAST2FEED to Caritas Manila, indicating that the said amount is intended for this program.

"If today you hear His voice, harden not your hearts" (Ps 95:8). The pandemic has brought too much misery among us. But God in His abounding kindness and mercy, is asking us to lend a hand, give help to the poor, and feed the hungry. Let us listen to Him and heed His command with an open and loving heart. May God bless us all.

+ BRODERICK S. PABILLO

Apostolic Administrator of Manila

Pastoral Letters

Pastoral letters

Pastoral Letters:

Dear Timothy Thomas Ascol, 2016 This collection of writings from seasoned pastors contains over 700 years of combined ministry experience for old and new pastors alike *The Pastoral Epistles* Benjamin Fiore (s.j.), 2007 First and Second Timothy and Titus have for many years borne the collective title The Pastoral Epistles Both their style and their content make it difficult to locate them within the corpus of Pauline letters and recent scholarship most often considers them pseudonymous works that imitate Paul's letters but apply the apostle's teaching to the concerns of a later time two or more decades after Paul's death The Pastorals differ from Paul's own letters in being addressed to single individuals coworkers of Paul who have been placed in charge of particular churches Timothy apparently in Ephesus Titus in Crete They provide instruction for community leaders both the individual addressees and other leaders whom they will appoint The specification of certain offices within the local churches is one of the features that appear to locate these works in a later phase of church development In this commentary Benjamin Fiore SJ places the Pastorals in their historical and literary context The reader will find here a solid introduction to parallel literary forms in Latin and Greek literature and particular descriptions of the way in which these documents use ancient rhetorical forms to achieve their paraenetic and hortatory purpose Drawing on his parish experience as well as his academic training Fiore also provides reflections on the contemporary pastoral application of these books giving readers a renewed appreciation for the pastoral label these epistles bear Benjamin Fiore SJ is president and professor of religious studies at Campion College at the University of Regina Canada The Theology of the Pastoral Letters Frances Margaret Young, 1994-05-26 A fresh assessment of the Pastoral Letters which points to those elements of continuing value to today's readers *Paul for Everyone: The Pastoral Letters* N. T. Wright, 2004-01-01 Enlarged print edition now available Writing in an approachable and anecdotal style Tom Wright helps us to see the pastoral nature of these letters Paul is anxious to see that those who profess the faith should allow the gospel to transform the whole of their lives right down to the deepest part of their personality and is concerned that every teacher of the faith should know how to build up the community in mutual support rather than tearing it apart through the wrong sort of teaching and behavior Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text Each short passage is followed by a highly readable discussion with background information useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today A glossary is included at the back of the book The series is suitable for group study personal study or daily devotions **The Pastoral Letters as Composite Documents** James D. Miller, 1997-08-14 The authorship of the Pastoral letters has been a matter of intense scholarly debate for almost two hundred years The letters clearly purport to be written by Paul but perceived differences in the literary style vocabulary and theology of the Pastorals when compared with that of the genuine Pauline letters suggests that this was not so The arguments have centred primarily on the question of whether Paul or a disciple of

Paul a gifted pseudonymist composed these letters It is the either or nature of the debate that is brought into serious question in this book Dr Miller argues that the Pastorals reflect a compositional history that was commonplace throughout the ancient Near East He takes the reader on a wide ranging tour of biblical and extra biblical sources examining their literary histories and arguing that the Pastorals are composite documents not unlike many Jewish and early Christian works

The Pastoral Epistles I. Howard Marshall, Philip H. Towner, 2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format Public Witness Camilla J. Kari, 2004 In 1792 the Catholic bishops of the United States began issuing joint pastoral letters at periodic intervals intending the letters to be missives directed to validating patriotism and gathering the support of the faithful Today the U S bishops continue to issue such letters which along with the letters that preceded them explain the historic conditions confronting American Catholics Public Witness The Pastoral Letters of the American Catholic Bishops allows readers to learn of the highlights and obscure portions of the letters without reading through several volumes of Victorian prose While viewing the letters as a stable genre that evolves to accommodate change in form and purpose Kari provides historical background a summary and a rhetorical analysis of the pastoral letters The origin of the practice the production of the letters and the reception of the letters by the public and press are explained Well documented and accessible Public Witness is suited for the scholar and the general audience Chapters are Frontiers and Foreigners 1792 1884 The Twentieth Century 1919 1980 The Challenge of Peace Economic Justice for All The Pastoral That Wasn't and Contributions to Public Discourse **The Pastoral Epistles** Stanley E. Porter, 2023-10-17 Leading New Testament scholar Stanley Porter offers a comprehensive commentary on the Pastoral Epistles that features rigorous biblical scholarship and emphasizes Greek language and linguistics This book breaks new ground in its interpretation of these controversial letters by focusing on the Greek text and utilizing a linguistically informed exegetical method that draws on various elements in contemporary language study Porter pays attention to the overall argument of the Pastoral Epistles while also analyzing word meanings and grammatical structures to tease out the textual meaning Porter addresses major exegetical issues that arise in numerous highly disputed passages and while attentive to the history of scholarship on First Timothy Second Timothy and Titus often takes untraditional or innovative positions to blaze a new path forward rather than adopt settled answers This commentary will appeal to professors students and scholars of the New Testament **The True Christian** John Charles Ryle, 1978 *Pastoral Letters of the United States*

