THE MAKING OF A LEADER

Pastors Handbook:

The Pastor's Handbook KJV Moody Publishers, 2006-06-01 The Pastor's Handbook KJV is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes both large and small have been made: more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained, there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it to them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it, especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation. **Pastor's Handbook** John R.

Bisagno, 2011-09-01 Powerful Practical Pastoral Pastor's Handbook is the major expansion and revision of beloved preacher John R. Bisagno's previously heralded work *Letters to Timothy*. Based on his sixty years in ministry, it now includes 160 brief yet powerful chapters of practical insight for handling real-life pastoral issues, things that might have fallen through the cracks in seminary. Bisagno still mentors young pastors in his retirement and recognizes new challenges in this profession known for its high dropout rate. Keeping that in mind, Pastor's Handbook adds helpful entries on such issues as The Seeker-Friendly Church, Solving Worship Wars, Multiple Campuses, New Media and Home Groups, as well as Internet Pornography, Biblical Inerrancy, The High Cost of Overnight Change, Homosexuality, Christianity and Islam, and more than a dozen other timely topics. Bisagno also refreshes many of the original chapters, factoring in new world issues and his updated survey of pastoral colleagues. In the foreword, pastor and best-selling author Rick Warren, *The Purpose-Driven Life*, writes: "My prayer is that an entire new generation of pastors and church planters will use this book to develop the necessary perspective, convictions, character, and skills needed for ministry in the 21st century from this giant of the 20th century." **The Pastor's**

Book R. Kent Hughes, 2015 Written by two seasoned pastors, this practical book is a comprehensive guide to nearly every facet of pastoral ministry, including pastoral counseling, hospital visitations, funerals, weddings, the sacraments, holiday services, and congregational music.
