In addition to providing a much-needed resource for artists, teachers, and collectors, this book will form a bridge between book artists and their audience by providing ready access to information about a much-discussed but little-known art form. Book jacket flap. Jack Goldstein and the CalArts Mafia Richard Hertz, 2011-09. Jack Goldstein and the CalArts Mafia is the compelling story of artist Jack Goldstein and some of his classmates at CalArts who in the early 1970s went to New York and led the transition from conceptualism to Pictures art, utilizing images from television and movies with which they had grown up. At the same time they discovered an artworld increasingly consumed by the desire for fame, fortune, and the perks of success. The book is anchored by Jack's narratives of the early days of CalArts and the last days of Chouinard, the New York art world of the 70s and 80s, the trials and tribulations of finding and maintaining success, his interpersonal relationships, and his disappearance from the art scene. Goldstein's own recollections are complemented by the first-person narratives of his friends, including John Baldessari, Troy Brauntuch, Rosetta Brooks, Jean Fisher, Robert Longo, Matt Mullican, and James Welling. There are provocative portraits of many well-known artworld personalities of the 80s, including Mary Boone, David Salle, and Helene Winer, all working in a time when the competitive spirit was strong and often brutal, caring little about anything but oneself and making lots of money. A biting, controversial, contradictory, hilarious, and riveting read. Mariah Corrigan. *caa reviews*. A first-rate contribution to the history of contemporary art. David Carrier. *artUS*. **Keith Haring Journals** Keith Haring, 2010-01-26. Keith Haring is synonymous with the downtown New York art scene of the 1980s.
