Enlightenment Without God Swami Rama,1982 It is a common misconception that a spiritual seeker must have faith in a god or divine entity to achieve self realization When one understands the teachings of the Upanishads enlightenment is possible here and now without the word God The Mandukya Upanishad is for those students who want to practice spirituality

without resorting to unnecessary abstract concepts The Mandukya Upanishad provides a comprehensive map for the inward journey that shows the individual the way from the mundane to the eternal It describes this state as the ultimate reality and the goal of human existence When one understands the teachings of the Upanishads then one realizes that life itself is a sort of worship that can shine on the altar of infinity From Chapter 1 Awakening **Happiness Is Your Creation** Swami Rama, 2007 Inspirational teachings excerpted from Living with the Himalayan Masters that identify the causes of unhappiness and provide direction to keep centered and joyful **Paperbound Books in Print** , 1992
