**Something to Say** William Carlos Williams, 1985 Something to Say William Carlos Williams on Younger Poets collects all of Williams' known writings reviews essays introductions and letters to the editor on the two generations of poets that followed him from Kenneth Rexroth and Louis Zukofsky to Robert Lowell and Allen Ginsberg What might have been a random collection of occasional pieces achieves remarkable coherence from the singleness of Williams' poetic vision his belief that the secret spirit of ritual of poetry was trapped in restrictive molds and if these could be broken the spirit would be able to live again in a new contemporary form Only a revived clarity and accuracy in sight and expression would enable the modern world to reform social order which Williams saw in complete disarray To resuscitate American Poetry Williams concentrated his efforts on the purification of poetic speech his American idiom and on remaking the poetic line in a new measure his variable foot And while his battles with his contemporaries on these issues could be heated he was always a nurturing father to the young a useful presence a model and a liberator He told Ginsberg to pare down and economize Roethke to open up and encouraged Lowell and Levertov to shake off poetic conventions But in all his emphasis on the poem as a made object of concrete physicality or as a field of action he would return again and again to this basic advice to young writers The only thing necessary is to have something to say when at last the opportunity comes to say it

MacNiven, 2014-11-18 A biography thoughtful and playful of the man who founded New Directions and transformed American publishing James Laughlin poet publisher world class skier was the man behind some of the most daring revolutionary works in verse and prose of the twentieth century As the founder of New Directions he published Ezra Pound's *The Cantos* and William Carlos Williams's *Paterson* he brought Hermann Hesse and Jorge Luis Borges to an American audience Throughout his life this tall charismatic intellectual athlete and entrepreneur preferred to stay hidden But no longer in *Literchoor Is My Beat* A Life of James Laughlin Publisher of New Directions Ian S MacNiven has given us a sensitive and revealing portrait of

this visionary and the understory of the last century of American letters Laughlin or J as MacNiven calls him emerges as an impressive and complex figure energetic idealistic and hardworking but also plagued by doubts not about his ability to identify and nurture talent but about his own worth as a writer Haunted by his father's struggles with bipolar disorder J threw himself into a flurry of activity pulling together the first New Directions anthology before he'd graduated from Harvard and purchasing and managing a ski resort in Utah MacNiven's portrait is comprehensive and vital spiced with Ezra Pound's eccentric letters J's romantic foibles and anecdotes from a seat of your pants era of publishing now gone by A story about the struggle to publish only the best it is itself an example of literary biography at its finest      Obsessive Images Joseph Warren Beach, 1960 Obsessive Images was first published in 1960 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions As Mark Schorer comments this is the last unfinished work of a distinguished well loved critic poet and professor After the death of Joseph Warren Beach his colleague and friend William Van O'Connor professor of English at the University of Minnesota prepared the unfinished manuscript of this work for publication and wrote the foreword The work is primarily a study of certain words phrases and images that turn up with unusual frequency in modern American poetry especially that of the decades of the 1930's and 1940's and which are used in unusual senses to carry special symbolisms or to imply peculiar philosophical attitudes Since the study is concerned with such recurring images and themes many poets of distinction in whose work they are not to be found are left out but Professor Beach also discusses the significance of the absence of these poets Students and critics will gain insight through this work into the characteristic attitudes of a generation of poets The book is moreover a delight to read reflecting as it does Mr Beach's own love for the study of poetry As Professor O'Connor points out the tone is much more personal than that of Mr Beach's other books      *Victory City* John Strausbaugh, 2018-12-04 From John Strausbaugh author of *City of Sediton* and *The Village* comes the definitive history of Gotham during the World War II era New York City during World War II wasn't just a place of servicemen politicians heroes G I Joes and Rosie the Riveters but also of quislings and saboteurs of Nazi Fascist and Communist sympathizers of war protesters and conscientious objectors of gangsters and hookers and profiteers of latchkey kids and bobby soxers poets and painters atomic scientists and atomic spies While the war launched and leveled nations spurred economic growth and saw the rise and fall of global Fascism New York City would eventually emerge as the new capital of the world From the Gilded Age to VJ Day an array of fascinating New Yorkers rose to fame from Mayor Fiorello La Guardia to Franklin and Eleanor Roosevelt Langston Hughes to Joe Louis to Robert Moses and Joe DiMaggio In *Victory City* John Strausbaugh returns to tell the story of New York City's war years with the same richness depth and nuance he brought to his previous books *City of Sediton* and *The Village* providing readers with a groundbreaking new look into the greatest city on earth during the most transformative and costliest war in human history      Beat Culture William T.
