Virgil Recomposed Scott McGill, 2005-07-28 The Virgilian centos anticipate the avant garde and smash the image of a staid sober and centered classical world This book examines the twelve mythological and secular Virgilian centos that survive from antiquity The centos in which authors take non consecutive lines or segments of lines from the Eclogues Georgics and Aeneid and reconnect them to produce new poems have received limited attention No other book length study exists of all the centos which date from ca 200 to ca 530 The centos are literary games and they have a playful shock value that feels very modern Yet the texts also demand to be taken seriously for what they disclose about late antique literary culture Virgil's reception and several important topics in Latin literature and literary studies generally As radically intertextual works the centos are particularly valuable sites for pursuing inquiry into allusion Scrutinizing the peculiarities of the texts allusive engagements with Virgil requires clarification of the roles of the author and the reader in allusion the criteria for determining what constitutes an allusion and the different functions allusion can have By investigating the centos from these different perspectives and asking what they reveal about a wide range of weighty subjects this book comes into dialogue with major topics and studies in Latin literature

Miscellanies, Poetry, and Authorship, 1680-1800 Carly Watson, 2021-03-26 This book is a critical study of the ancestors of contemporary poetry anthologies the poetic miscellanies of the late seventeenth and eighteenth centuries It argues that miscellanies are a distinctive kind of literary collection and that their popularity in the period 1680 1800 had a far reaching impact on authors publishers and readers of poetry This study expands the definition of miscellanies to include single author collections called miscellanies as well as the multiple author collections that have traditionally been the focus of scholarly attention It shows how multiple author miscellanies fostered different kinds of literary community and explores the neglected role of single author miscellanies in the self fashioning of eighteenth century writers Later chapters examine

miscellanies relationships with periodicals their contribution to the formation of the literary canon and their reception and transformation in the hands of readers The book draws on newly available digital data as well as evidence from hundreds of printed miscellanies to shed new light on how poetry was written published and read in the long eighteenth century **A Kind of Yellow** Patricia Lee Lewis,2006-05 A Kind of Yellow is a book of poems of loss grief and celebration The book speaks of personal transcendence and renewal through teen pregnancy domestic violence being the mother of three including a gifted disturbed child surviving a son s suicide It attests to the power of creative writing to transform heal and offer community Some responses to A king of Yellow James Hollis Jungian analyst author of The Middle Passage Inner City Books Courageous and eloquent and moving Pat Schneider founder of Amherst Writers Hight school students in Connecticut in the end there was her strength and that gave me strength I felt honored that she would assume our intelligence was up to par with her own she knows what it feels like to paint on that fake face and she didn t want this to be a fake book of poetry it is a gift she laid out for me to read Writer s Digest in awarding A Kind of Yellow its 13th Annual International 1st Place Prize for self Published Poetry Books These were accomplished poems heartfelt They expressed genuine emotion and the need to make sense of human life *To Love Unquietly* Deborah L. Davitt,2025-04-14 Deborah L Davitt s *To Love Unquietly* oscillates between love and desire life and death oneness and severance She masterfully weaves the various elements of relationships into a patchwork tapestry of poetry which acts as a dark dusty mirror showing what was what could be what could have been and what is in its beautiful cobwebbed truthfulness When you look into this volume of poetry which self will you see **Pastoral Elegy in Contemporary British and Irish Poetry** Iain Twiddy,2012-03-15 Defying critical suggestions that the pastoral elegy is obsolete Iain Twiddy reveals the popularity of the form in the work of major contemporary poets Seamus Heaney Ted Hughes and Paul Muldoon Michael Longley Douglas Dunn and Peter Reading As Twiddy outlines the development of the form he identifies its characteristics and functions But more importantly his study accounts for the enduring appeal of the pastoral elegy why poets look to its conventions during times of personal distress and social disharmony and how it allows them to recover from grief loss and destruction Informed by current debates and contemporary theories of mourning Twiddy discusses themes of war and peace social pastoral and environmental change draws on the enduring influence of both Classical and Romantic poetics and explores poets changing relationships with pastoral elegy throughout their careers The result is a study that demonstrates why the pastoral elegy is still a flourishing and dynamic form in contemporary British and Irish poetry **The Cambridge Companion to Women's Writing in Britain, 1660-1789** Catherine Ingrassia,2015-04-23 Essays by leading scholars provide a comprehensive overview of women writers and their work in Restoration and eighteenth century Britain **Patch Work: Juvenile Poems** Lillian E. Curtis,2023-12-23 Reprint of the original first published in 1875 **Patchwork** Rose Boswell,2021-10-09 Rose was born into the lucky generation a time of relative material ease beyond the degrading poverty of the Great Depression and the obscene

