Patently Erotic:

Patently Erotic Richard Ross, 2005 *Patently Erotic* is Richard Ross's foray into the nexus of capitalism inventiveness and sex. In this latest collection of actual patent applications the author delves into the archives to take a look at contraptions designed to titillate and facilitate. Accompanied by commentary from Ross and illustrated by the inventors' own diagrams, inventions such as source sensitive sound playing condoms and lap dance liners provide a revealing look to society's issues with intimacy. Virginitas M. Murray, 2013-06-29 A preface is best written last after a book is done and its author may look back to survey what he hopes he has accomplished and what he must admit he has not. In hindsight, virginity by itself has seemed a very large field to till, but with that reflection also comes a sense of the awareness that a really comprehensive treatment of misgiving that subject would somehow have to encompass an enormous terrain the whole length and breadth of Christianity's attitude toward sexuality from the earliest times down to the high Middle Ages. It could be argued that no small book could cover so much ground and I would be the first to agree. As its subtitle is meant to suggest, the present work is in at least two senses of the word an essay: both an initial and tentative effort to get at the meaning of an extremely important but as yet unprobed medieval belief in the perfective value of the virginal life and an interpretive study of a complex subject from a limited point of view, specifically that in which the virgin appears in devotional literature as the bride of Christ. Silent Cinema Paolo Cherchi Usai, 2019-04-04 Paolo Cherchi Usai provides a comprehensive introduction to the study, research, and preservation of silent cinema from its heyday in the early 20th century to its present-day flourishing. He traces the history of the moving image in its formative years from Edison's and Lumière's first experiments to the dawn of talkies, provides a clear guide to the basics of silent film technology, introduces the technical and creative roles involved in its production, and presents silent cinema as a performance event rather than a passive viewing experience. This new greatly expanded edition takes the reader on a new journey exploring silent cinema in the broader context of technology, culture, and society from the invention of celluloid film and its related machinery to film studios, laboratories, theatres, and audiences. Among the people involved in the creation of a new art form were filmmakers, actors, and writers, but also engineers, entrepreneurs, and projectionists. Their collective efforts and the struggle to preserve their creative work by archives and museums are interwoven in a compelling story covering three centuries of media history from the magic lantern to the reinvention of silent cinema in digital form. The new edition also includes comprehensive resource information for the study, research, preservation, and exhibition of silent cinema. German Literature of the High Middle Ages Will Hasty, James Hardin, 2006 New essays on the first flowering of German literature in the High Middle Ages and especially during the period 1180-1230. **AN INTERVIEW REVIEWED** John O'Loughlin, 2022-02-27 When an experienced magazine correspondent suddenly becomes ill before he can carry out his assignment, a young and comparatively inexperienced colleague is deputized to interview world-famous composer Howard Tonks in his stead, and things don't work out as planned for either of them. In fact, they go from bad

to worse in ways which put not only the assignment but the reputation of the magazine in serious jeopardy threatening the livelihoods of both correspondents Can a resolution to the dilemma in which the magazine subsequently finds itself be found or will it be obliged to compensate the aggrieved party in some financially or socially compromising way The answer lies within

The Making of Juana of Austria Noelia García Pérez, 2021-12-08 Edited by art historian Noelia García Pérez this first ever collection of essays on Juana of Austria the younger daughter of Holy Roman Emperor Charles V and sister to Philip II of Spain offers an interdisciplinary study of the Habsburg princess that addresses her political religious and artistic dimensions The volume's contextual framework shows her sharing agency with other women of her dynastic family who governed in the sixteenth century and developed an outstanding reputation for promoting artists and works of art The Making of Juana of Austria demonstrates how Juana's role as a leading patron of the arts offered her a means of creating her own image which she then promulgated through the objects she collected and her crowning architectural endeavor the Monastery Palace of the Descalzas Reales Drawing on early modern literature archival documents and artworks the essays in this volume delineate a new portrait of Juana of Austria Contributors not only highlight her multiple facets princess of Portugal regent of Castile and the only female Jesuit in history but also show her as a discerning art patron and collector who pursued an active role of patronage through which she constructed her own art collection and used it to articulate a visual statement of her lineage power and religious convictions Her role as an art promoter culminated with the foundation of the Descalzas Reales and the works of art she collected and displayed within its walls The Making of Juana of Austria offers a new perspective on female rule and patronage exploring the achievements of a crucial figure in the history of art court and gender in early modern Europe

