Edwidge Danticat,2015-02-24 The 20th anniversary edition of Edwidge Danticat s groundbreaking debut now an established classic revised and with a new introduction by the author and including extensive bonus materials At the age of twelve Sophie Caco is sent from her impoverished Haitian village to New York to be reunited with a mother she barely remembers

There she discovers secrets that no child should ever know and a legacy of shame that can be healed only when she returns to Haiti to the women who first reared her What ensues is a passionate journey through a landscape charged with the supernatural and scarred by political violence In her stunning literary debut *Danticat* evokes the wonder terror and heartache of her native Haiti and the enduring strength of Haiti's women with vibrant imagery and narrative grace that bear witness to her people's suffering and courage

**Proust** Vincent Descombes,1992 Through the voice of the narrator of *Remembrance of Things Past* Proust observes of the painter Elstir that the paintings are bolder than the artist Elstir the painter is bolder than Elstir the theorist This book applies the same distinction Proust the Proustian novel is bolder than Proust the theorist By this the author means that the novel is philosophically bolder that it pursues further the task Proust identifies as the writer's work to explain life to elucidate what has been lived in obscurity and confusion In this the novelist and the philosopher share a common goal to clarify the obscure in order to arrive at the truth It follows that Proust's real philosophy of the novel is to be found not in the speculative passages of *Remembrance* which merely echo the philosophical commonplaces of his time but in the truly novelistic or narrative portions of his text In *Against Sainte Beuve* Proust sets forth his ideas about literature in the form of a critique of the method of Sainte Beuve Scholars who have studied Proust's notebooks describe the way in which this essay was taken over by bits of narrative originally intended as illustration supporting its theses The philosophical portions of *Remembrance* were not added to the narrative as an afterthought designed to bring out its meaning What happened was the reverse the novel was born of a desire to illustrate the propositions of the essay Why then should we not find the novel more philosophically advanced than the essay Reversing the usual order followed by literary critics the author interprets the novel as an elucidation and not as a simple transposition of the essay The book is not only a general interpretation of Proust's novel and its construction it includes detailed discussions of such topics as literature and philosophy the nature of the literary genres the poetics of the novel the definition of art modernity and postmodernity and the sociology of literature

*Let's Take the Long Way Home* Gail Caldwell,2011-08-09 NEW YORK TIMES BESTSELLER They met over their dogs Gail Caldwell and Caroline Knapp author of *Drinking A Love Story* became best friends talking about everything from their love of books and their shared history of a struggle with alcohol to their relationships with men Walking the woods of New England and rowing on the Charles River these two private self-reliant women created an attachment more profound than either of them could ever have foreseen Then several years into this remarkable connection Knapp was diagnosed with cancer With her signature exquisite prose Caldwell mines the deepest levels of devotion and courage in this gorgeous memoir about treasuring a best friend and coming of age in midlife *Let's Take the Long Way Home* is a celebration of the profound transformations that come from intimate connection and it affirms once again why Gail

Caldwell is recognized as one of our bravest and most honest literary voices      Time and Narrative, Volume 2 Paul Ricoeur, 2012-08-04 In volume 1 of this three volume work Paul Ricoeur examined the relations between time and narrative in historical writing Now in volume 2 he examines these relations in fiction and theories of literature Ricoeur treats the question of just how far the Aristotelian concept of plot in narrative fiction can be expanded and whether there is a point at which narrative fiction as a literary form not only blurs at the edges but ceases to exist at all Though some semiotic theorists have proposed all fiction can be reduced to an atemporal structure Ricoeur argues that fiction depends on the reader's understanding of narrative traditions which do evolve but necessarily include a temporal dimension He looks at how time is actually expressed in narrative fiction particularly through use of tenses point of view and voice He applies this approach to three books that are in a sense tales about time Virginia Woolf's *Mrs Dalloway* Thomas Mann's *Magic Mountain* and Marcel Proust's *Remembrance of Things Past* Ricoeur writes the best kind of philosophy critical economical and clear Eugen Weber New York Times Book Review A major work of literary theory and criticism under the aegis of philosophical hermeneutics I believe that it will come to have an impact greater than that of Gadamer's *Truth and Method* a work it both supplements and transcends in its contribution to our understanding of the meaning of texts and their relationship to the world Robert Detweiler *Religion and Literature* One cannot fail to be impressed by Ricoeur's encyclopedic knowledge of the subject under consideration To students of rhetoric the importance of *Time and Narrative* is all too evident to require extensive elaboration Dilip Parameshwar Gaonkar *Quarterly Journal of Speech*      A Path of Stars Anne Sibley O'Brien, 2012-02-01 A touching story of family loss and memory Dara's grandmother Lok Yeay is full of stories about her life growing up in Cambodia before she immigrated to the United States Lok Yeay tells her granddaughter of the fruits and plants that grew there and how her family would sit in their yard and watch the stars that glowed like fireflies Lok Yeay tells Dara about her brother Lok Ta who is still in Cambodia and how one day she will return with Dara and Dara's family to visit the place she still considers home But when a phone call disrupts Lok Yeay's dream to see her brother again Dara becomes determined to bring her grandmother back to a place of happiness Anne Sibley O'Brien's dreamlike illustrations beautifully complement this fictional story based on real life experiences Back matter contains information about the admission of Cambodian refugees into the United States specifically Maine after soldiers forced them out of their homeland in the 1970s An author's note and glossary are also included A PATH OF STARS was originally developed for the New Mainers Book Project part of the Maine Humanities Council's Born to Read program The Project sponsors high quality children's picture books created from the experiences of Maine's refugee communities to preserve and present their cultural heritage and to promote their English language literacy
