

A photograph of a long, straight path lined with trees, leading towards a bright light at the end. The trees are bare, suggesting autumn or winter. The path is paved and leads directly to a bright, glowing light source at the far end, creating a strong sense of perspective and hope. The overall tone is warm and inspirational.

The Way of Forgiveness Marjorie J. Thompson, 2002 It takes a lot of willingness and practice to see life from God s perspective Perhaps nothing goes more against the grain of human nature than the ideas of forgiving those who wound us and accepting forgiveness from others The second release in the Companions in Christ Series The Way of Forgiveness explores how to deal with these issues to preserve the beauty of our souls and to fulfill the teachings of Jesus in the Sermon on the Mount In this 8 week study Thompson breaks down the transformational process by first examining shame guilt and anger A full release of these feelings not only leads to the wholeness that Christ taught but also takes us on a path of freedom and joy A unique feature of this book is the inclusion of a reproduction of Rembrandt s Return of the Prodigal Son Over the course of the study the artwork will serve as a focal point for reflection and discovery A Leader s Guide for The Way of Forgiveness is available