Catholic Bishops Catholic Church. National Conference of Catholic Bishops, Patrick W. Carey, 1998 Vol 6 spine title Pastoral letters Includes bibliographical references and indexes v 6 1989 1997

The Letters to Timothy and Titus Philip H. Towner, 2006-07-12 The most accessible most broadly pitched full length commentary on Timothy and Titus this NICNT volume explores Paul's three letters to Timothy and Titus within their historical religious and cultural settings In his introduction Towner sets out the rationale for his historical approach questions certain assumptions of recent critical scholarship and establishes the uniqueness and individuality of each letter Significantly Towner's work displays unprecedented interaction with four recent major commentaries on these Pauline letters Centered on an outstanding translation of the Greek text and including thorough footnotes bibliographical citations and indexes Towner's commentary on Timothy and Titus is sure to become a standard reference for busy pastors students and scholars

1-2 Timothy and Titus (ESV Edition) R. Kent Hughes, Bryan Chapell, 2012-07-31 Preaching the Word Commentaries are written by pastors for pastors as well as for all who teach or study God's word With pastor R Kent Hughes as the series editor these volumes feature an experienced pastor or teacher who models expository preaching and practical application This series is noted for its steadfast commitment to biblical authority clear exposition of Scripture and readability making it widely accessible for both new and seasoned pastors as well as men and women hungering to read the Bible in a fresh way This volume explores 1 and 2 Timothy and Titus to help us better understand what God requires of those who lead in the local church as well as of those who would be led

The Pastoral Epistles George W. Knight, 2013-10-23 This is a thorough full scale English commentary on the Greek text of 1 and 2 Timothy and Titus While author George W Knight gives careful attention to the comments of previous interpreters of the text both ancient and modern his emphasis is on exegesis of the Greek text itself and on the flow of the argument in each of these three epistles Besides providing a detailed look at the meanings and interrelationships of the Greek words as they appear in each context Knight's commentary includes an introduction that treats at length the question of authorship he argues for Pauline authorship and proposes on the basis of stylistic features that Luke might have been the amanuensis for the Pastoral Epistles the historical background of these letters and the personalities and circumstances of the recipients Knight also provides two special excurses the first gathers together the information in the Pastorals and elsewhere in the New Testament on early church offices and leaders the other excursus examines the motivations for conduct in Titus 2:1-10 with a view to their applicability to present day situations

The Pastoral Epistles (ITC) Gerald L. Bray, 2019-07-25 This commentary offers a verse by verse theological interpretation of the First and Second epistles to Timothy and Titus Bray reads the letters as authoritative scripture moving beyond questions of whether they are pseudonymous and of whether or not they are post apostolic instead looking closely at how they have been understood in the life of the Church Bray engages with the history of commentary surrounding these letters ranging from the Fathers to contemporary theology and exegesis He reads the epistles as the authoritative word from God to his people and

through his engagement with the history of interpretation shows the constant thread of witness and confession that unites believers across the ages In so doing Bray shows why the Pastoral Epistles have survived the passage of time and have retained the canonical authority that they have always enjoyed The Pastoral Epistles Scot McKnight,2023-11-09 Provides an up to date explanation of the Pastoral Epistles traditionally attributed to the apostle Paul *Pastoral letters on nonconformity* Pastoral letters,1817 **The Problem of the Pastoral Epistles** P. N. Harrison,2016-07-29 This essay is an attempt to show how the language of the Pastoral Epistles can be used as a key to unlock the old secret of their origin It is not a complete Introduction to these epistles but only a contribution towards that larger subject On the other hand it includes rather more than a series of linguistic studies pure and simple In the matter before us language is only one of several factors which are closely interconnected and refuse to be kept in separate water tight compartments The full significance of each is only seen in its relation to the rest From the preface **Someplace to Be Somebody** Lisa Baker,2022-02-08 **The Letters of Paul** Charles B. Puskas,Mark Reasoner,2013-12-19 Since Charles Puskas first published *The Letters of Paul* it has proven to be a reliable text and reference tool It is an exemplary guide to the basic issues surrounding the Pauline letters who really wrote each letter when it was written the letter s social context audience and literary characteristics and also includes discussion of the worlds of Paul the letter genre and the rhetorical arrangement of each letter Working with noted Pauline scholar Mark Reasoner on this new second edition with more than 40 percent new and revised material the authors have taken account of a host of diverse cultural historical sociorhetorical literary and contextual studies of recent years and critically reexamined several issues of authorship date historical situation literary form and rhetorical structure They have addressed new and pressing issues filled certain lacunae and generally updated the book for a new generation of readers
