Pastoral Visitation:

Pastoral Visitation Nancy J. Gorsuch, 1999 Clergy students of pastoral care and lay visitation volunteers will find Nancy Gorsuch an effective guide in developing an intentional proactive program of pastoral visitation in the local church To increase the pastoral visitor's positive experiences of effectiveness the author presents basic how to information in a straightforward manner characterized by vivid illustrations and case studies The book provides a theological basis for pastoral visitation and goes on to explore the types and purposes of visitation preparation and resources training and basic helping skills assessment and follow up and methods of sustaining pastoral visitation as a means of building a caring community of faith *Pastoral Visitation* Tyler C. Arnold, 2023-01-25 Christ comes to and through his people Many consider pastoral visitation antiquated and impractical People seem busier than ever and technology appears to trivialize personal contact As a result personal visits are often reserved only for the gravest of situations Tyler C Arnold argues that pastoral visitation is essential to the pastoral role In Scripture God visits his people to show his personal interest and concern This is seen most clearly in the incarnation Christ's ministry is one of presence But Jesus is not only an example of visitation ministry he is the embodiment of it And in visitation pastors and laypeople continue Jesus's ministry by bringing Christ to the individual in their very place of need Established in strong theological foundations and sensitive to contemporary concerns Pastoral Visitation exhorts pastors to return to this classic method of individual soul care *The Reformed Pastor* Richard Baxter, 1899 The Pastor's Book R. Kent Hughes, 2015-10-14 Pastors are tasked with the incredibly demanding job of caring for the spiritual emotional and at times physical needs of their people While seminary is helpful preparation for many of the challenges pastors face there's far more to pastoral ministry than what can be covered in the classroom Designed as a reference guide for nearly every situation a pastor will face this comprehensive book by seasoned pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches From officiating weddings to conducting funerals to visiting the sick this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks both within the walls of the church and beyond A Manual of Pastoral Visitation, Etc Manual, 1868 **Letters on Pastoral Visitation, district meetings of churches, Congregational friendly societies, and Sunday school instruction** John CAMPBELL (D.D., Minister of the Tabernacle, Moorfields.), 1841 **A manual of pastoral visitation, intended for the use of the clergy in their visitation of the sick and afflicted, by a parish priest** Manual, 1868 **A Manual of Pastoral Visitation, intended for the use of the clergy in their visitation of the sick and afflicted. By a Parish Priest. Dedicated ... to ... the Archbishop of Dublin**, 1868 **Helps to Pastoral Visitation, in Three Parts: Illustrating the Spiritual Intercourse of a Minister with His Flock** William JOWETT (M.A.), 1844 *Pastoral Visitation the want of the times, with sundry statistics of St. Peter's, Stepney* Thomas STEVENSON (B.A.), 1860 *The Pastor and the Patient* Kent D. Richmond, David L. Middleton, 1992 After

establishing a sound theological understanding of pastoral visitation the authors examine the theological and ethical homework that the pastor must do as preparation for effectively doing hospital ministry Concluding chapters deal with the patient's needs the pastor's spiritual resources the pastoral visit and continued pastoral care after hospitalization Key Benefits Helps pastors understand the hospital context culture Helps pastors deal with defense mechanisms of patients Helps pastors recognize the healing functions of guiding healing and sustaining Helps pastors identify and utilize local resources within the hospital Explains appropriate use of spiritual resources such as prayer confession and communion in the hospital sick room Helps pastors and leaders to look inward at personal anxiety in the midst of illness Lay Pastoral Care Giving Timothy M. Farabaugh, 2009 A distinguished historian academic and occasional evangelist I know was hushed by his stunned wife after he said to a friend he was visiting in the hospital I hope you don't die A sentiment delivered sincerely but oh so awkwardly Expressing care to someone in need whether within the community of faith or beyond may seem the most natural thing in the world For some it is for others it's less so All can improve Learn to reach out with God's love and care for others as outlined in this practical book Farabaugh offers a systemic path for pastoral care using the gifts of the laity in the church At a district Council on Ministries meeting our conversation focused on the realization that most of the clergy had no assistance in the area of pastoral care and felt overwhelmed by their many sometimes conflicting responsibilities writes Farabaugh Most of the churches did not train anyone in caring ministries Today it is time for clergy and laity to partner in caring for one another Unique to this course is the ongoing training and accountability meetings outlined for those in this invaluable ministry During the monthly meetings participants report on what they have learned and also study aspects of caring for situations and conditions of life such as illness suffering grief and loss Leader's Guide Leading in Lay Pastoral Care
