The Essential Path Neale Donald Walsch, 2019-06-04 Deep inside you know Who You Truly Are We all do It's not a question of discovering it it's a question of claiming it Being it And that's actually easier done than said We're all just one decision away from The Essential Path It's a path that could change a world that deeply yearns for a new direction Neale Donald Walsch author The Essential Path Our modern era is plagued by increasing alienation we are seeing an us against them world Everywhere we turn we find ourselves divided from each other as never before across political economic social and spiritual lines As humanity is being torn apart right before our eyes separating many of us from our friends and even our loved ones from our hopes and dreams from the natural world and from so much that gives meaning and value to our lives people are blaming everyone and everything around them for the collective problems that we have created ourselves We are turning against each other rather than to each other just when we need each other the most Bestselling author of Conversations with

God Neale Donald Walsch offers a radical solution to the growing problem of humanity's alienation. He invites us to question our basic assumptions about ourselves, about each other, about life and how it works, and about God, and to rethink the very definition of humanity. The Essential Path challenges every human to make a Daring Decision to look at who we are and how we can choose to be in a planet-altering new way. With insight and spiritual perceptivity, Walsch peers into the heart of a broken, divided society, prompting us to ask the critical questions that have the power to transform our world. **Self-Love Guided Journal** Soul Scroll Journals, 2020-04-07. It's time to feel good enough. You're a sparkly unique being locked in a cage of insecurity and self-doubt, which has you following all life's boring, soul-destroying rules rather than expressing the spectacular truth of who you really are. It's not your fault. The messages we've received all our lives, no matter how well meaning from family, friends, society, and work, bombard us with standards and ways of being that they say will make us good enough. No wonder everyone is stressed out, sad, and so tired. We're trying to meet standards that don't belong to us, fueled by a deep disconnection from within. It's time to listen to yourself. To heal yourself. To love yourself. The Self-Love guided journal will help you understand the root of any patterns of over-giving, difficulty receiving, and trouble with setting boundaries. You'll identify the self-limiting and defeating stories you tell yourself so you can reclaim your inner glow and live the life you want. You'll reclaim the pieces of yourself you've lost over the years trying to be who everyone else wanted you to be. It's time to put yourself first without guilt so you give from overflow rather than depletion and resentment. If you're ready to burn the box of social standards down and instead reclaim your inner freedom to be uniquely you, the Self-Love guided journal is here for you. A Spiritual Path Mark Latson, 2020-08-16. A Spiritual path explains how Spirituality is used in our everyday lives. How to co-exist in the Spiritual realm as well as the physical. How to focus your awareness into the present moment and raising your consciousness. The importance of being open to new ideas and releasing that which no longer serves you. How to deal with the fear of the known and unknown. Understanding mind control and the law of cause and effect. Knowing the role of forgiveness and how it affects our Spiritual life. An understanding of what time means in the physical realm and the Spiritual realm. Answers to the question of how to communicate with God and being a co-creator with God to reach our goal of universal oneness.
