Path of the Saint

"In the kingdom of glass everything is transparent, and there is no place to hide a dark heart. Let the rage be a burning light, and the light will always consume the darkness."

Guidance

Starting when you choose this path at 3rd level, you learn to read the fateful signs that are invisible to the mundane eye. You gain proficiency in Religion skill and you learn to use it in a special way.

Whenever you are searching for something, you can use your Intelligence (Religion) modifier instead of Wisdom (Survival) or Intelligence (Investigation) modifier for the ability check. If you do so, you gain a bonus equal to your Wisdom modifier.

You can use this feature the number of times equal to your Wisdom modifier (minimum of one) and you regain expended uses when you finish a long rest.

Fate & Fortune

Beginning at 6th level, you learn to cheat fate itself. You have 3 luck points (these points are added to any luck points you might have from another source).

Whenever you make an attack roll, an ability check, or a saving throw, you can spend one luck point to roll an additional d20. You can choose to spend one of your luck points after you roll the die, but before the outcome is determined. You choose which of the d20s is used for the attack roll, ability check, or saving throw.

You regain your expended luck points when you finish a long rest.

Destined Duel

Beginning at 10th level, as part of a bonus action when you enter rage you can mark a creature that you will face in a duel.

For the duration, if the target is within 5ft from you, it has disadvantage on attack rolls against creatures other than you, and must make a Wisdom saving throw (DC equal to 8 + your proficiency bonus + your Wisdom modifier) each time it attempts to move out of your reach.

Whenever you use your Reckless Attack feature against a marked creature, you score a critical hit on a roll of 19 or 20 on the d20.

This mark lasts for the duration of your rage and ends early if you are incapacitated or die or if you attack any other creature.

Divine Grace

At 14th level, you can make your very appearance appear otherworldly. You can attempt to inspire wonder into your audience for 1 minute.

Choose a number of humanoids who can see and hear you up to a number equal to twice your Wisdom modifier (minimum of two). Each target must succeed on a Wisdom saving throw (DC equal to 8 + your proficiency bonus + your Wisdom modifier) or be charmed by you. Any creature that can't be charmed succeeds on this saving throw automatically.

While charmed in this way, the target cannot speak or keep their eyes off you, and has disadvantage on Wisdom (Perception) checks made to perceive any creature other than you. You have advantage on all Charisma checks attempting to influence it.

Once you use this feature, you can't use it again until you finish a short or long rest.

Path Of The Saint:

Saint Dominic's Way of Life Patrick Mary Briscoe, OP,,Jacob Bertrand Janczyk, OP,2021-06-01 Few Catholics today know much about Saint Dominic who died eight hundred years ago in 1221 Unlike Francis of Assisi Teresa of vila or Ignatius of Loyola Dominic did not leave a deposit of writings to be examined and built upon Yet this medieval Spaniard still has much to teach us today and we see this in the way of life he left to the Church Dominic offers a rich approach to Christian living not just for members of the Order of Preachers the religious order he founded but for all Catholics His dedication to prayer penance and the Word of God and his love of neighbor form the deep foundation of his project of being conformed to God By following in Dominic s footsteps we too can discover how to live with a heart that is undivided seeking God first in all things The twenty first century remains in need of the witness and ministry of Saint Dominic the thirteenth century priest who consecrated his life to the sharing of saving truth Fortunately Fathers Briscoe and Janczyk have produced a highly readable and inspiring book that enables the men and women of our own time to discover the graces that Dominic continues to bring to us as an instrument of God the author of grace In Saint Dominic the contemplative preacher of grace we can all find a spiritual father who will teach us to know and love the Lord Jesus who is himself Saving Truth Father Sebastian White OP editor in chief Magnificat This beautiful book allows us to get to know Saint Dominic better who was so close to God and so full of compassion for all the sufferings of his time He is a shining example of what we are called to do today seek God with all our heart to pour out the balm of his merciful love on all the plagues of our world Father Jacques Philippe best selling author and retreat master ABOUT THE AUTHORS Father Patrick Mary Briscoe OP and Father Jacob Bertrand Janczyk OP are cohosts of the lively Dominican friars podcast Godsplaining Father Patrick serves as deputy senior editor of Aleteia org and associate chaplain at Providence College Father Jacob Bertrand is the director of vocations of the Dominican Province of St Joseph My Path to Heaven Geoffrey Bliss,1997 Twelve lessons focus on important teachings of the Catholic faith including our relationship with God the consequences of sin and events in the life of Jesus The Revelation of Saint John Zachary F. Lansdowne,2006-05-01 The Revelation of St John the last book of the canonical Bible has been a mystery since it first appeared No other part of the Bible has caused more controversy Traditional interpretations of the book fall into one of three categories the major prophecies that are supposed to have been fulfilled in the destruction of Jerusalem in 70 A D the historical view that Revelation predicts the course of human events from the founding of Christianity to the end of the world or the futurist view that Revelation predicts events that will occur at the end of the world It s actually none of the above writes Zachary F Lansdowne a leading expert in the field of spiritual initiation In the Introduction to this rich and complex interpretation he writes According to its own verses the Revelation is concerned with the present time which is whatever time we happen to be reading it and contains information that we can apply immediately to become blessed This is not a book about end times or Armageddon and when it might come This is a book written entirely in symbols concealing a path for early

Christians and for the contemporary reader Lansdowne has applied a unique psychological method of interpretation that takes each symbol as depicting some aspect of human consciousness rather than an eternal event thus showing that the Revelation is actually a detailed instruction for the spiritual journey a map to the wakening of higher consciousness Moreover while the Revelation appears in the great lineage of Judeo Christian tradition Lansdowne shows that its instruction can be appreciated and applied to seekers from any tradition Lansdowne s line by line and verse by verse interpretation presented here in an easy to read side by side format is a manual for the true seeker who would follow teachings of Jesus as they were and are laid out rather than as they have been interpreted by theologians and biblical historians The Revelation of St John when unlocked by the key of psychological methodology is revealed to contain ideas from many diverse wisdom traditions and philosophies archangels in Judaism chakras and kundalini in Hinduism Buddhist mindfulness the redemptive power of love in Christianity and absolute standards of comparison in Platonic philosophy Zachary Lansdowne s revelatory text makes these teachings of the path to true soul initiation available to seekers from every spiritual tradition **The Path of the Saint, Etc.
