**Mad at the World: A Life of John Steinbeck** William Souder, 2020-10-13 Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression The first full length biography of the Nobel laureate to appear in a quarter century Mad at the World illuminates what has made the work of John Steinbeck an enduring part of the literary canon his capacity for empathy Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression and his rise to greatness with masterpieces such as *The Red Pony* *Of Mice and Men* and *The Grapes of Wrath* Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty fascinated by the guileless decency of the downtrodden denizens of Cannery Row and appalled by the country's refusal to recognize the humanity common to all of its citizens Steinbeck took a stand against social injustice paradoxically given his inherent misanthropy setting him apart from the writers of the so called lost generation A man by turns quick tempered compassionate and ultimately brilliant Steinbeck could be a difficult person to like Obsessed with privacy he was mistrustful of people Next to writing his favorite things were drinking and womanizing and getting married which he did three times And while he claimed indifference about success his mid career books and movie deals made him a lot of money which passed through his hands as quickly as it came in And yet Steinbeck also took aim at the corrosiveness of power the perils of income inequality and the urgency of ecological collapse all of which drive public debate to this day Steinbeck remains our great social realist novelist the writer who gave the dispossessed and the disenfranchised a voice in American life and letters Eloquent nuanced and deeply researched Mad at the World captures the full measure of the man and his work

**The Red Pony** John Steinbeck, 1994-10-01 A Penguin Classic Written at a time of profound anxiety caused by the illness of his mother Nobel Prize winner John Steinbeck draws on

his memories of childhood in these stories about a boy who embodies both the rebellious spirit and the contradictory desire for acceptance of early adolescence Unlike most coming of age stories the cycle does not end with a hero matured by circumstances As John Seelye writes in his introduction reversing common interpretations *The Red Pony* is imbued with a sense of loss Jody's encounters with birth and death express a common theme in Steinbeck's fiction They are parts of the ongoing process of life resolving nothing *The Red Pony* was central not only to Steinbeck's emergence as a major American novelist but to the shaping of a distinctly mid twentieth century genre opening up a new range of possibilities about the fictional presence of a child's world This edition contains an introduction by John Seelye For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

**John Steinbeck** Linda Wagner-Martin, 2017-03-15 This book aims to both describe and analyze the way Steinbeck learned the writing craft It begins with his immersion in the short story some years after he stopped attending Stanford University Aside from a weak first novel his professional writing career began with the publication in 1932 of *The Pastures of Heaven* stories set in the Salinas Valley and dedicated to his parents From that book he wrote truly commanding stories such as *The Red Pony* Intermixed with Steinbeck's journalism about California's labor difficulties his writing skill led to his 1930 masterpieces *Of Mice and Men* *In Dubious Battle* and *The Grapes of Wrath* The latter novel winner of the Pulitzer Prize for Fiction in 1940 led eventually to his being awarded the Nobel Prize for Literature in 1962 He continued producing such wide ranging works as *The Pearl* *East of Eden* *The Winter of Our Discontent* and

Travels with Charley up to just a few months before his death in 1968      *The Pastures of Heaven* John Steinbeck,1995-04-01  
A Penguin Classic In Nobel Prize winner John Steinbeck's beautifully rendered depictions of small yet fateful moments that transform ordinary lives these twelve early stories introduce both the subject and style of artistic expression that recur in the most important works of his career Each of these self-contained stories is linked to the others by the presence of the Munroes a family whose misguided behavior and lack of sensitivity precipitate disasters and tragedies As the individual dramas unfold Steinbeck reveals the self-deceptions intellectual limitations and emotional vulnerabilities that shape the characters' reactions and gradually erode the harmony and dreams that once formed the foundation of the community This edition includes an introduction and notes by James Nagel For more than seventy years Penguin has been the leading publisher of classic literature in the English-speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up-to-date translations by award-winning translators      *The Green Pastures* Marc Connelly,1930      *The Short Reign of Pippin IV* John Steinbeck,2007-04-24 In his only work of political satire *The Short Reign of Pippin IV* John Steinbeck turns the French Revolution upside down as amateur astronomer Pippin Hristal is drafted to rule the unruly French Steinbeck creates around the infamous Pippin the most hilarious royal court ever Pippin's wife Queen Marie who might have taken her place at the bar of a very good restaurant his uncle a man of dubious virtue his glamour-struck daughter and her beau the son of the so-called egg king of Petaluma California and a motley crew of courtiers and politicians guards and gardeners This edition includes an introduction by Robert Morsberger and Katharine Morsberger      **Reclaiming John Steinbeck** Gavin Jones,2021-06-10  
John Steinbeck is a towering figure in twentieth-century American literature yet he remains one of our least understood writers This major reevaluation of Steinbeck by Gavin Jones uncovers a timely thinker who confronted the fate of humanity as a species facing climate change environmental crisis and a growing divide between the powerful and the marginalized Driven by insatiable curiosity Steinbeck's work crossed a variety of borders between the United States and the Global South between human and nonhuman lifeforms between science and the arts and between literature and film to explore the transformations in consciousness necessary for our survival on a precarious planet Always seeking new forms to express his ecological and social vision of human interconnectedness and vulnerability Steinbeck is a writer of urgent concern for the twenty-first century even as he was haunted by the legacies of racism and injustice in the American West      *A Journey Through Literary America* Thomas R. Hummel,2009 This 304-page coffee-table book takes a look at 26 of America's great authors and the places that inspired them Unique to this book of literary biography is the element of the photograph With over 140 photographs throughout the images add mood and dimension to the writing and they are often shockingly close to what the featured authors described in their own words Lushly illustrated and beautifully designed the book is as much of a

pleasure to look at as it is to read Rags to riches Forbidden loves Supernatural experiences Narrow escapes Some of the greatest stories of American literature are the stories of the scribes themselves and of the places that sparked their imaginations In 2007 writer Thomas Hummel and photographer Tamra Dempsey set out in search of the sources of inspiration for 26 of this country's greatest authors Two years and twenty thousand miles later the result is *A Journey Through Literary America* a literary pilgrimage in photography and prose In the words of one reviewer this is a beautiful and necessary book