Song of Songs J. Cheryl Exum, 2005-01-01 This original commentary foregrounds at every turn the poetic genius of the Song of Songs one of the most elusive texts of the Hebrew Bible J Cheryl Exum locates that genius in the way the Song not only tells but shows its readers that love is strong as death thereby immortalizing love as well as in the way the poet explores the nature of love by a mature sensitivity to how being in love is different for the woman and the man Many long standing conundrums in the interpretation of the book are offered persuasive solutions in Exum's verse by verse exegesis The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing

Investigating 'Farscape' Jes Battis, 2007-03-30 My name is John Crichton I'm lost An astronaut Shot through a wormhole In some distant part of the universe I'm trying to stay alive Aboard

this ship This living ship Of escaped prisoners During its fourth and for the present final season Farscape was the Sci Fi Channel s highest rated original series With its dedicated fan base Farscape seasons are still top billing Sci Fi DVDs This first proper analysis of the show written by a scholar fan uncovers Farscape s layers and those of the living spaceship Moya Jes Battis proposes that Farscape is as much about bodies sex and gender as it is about wormholes space ships and interstellar warfare It is this straddling of genres that makes the show so viewable to such a broad audience of which almost half are women He explores Farscape s language and characters including Moya its creation of family and home of masculinity and femininity and the transformation of an all American boy *Translation as Muse* Elizabeth Marie Young,2015-09-05 Poetry is often said to resist translation its integration of form and meaning rendering even the best translations problematic Elizabeth Marie Young disagrees and with *Translation as Muse* she uses the work of the celebrated Roman poet Catullus to mount a powerful argument that translation can be an engine of poetic invention Catullus has long been admired as a poet but his efforts as a translator have been largely ignored Young reveals how essential translation is to his work many poems by Catullus that we tend to label as lyric originals were in fact shaped by Roman translation practices entirely different from our own By rereading Catullus through the lens of translation Young exposes new layers of ingenuity in Latin poetry even as she illuminates the idiosyncrasies of Roman translation practice reconfigures our understanding of translation history and questions basic assumptions about lyric poetry itself *Closet Devotions* Richard Rambuss,1998 Religion and sex body and soul sacred and profane In *Closet Devotions* Richard Rambuss traces the relays between these cultural formations by examining the issue of sacred eroticism the literary or artistic expression of devotional feelings in erotic terms that has repeatedly occurred over the centuries Rather than dismissing such expression as mere convention Rambuss takes it seriously as a form of erotic discourse one that gives voice to desires that outside the sphere of sacred rapture would otherwise be deemed taboo Through startling rereadings of works ranging from the devotional verse of the metaphysical poets Donne Herbert Crashaw and Traherne to photographer Andres Serrano s controversial Piss Christ from Renaissance religious iconography to contemporary gay porn Rambuss uncovers the highly charged erotic imagery that suffuses religious devotional art and literature And he explores one of Christian culture s most guarded and literal closets the prayer closet itself a privileged space where the vectors of same sex desire can travel privately between the worshiper and his or her God Elegantly written and theoretically astute *Closet Devotions* illuminates the ways in which sacred Christian devotion is homoeroticized a phenomenon that until now has gone unexplored in current scholarship on religion the body and its passions This book will attract readers across a wide array of disciplines including gay and lesbian studies literary theory and criticism Renaissance studies and religion *The Horror Reader* Ken Gelder,2000 Horror has been one of the most spectacular and controversial genres in both cinema and fiction its wild excesses relished by some vilified by many others Often defiantly marginal it nevertheless inhabits the very fabric of everyday life providing us with ways of imagining and

classifying our world what is evil and what is good what is monstrous and what is normal what can be seen and what should remain hidden The Horror Reader brings together 29 key articles to examine the enduring resonance of horror across culture Spanning the history of horror in literature and film and discussing texts from Britain the United States Europe the Caribbean and Hong Kong it explores a diversity of horror forms from classic gothic literature like Frankenstein and Dr Jekyll and Mr Hyde to contemporary serial killers horror film fanzines and low budget movies such as The Leech Woman and The Texas Chainsaw Massacre Themes addressed include the fantastic horror and psychoanalysis monstrosities different Frankensteins vampires queer horror American gothic splatter and slasher films race and ethnicity lowbrow and low budget horror new regional horror The Reader opens with an introduction to the field of horror by Ken Gelder and each thematic section includes an introductory preface There is also a comprehensive bibliography of horror literature

