Pastoral Care and Intellectual Disability Anna Katherine Shurley, 2017 Every Christian is called to and gifted for ministry The church can and must engage all of its members if it is to flourish fully Far too often persons with intellectual disabilities are excluded While members with disability are often recipients of the church s ministry they are seldom given the opportunity to reciprocate persons with disability are not always fully empowered to minister In *Pastoral Care and*

Intellectual Disability Anna Katherine Shurley asserts the church's need for mutuality in pastoral care. While the shape of each person's vocation is unique, all members of the body of Christ are created for ministry with one another as partners in spiritual care. In a quest for pastoral care that is fundamentally collaborative and fully inclusive, Shurley turns to the psychology of D. W. Winnicott and to Karl Barth's theology of Christian vocation. From this combination, she crafts person-centered pastoral care for the body of Christ and all its members, with or without intellectual disabilities. Person-centered pastoral care recognizes that people with intellectual disabilities can and must participate as partners in the church. Faith communities, Shurley suggests, can foster collaborative ministry by nurturing pastoral friendships among its membership. These sacred friendships are spaces in which people share their lives with one another as a truly collaborative practice of care. Through these pastoral friendships, mediated by the presence of the Holy Spirit, all of God's children can live their particular vocations. By engaging person-centered practices of pastoral care, the church strengthens its witness and truly becomes a place of belonging for all people.

Ex Auditu - Volume 18 Klyne Snodgrass, 2004-06-23. Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary. After the first four volumes, the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture. The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church. Each annual publication focuses on a topic crucial to the life of today's Church. Additionally, each issue contains an annotated bibliography and a sermon, which makes it a practical guide for pastors.

Sailboat Church Joan S. Gray, 2014-01-01. Is your church a rowboat church or a sailboat church? Rowboat churches depend

largely on human effort In a time of often shrinking budgets and membership rowboat churches frantically row harder against a current often frustrated and disappointed at their efforts Sailboat churches on the other hand take up the oars hoist sails and rely on the Holy Spirit to guide them Arguing that churches should be sailboats author Joan S Gray encourages readers to shift concern from the many daily practical concerns of their local church to consider how new directions might be found by allowing the Holy Spirit to provide fresh ideas The book includes four days of sailing prayers quotes from Scripture brief reflection questions and an extensive bibliography that is arranged by theme Perfect for groups to read together this book will help leaders reframe their church's mission and practice with the Holy Spirit as their guide Pastoral Imagination Eileen R. Campbell-Reed, 2021 Pastoral Imagination Bringing the Practice of Ministry to Life informs and inspires the practice of ministry through on the ground learning experienced in a variety of ministry settings Each of the fifty chapters explores a single concept through story reflection and provocative open ended questions designed to spark conversation between ministers and mentors among ministry peers or for personal journal reflections The book is closely integrated with the author's Three Minute Ministry Mentor web resource **A New Old Spirituality?** Tone Stangeland Kaufman, 2017-07-11 How do pastors live their spiritual lives both as private persons and as professionals How can their spirituality be characterized and understood Drawing on in depth interviews with Norwegian clergy as well as literature from the fields of Christian spirituality practical theology congregational studies and the sociology of religion this book offers a nuanced understanding of clergy spirituality Tone Stangeland Kaufman identifies three locations and sources of spiritual nurture for pastors the ministry itself vocational spirituality daily life everyday spirituality and spiritual practices located at the margins of daily life intentional spirituality The participants in this study engage in classic Christian practices yet approach them in a subjective and new way that also potentially revitalizes their spiritual lives Hence the author makes the case that their spirituality can aptly be described as a new old spirituality The book also seeks to nuance Paul Heelas's and Linda Woodhead's Spiritual Revolution claim and thus engages in the broader spirituality vs religion discourse A New Old Spirituality is an exciting example of how qualitative empirical research can be used in creative ways to make a practical theological argument It is a book for scholars students and practitioners
