State of the Union Brad Thor, 2008-09-04 From the bestselling author of *THE LIONS OF LUCERNE* and *PATH OF THE ASSASSIN* comes another electrifying international thriller featuring all-American hero Scot Harvath as he plunges into the frigid heart of the Russian tundra to save the fragile state of the union. On a cold January morning the United States awakes to discover that an old enemy, one long believed dead and buried, has crawled out of its grave to lay siege to the world's only superpower. With the stunning discovery that enhanced Soviet-made suitcase nukes have been secreted in America's major cities, President Jack Rutledge gathers his National Security Council to weigh the feasibility of a first strike against the Russian Federation. There's only one problem: For over two decades the Russians have been funneling international aid money into a top-secret air defence system which has just been brought on line and which will render any conventional attack upon their country utterly ineffective. After exhausting all of his other options and with Soviet sleeper agents preparing to detonate their deadly payloads across the United States, the president turns to the nation's final hope: ex-Navy SEAL and Secret Service Agent Scot Harvath. As high voltage and timely as they come, *STATE OF THE UNION* is a frighteningly real headline-ripping tale of espionage and intrigue that will keep readers guessing until the last tantalizing piece of the puzzle locks into place.

The Patient Assassin Anita Anand, 2019-06-25 The compelling and vivid *The New York Times* Book Review true story of a man who claimed to be a survivor of a 1919 British massacre in India, his elaborate twenty-year plan for revenge, and the mix of truth and legend that made him a hero to hundreds of millions. When Sir Michael O'Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar, he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things to Sir Michael were a precursor to a second Indian revolt. What happened next shocked the world: An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael's law enforcers. Dyer marched his soldiers into the walled public park, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the crowd, which numbered in the thousands and included women and children. The soldiers continued firing for ten minutes, stopping only when they ran out of ammunition. According to legend, nineteen-year-old Sikh orphan Udham Singh was injured in the attack and remained surrounded by the dead and dying until he was able to move the next morning. Then he supposedly picked up a handful of

blood soaked earth smeared it across his forehead and vowed to kill the men responsible The truth as the author has discovered is more complex but no less dramatic Award winning journalist Anita Anand traced Singh s journey through Africa the United States and across Europe until in March 1940 the young man finally arrived in front of O Dwyer himself in a London hall ready to shoot him down The Patient Assassin mixes Tom Ripley s con man for all seasons versatility with Edmond Dant s s persistence The Wall Street Journal and reveals the incredible but true story behind a legend that still endures today **The Butterfly Assassin** Finn Longman,2022-05-26 WINNER OF AN ABA AWARD Innocent by day killer by night a dark twisting thriller about a teen assassin s attempt to live a normal life Don t miss the second book in the trilogy The Hummingbird Killer out now An electrifying debut Chelsea Pitcher author of This Lie Will Kill You Trained and traumatised by a secret assassin programme for minors Isabel Ryans wants nothing more than to be a normal civilian After running away from home she has a new name a new life and a new friend Emma and for the first time things are looking up But old habits die hard and it s not long until she blows her cover drawing the attention of the guilds the two rival organisations who control the city of Espera An unaffiliated killer like Isabel is either a potential asset or a threat to be eliminated Will the blood on her hands cost her everything From award winning author Finn Longman an exhilarating voice in YA fiction comes an addictive trilogy for fans of global phenomena The Girl with the Dragon Tattoo Killing Eve and The Hunger Games PRAISE FOR THE BUTTERFLY ASSASSIN This dark enthralling thriller is a compulsive debut The Guardian An immersive fast paced thriller The Irish Times A heart in your mouth thriller that grips you from the first page until the very last Benjamin Dean author of The King is Dead A bold jagged and uncompromising thriller that will keep you guessing all the way to the end Tom Pollock author of White Rabbit Red Wolf Sharp and layered with a bright beating heart The Butterfly Assassin will lure you deep into a fascinating and dangerous new world Rory Power author of Wilder Girls An utterly addictive story I told myself just one more chapter well into the night Emily Suvada author of This Mortal Coil Fierce thrilling and impossible to put down Packed full of amazing friendships plot twists and a desperate fight to survive C G Drews author of The Boy Who Steals Houses The Apostle Brad Thor,2010-05-18 A new administration and a new approach to dealing with America s enemies have left covert counterterrorism operative Scot Harvath without a job But when American doctor Julia Gallo is kidnapped in Afghanistan the terms of her ransom leave the president with only one course of action Every politician has a secret And when the daughter of a politically connected family is kidnapped abroad America s new president will agree to anything even a deadly and ill advised rescue plan in order to keep his secret hidden But when covert counterterrorism operative Scot Harvath is assigned to infiltrate one of the world s most notorious prisons and free the man the kidnappers demand as ransom he quickly learns that there is much more to the operation than anyone dares to admit As the subterfuge is laid bare Harvath must examine his own career of ruthlessly hunting down and killing terrorists and decide if he has what it takes to help one of the world s worst go free **Use of Force** Brad Thor,2017-06-27 From the 1 New York