Music as Medicine Peregrine Horden, 2017-07-05 Music whether performed or heard has been seen as therapeutic in the history of many cultures How have its therapeutic properties been conceptualized and explained Which cultures have used music therapy What were their aims and techniques and how much continuity is there between ancient medieval and modern practice These are the questions addressed by the essays in this volume They focus on the place of music therapy in European intellectual medical and musical traditions from their classical roots to the development of the music therapy profession since the Second World War Chapters covering the Judaic Islamic Indian and South East Asian traditions add global comparative perspectives Music as Medicine is the first book to establish the whole shape of the history of music therapy in a systematic and scholarly way It addresses the problem of defining what music therapy has meant in different cultures and periods and sets the agenda for future research in the subject It will appeal to a diverse readership of historians musicologists anthropologists and practitioners

Tales from Du Bois Erika Renée Williams, 2022-04-01 Tales from Du Bois brings together critical race theory queer studies philosophy and genre theory to offer an illuminating new comprehensive study of W E B Du Bois s fiction from 1903 1928 Erika Ren e Williams begins by revisiting Du Bois s tale of being rebuffed by a white female classmate in The Souls of Black Folk identifying it as a failure of what she calls cross caste romance a sentimental conjugal or erotic relation projected across lines of cultural difference In Du Bois s text this failure figures as the cause of double consciousness the experience of looking at oneself through the eyes of others Far from being unique to Souls the trope of cross caste romance Williams argues structures much of Du Bois s literary oeuvre With it Du Bois queries romance s capacity to ground nationalism on the one hand and to foment queer forms of Afro Diasporic reclamation and kinship on the other Beautifully written and deftly argued Tales from Du Bois analyzes familiar works like Souls and Dark Princess alongside neglected short fiction to make a case for the value of Du Bois s literary writing and its centrality to his thought more broadly

Jacobson's Organ: And the Remarkable Nature of Smell Lyall Watson, 2000-04-17 Nothing is more memorable than a smell So why do we persist in dismissing the nose as a blunt instrument Smell is our most seductive

and provocative sense invading every domain of our lives We can identify our relatives detect the availability of a potential mate sniff out danger and distinguish between good and bad food just with our noses In this surprising and delightful book Lyall Watson rescues our most unappreciated sense from obscurity He brings to light new evidence concerning Jacobson's Organ an anatomical feature discovered high in the nose in 1811 and dismissed for centuries as a vestigial ghost Yet recent research has shown Jacobson's Organ to be an incredibly influential pheromonal mechanism that feeds the area of the brain affecting our awareness emotional states and sexual behavior Following the seven classes of smell devised by the pioneering botanist Carl Linnaeus in his *Odores Medicamentorum* Watson examines the roles of smell and pheromones in humans plants and animals He reveals the curious ways in which trees communicate their distress the olfactory abilities of feral children the bond we have with our offspring the psychosexual effects of perfume and the link between smell and memory formation Jacobson's Organ unlocks the door to the strange world of this mysterious sense

Biblical Interpretation John M. Court, 2003-01-01 This is a valuable resource book for historical studies on biblical interpretation comprising a variety of detailed essays including documented examples of important stages in the history of biblical exegesis It also contains a general introduction to the history of reading the Bible Falling into three parts from the New Testament to the Reformation from the Reformation to the modern period and readings of the Bible today and in the future the book is designed to challenge some present day assumptions of the uniformity of approaches to the Bible and of modes of exegesis It illustrates that basic continuities do exist and informs the student and non specialist of the long tradition of reading the Bible to which we are heirs with the aim of making us more competent interpreters ourselves

Petrarch the Poet (Routledge Revivals) Peter Hainsworth, 2014-08-07 In this critical and historical interpretation of Petrarch's major Italian work the collection of poems he called the *Rerum vulgarium fragmenta* Peter Hainsworth presents Petrarch as a poet of outstanding sophistication and seriousness occupied with issues which are still central to debates about poetry and language In the *Rerum vulgarium fragmenta* Petrarch reformed the received Italian tradition creating a new kind of lyric poetry In particular he found solutions to the intellectual linguistic and imaginative problems which Dante's *Divine Comedy* posed for the succeeding generation of poets Petrarch the Poet illumines the complexities of Petrarch's poetic vision which is simultaneously a form of autobiographical narrative a poetic encyclopaedia and a meditation on the nature of poetry The book will appeal to Italian specialists to those interested in European poetry of the Middle Ages and the Renaissance and also to readers interested generally in the nature and function of poetry

