Celestial Navigation Anne Tyler, 2011-01-26 A poignant uplifting heartbreaking love story from the beloved bestselling Pulitzer Prize winning author To read a novel by Anne Tyler is to fall in love PEOPLE Thirty eight year old Jeremy Pauling has never left home He lives on the top floor of a Baltimore row house where he creates collages of little people snipped from wrapping paper His elderly mother putters in the rooms below until her death And it is then that Jeremy is forced to take in Mary Tell and her child as boarders Mary is unaware of how much courage it takes Jeremy to look her in the eye For Jeremy like one of his paper creations is fragile and easily torn especially when he's falling in love The Beginner's Goodbye Anne Tyler, 2012-04-03 Anne Tyler gives us a wise haunting and deeply moving new novel in which she explores how a middle aged man ripped apart by the death of his wife is gradually restored by her frequent appearances in their house on the roadway in the market Crippled in his right arm and leg Aaron has spent his childhood fending off a sister who wants to manage him When he meets Dorothy a plain outspoken independent young woman she is like a breath of fresh air Unhesitatingly he marries her and they have a relatively happy unremarkable life together But when a tree crashes into their house and Dorothy is killed Aaron feels as though he has been erased forever Only Dorothy's unexpected appearances from the dead help him to live in the moment and find some peace Gradually he discovers as he works in the family's vanity publishing business turning out titles that presume to guide beginners through the trails of life that maybe for this beginner there is a way of saying goodbye A beautiful subtle exploration of loss and recovery pierced throughout with Anne Tyler's humour wisdom and always penetrating look at human foibles Back When We Were Grownups Anne Tyler, 2015-05-05 Once upon a time there was a woman who discovered that she had turned into the wrong person So Anne Tyler opens this irresistible new novel The woman is Rebecca Davitch a fifty three year old grandmother Is she an impostor in her own life she asks herself Is it indeed her own life Or is it someone else's On the surface Beck as she is known to the Davitch clan is outgoing joyous a natural celebrator Giving parties is after all her vocation something she slipped into even before finishing college when Joe Davitch spotted her at an engagement party in his family's crumbling nineteenth century Baltimore row house where giving parties was the family business What caught his fancy was that she seemed to be having such a wonderful time Soon this large spirited older man a divorc with three little girls swept her into his orbit and before she knew it she was embracing his extended family plus a child of their own and hosting endless parties in the ornate high ceilinged

rooms of *The Open Arms* Now some thirty years later after presiding over a disastrous family picnic Rebecca is caught unaware by the question of who she really is How she answers it how she tries to recover her girlhood self that dignified grownup she had once been is the story told in this beguiling funny and deeply moving novel As always with Anne Tyler's novels once we enter her world it is hard to leave But in *Back When We Were Grownups* she so sharpens our perceptions and awakens so many untapped feelings that we come away not only refreshed and delighted but also infinitely wiser
