Pastoral Theology A Black Church Perspective:

Pastoral Theology James H. Harris, A taut analysis of black liberation theology connecting scholarship to practical congregational ministry The chapters of this book focus on liberation and evangelism the urban community and black theology as well as church administration worship education and self esteem **Pastoral Theology** HardPress,Vinet Alexandre Rodolphe 1797-1847,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy *The Divided Mind of the Black Church* Raphael G. Warnock,2020-11-03 A revealing look at the identity and mission of the Black church What is the true nature and mission of the church Is its proper Christian purpose to save souls or to transform the social order This question is especially fraught when the church is one built by an enslaved people and formed from its beginning at the center of an oppressed community's fight for personhood and freedom Such is the central tension in the identity and mission of the Black church in the United States For decades the Black church and Black theology have held each other at arm's length Black theology has emphasized the role of Christian faith in addressing racism and other forms of oppression arguing that Jesus urged his disciples to seek the freedom of all peoples Meanwhile the Black church even when focused on social concerns has often emphasized personal piety rather than social protest With the rising influence of white evangelicalism biblical fundamentalism and the prosperity gospel the divide has become even more pronounced In *The Divided Mind of the Black Church* Raphael G Warnock Senior Pastor of the historic Ebenezer Baptist Church the spiritual home of the Rev Dr Martin Luther King Jr traces the historical significance of the rise and development of Black theology as an important conversation partner for the Black church Calling for honest dialogue between Black and womanist theologians and Black pastors this fresh theological treatment demands a new look at the church's essential mission **Pastoral Theology** Dr. Daniel L. Akin,Dr. R. Scott Pace,2017-06-01 While many pastoral ministry books focus on the practical duties of the pastor few works actually consider how theological truth defines the pastor's role and responsibilities These pragmatic ministry tools though instructionally beneficial essentially divorce biblical doctrine from ministerial practice As a result pastors lives and ministries often lack the theological roots that provide the stability and nourishment necessary to sustain them Pastoral Theology constructs a theological framework for pastoral ministry that is biblically derived historically informed doctrinally sound missionally engaged and contextually relevant By using traditional theological categories the authors explore the correlation between evangelical doctrine and pastoral practice Through careful theological integration they formulate a ministry philosophy that defines the pastoral office and determines its corresponding responsibilities in light of theological truth The authors provide a theological understanding of

the pastorate that will equip aspiring pastors to discern and pursue their calling challenge younger pastors to build on ministerial truth instead of ministerial trends and inspire seasoned pastors to be reinvigorated in their passion for Christ and his church

Andrew Purves, 2001-11-01 Too often pastoral care is uninformed by historical practice and is overly influenced by psychological theory and practice according to Andrew Purves At least one consequence of this is that it is often disaffiliated from the church's theological heritage Purves examines Christian writers from the past who represent the classical tradition in pastoral theology classical in the sense that they and their texts have shaped the minds and practices of pastors in enduring ways He reflects on texts from Gregory Nazianzus John Chrysostom Gregory the Great Martin Bucer and Richard Baxter He includes a brief biography of each author introduces the major themes in the writer's theology and discusses the issues arising for pastoral work *Transformative Pastoral Leadership in the Black Church* J.