The Penumbra of Personhood G.V. Loewen, 2020-09-17 The drive to overcome nature is a projection of the anxiety about succumbing to our own nature Inevitably this conflict creates a vicious circle For in subduing nature to our technical goals themselves arranged so that our human frailty is to be overcome we end up destroying the world in which we must live Of late we have begun to recognize this viciousness both in our acts and more profoundly in our thoughts Yet the attempt to lose our nature by losing Nature

holds an even deeper conflict The most effective means of escaping spiritual trial is to become spiritless and the sooner the better If only taken care of in time everything takes care of itself Kierkegaard 1844 Social philosopher G V Loewen is the author of forty books on ethics education aesthetics religion health and social theory and more recently metaphysical adventure fiction He was a professor in the interdisciplinary human sciences for two decades The Penumbra of Personhood is not only the cumulative effect and expression of the primordial characters of Dasein flung along with my being into the world writes the author it is also the most graceful and eloquent response to the unknown that we possess It is in its own thrown essence the fullest divergence from any violence of the reactionary or technique of the manager It is objectively what we are and thus what we have to offer our own time Ironically the State has to contend not with history the writing of which it mainly controls but rather morality part of the pre State metaphysics and a version of collective human vanity that also claims to be timeless If it is at first striking that even in our time morality has retained such a hold on second glance it is at least not surprising It has ironically become the weapon of the private person and this is very much against its own cosmogonical backdrop Morality is shared as is belief that the one stems from the other and in this they are quite unlike either ethics or opinion also having become the pedestal upon which any demagogue can be placed The uttering of a higher law betrays the moralist at every turn Even if the State can delicately navigate these potentially dangerous currents while affording to ignore mere moral editorializing an inevitable whirlpool in any democracy at least if enough private people recognize that their misgivings are shared morality can once again assume a vestige of its former mantle It becomes a rip tide of conventional wisdom against which this or that elected regime may ride or be ridden over If this is the most vulgar expression of Dasein s will to life and even ontically will to freedom then it cannot be ignored by the reflective person It is the final avenue of appeal in a rationalist social organization Equipped with its own divinity morality finds that it still has some suasion in the courts certainly within many families and in the schools It is society s back door man to use an old Blues phrase to point up its consistent vulgarity

Feminist Film Theory Sue Thornham, 1999-04 For the past twenty five years cinema has been a vital terrain on which feminist debates about culture representation and identity have been fought This anthology charts the history of those debates bringing together the key classic essays in feminist film theory Feminist Film Theory maps the impact of major theoretical developments on this growing field from structuralism and psychoanalysis in the 1970s to post colonial theory queer theory and postmodernism in the 1990s Covering a wide range of topics including oppressive images woman as fetishized object of desire female spectatorship and the cinematic pleasures of black women and lesbian women Feminist Film Theory is an indispensable reference for scholars and students in the field Contributors include Judith Butler Carol J Clover Barbara Creed Michelle Citron Mary Ann Doane Teresa De Lauretis Jane Gaines Christine Gledhill Molly Haskell bell hooks Claire Johnston Annette Kuhn Julia Lesage Judith Mayne Tania Modleski Laura Mulvey B Ruby Rich Kaja Silverman Sharon Smith Jackie Stacey Janet Staiger Anna Marie Taylor Valerie Walkerdine and

Linda Williams **The Dread of Difference** Barry Keith Grant, 2015-04-01 The Dread of Difference is a classic Few film studies texts have been so widely read and so influential It s rarely on the shelf at my university library so continuously does it circulate Now this new edition expands the already comprehensive coverage of gender in the horror film with new essays on recent developments such as the Hostel series and torture porn Informative and enlightening this updated classic is an essential reference for fans and students of horror movies Stephen Prince editor of The Horror Film and author of Digital Visual Effects in Cinema The Seduction of Reality An impressive array of distinguished scholars gazes deeply into the darkness and then forms a Dionysian chorus reaffirming that sexuality and the monstrous are indeed mated in many horror films Choice An extremely useful introduction to recent thinking about gender issues within this genre Film Theory
