Pastors Are People Too:

Pastors Are People Too Jimmy Dodd, Larry Magnuson, 2016-05-01 What are your top twenty expectations for your pastor Now multiply your list by the number of people who attend church with you Is it any wonder pastors are overwhelmed and underappreciated They re expected to know every member by name preach a home run sermon every Sunday condemn sin without hurting anyone s feelings and be available to serve others 24 7 while not neglecting their own family The intensity of these expectations and lack of appreciation can and does bring the majority of pastors to a place of despair and ultimately departure from pastoral ministry This practical field guide offers tangible ways to better understand and care for the pastor who cares so deeply about you

The Book Your Pastor Wishes You Would Read Christopher Ash, 2019-05-01 Caring for your pastor and the difference it makes Caring for your pastor and the difference it makes What do you think about your pastor Do you chew over his sermons and wonder if they are clear and helpful Do you feel he spends enough time with you In fact do you ever catch yourself wondering what he does all day The truth is often we think What can my pastor do for me Far less often do we think What can I do for my pastor Seasoned former pastor Christopher Ash urges church members to think about pastors not just in terms of what they do how they lead and pray and preach and teach and so on but about who they are He encourages us to remember that pastors are people and to pray for them as they serve us Paradoxically caring for our pastor will be a blessing to us as well as to them and create a culture of true fellowship in our church family

Brothers, We Are Not Professionals John Piper, 2013-02-01 In this revised and expanded edition of *Brothers We Are Not Professionals* that includes a new introduction and select all new chapters best selling author John Piper pleads through a series of thoughtful essays with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry We pastors are being killed by the professionalizing of the pastoral ministry he writes The mentality of the professional is not the mentality of the prophet It is not the mentality of the slave of Christ Professionalism has nothing to do with the essence and heart of the Christian ministry The more professional we long to be the more spiritual death we will leave in our wake For there is no professional childlikeness there is no professional tenderheartedness there is no professional panting after God Brothers we are not professionals We are outcasts We are aliens and exiles in the world Our citizenship is in Heaven and we wait with eager expectation for the Lord Phil 3 20 You cannot professionalize the love for His appearing without killing it And it is being killed The world sets the agenda of the professional man God sets the agenda of the spiritual man The strong wine of Jesus Christ explodes the wine skins of professionalism

What Great Ministry Leaders Get Right Jimmy Dodd, Renaut van der Reit, 2021-03-02 Ministry throws unexpected challenges at you What if a little more training could help you navigate them successfully Though church leaders take courses in preaching and Christian education when do they learn about personal limitations and the benefits of intimate friendships Or what about conflict resolution Knowledge gaps like these are often the primary factors that lead to frustration

and burnout In What Great Ministry Leaders Get Right Jimmy Dodd of PastorServe and Renaut van der Riet of Mosaic Church in Winter Garden FL outline the six core competencies church leaders need to develop healthy biblical and sustainable leadership Jimmy and Renaut address the critical lessons often missing from ministry training that all leaders need to successfully serve their congregations Whether you've been in the pulpit for years or are just beginning your ministry education every pastor can make sure they're prepared for the real world challenges of ministry On Being a Pastor Derek J. Prime, Alistair Begg, 2013-09-17 The ministry of pastors is not simply a job it's a vocation and a lifestyle A pastor's responsibilities are unique demanding that he not only nurture his own spiritual life but also the lives of those in his care What a challenge this can be Derek Prime and Alistair Begg provide practical advice for both the spiritual and practical aspects of pastoral ministry They delve deep into topics such as prayer devotional habits preaching studying and specific ministry duties The result is an essential tool for those in pastoral ministry *Deep and Wide* Andy Stanley, 2012-09-25 Nearly 2 000 years ago Jesus started a movement that has grown like wildfire throughout history Author and pastor Andy Stanley draws from Scripture and over 25 years of pastoral experience to bring to life the irresistible nature of this movement known as the Church With surprising candor and transparency pastor Andy Stanley explains how one of America's largest churches began with a high profile divorce and a church split But that's just the beginning *Deep and Wide* provides church leaders with an in depth look into North Point Community Church and its strategy for creating churches unchurched people absolutely love to attend Andy writes Our goal is to create weekend experiences so compelling and helpful that even the most skeptical individuals in our community would walk away with every intention of returning the following week with a friend Later he says I want people to fall in love with the Author of Scripture And while we can't make anyone fall in love we can certainly arrange a date For the first time Andy explains his strategy for preaching and programming to dual audiences mature believers and cynical unbelievers He argues that preaching to dual audiences doesn't require communicators to dumb down the content According to Stanley it's all in the approach You'll be introduced to North Point's spiritual formation model The Five Faith Catalysts Leaders responsible for ministry programming and production will no doubt love Andy's discussion of the three essential ingredients for creating irresistible environments For pastors willing to tackle the challenge of transitioning a local congregation Andy includes a section entitled *Becoming Deep and Wide* If your team is more concerned with who you are reaching than who you are keeping *Deep* it will be a resource you come back to over and over Couldn't be prouder of my son Andy And I couldn't be more excited about the content of this book I wish a resource like this existed when I was starting out in ministry Dr Charles Stanley Founder In Touch Ministries *Deep and Wide* pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church I was both challenged and inspired by this book Bill Hybels author of *Just Walk Across the Room* The most common question I get from pastors is How do I get the people in my church to be open to change From now on my answer will be Read *Deep and Wide* by Andy Stanley Thanks