atrocities of the last global war Following an atypical childhood she came of age in the seventies when social revolution and university profoundly shaped her life propelling her into the counterculture feminist activism and an eastern spiritual quest Early years were marred by the erratic behaviour of a schizophrenic father and the aloofness of a mother fighting to support a family on her own at a time when society didn't favour single mothers Rose's mysterious Chinese ancestry always hovered in the background Buoyed by the optimism of a post hippie world Rose broke free of a depressing destiny in the industrial fumes of Newcastle to dance in the delirious fields of Nimbin before ultimately attaining two university degrees and forging a career helping others All the while she kept her feet firmly on the path of spiritual advancement Rose lived her life in the belief that we drive our lives and create our reality when we take full responsibility for our thoughts and actions Each personal difficulty is a signpost on the way a source to be mined for its wisdom Where her story excels is in her brutally forthright rendering of the emotion at the heart of all her twists and turns the vulnerability of someone who maintains her faith in ultimate good no matter the vicissitudes thrown at her Against the backdrop of a new enlightenment four children divorces and an ongoing search for love Rose crafts a composite whole a quilt stitched one patch at a time These pages reveal more than Rose's past They illuminate the roller coaster ride of the Boomer generation told with honesty and an engagingly heartfelt personal voice

Patch Work Lillian E. Curtis, 1875 *Patch Work* Claire Wilcox, 2021-05-27
WINNER OF THE 2021 PEN ACKERLEY PRIZE A strange and mesmerising piece of work Sunday Times An absolute masterpiece Laura Cumming An uncommon delight Observer Claire Wilcox has been a curator of fashion at the Victoria and Albert Museum for most of her working life In *Patch Work* she turns her curator's eye to the fabric of life itself tugging at the threads of memory a cardigan worn by a child a tin button box the draping of a curtain a pair of cycling shorts a roll of lace a pin hidden in a seam Through these intimate and compelling close ups we see how the stories and the secrets of clothes measure out the passage of time our gains and losses and the way we use them to unravel and write our histories

Effervescent poetic puzzle like Wilcox picks at the heartstrings Financial Times **Histories of Science** David Alff, Danielle Spratt, 2025-06-30 Spreading the news of scientific breakthroughs in the eighteenth century *Histories of Science* shows how different forms of media communicated scientific breakthroughs during the long eighteenth century bringing together eighteen humanities scholars to discuss the representation reception and application of natural philosophy in the Atlantic world In particular the authors focus on descriptions of scientific discoveries in popular print with essays on topics as varied as placebo pills irrigation systems and navigational technology And while each contributor advances a discrete argument the collection coheres in its shared questions of methodology historicity and ethics *Histories of Science* expands our record of the past our understanding of the present and our ability to imagine the future

Once Were Pacific Alice Te Punga Somerville, 2012 Explores the relationship between indigeneity and migration among Maori and Pacific peoples [Back to the Present: Forward to the Past, Volume I](#), 2006-01-01 The island of Ireland north and south has produced a great diversity

of writing in both English and Irish for hundreds of years often using the memories embodied in its competing views of history as a fruitful source of literary inspiration Placing Irish literature in an international context these two volumes explore the connection between Irish history and literature in particular the Rebellion of 1798 in a more comprehensive diverse and multi faceted way than has often been the case in the past The fifty three authors bring their national and personal viewpoints as well as their critical judgements to bear on Irish literature in these stimulating articles The contributions also deal with topics such as Gothic literature ideology and identity as well as gender issues connections with the other arts regional Irish literature in particular that of the city of Limerick translations the works of Joyce and comparisons with the literature of other nations The contributors are all members of IASIL International Association for the Study of Irish Literatures Back to the Present Forward to the Past Irish Writing and History since 1798 will be of interest to both literary scholars and professional historians but also to the general student of Irish writing and Irish culture **ELIZABETH**
