Spirit Car Diane Wilson, 2008-10-14 A child of a typical 1950s suburb unearths her mother's hidden heritage launching a rich and magical exploration of her own identity and her family's powerful Native American past **Journey of a Red Soul** Marie Dion, 2017-11-06 What Spirit has revealed to me through personal past life experiences and shared stories creates a broad picture of how we return to life again and again to experience the world from different perspectives We have the chance either to heal and grow or to fail to learn and inflict harm on others Which of these scenarios occur depends on the choices we make and the consequences manifest in this life and our lives to come To know yourself is to know your connection with the divine and your purpose This can only become clear when you mature and grow physically mentally and spiritually Once you are ready synchronicities happen in your life that you cannot explain but they serve as validation that you are moving in the right direction and that you are fulfilling your purpose These events not only validate your path forward but also make the path easier for you Because a soul's evolution is both a personal and interconnected experience there is no avoiding a challenge either personally or on a global and societal scale in life For an individual soul to grow or for all of our souls to grow as a collective people we have to go through the dark times and challenges and make it to the other side to develop clarity and healing This is not an easy task It takes a lot of courage and faith both of which are lacking in the society we live in now However this does not mean things are hopeless for all people A lot of the things we are dealing with in our world now are a reflection of the collective and are happening so that we will once again find our faith We will once again find connection to the unseen world Our country needs to heal its past with the First People for us all to prosper This book is a courageous step in that process Jayne Gabrielle psychic counselor and Reiki master healer *Path of the Sacred Pipe* Jay Cleve, 2012-12-19 In these days of global crisis thoughtful seekers increasingly turn to Native Americans for healing wisdom The Sacred Pipe is the medicine says Jay Cleve in this informative and practical guide to a key practice of Native American spirituality The Hopi and other ancient cultures predicted our present age as one of transition into a New World The galactic alignment ending the Mayan calendar on December 21 2012 occurs only every 26 000 years and is thought to be a critical time for raising consciousness to align with the radical expansion of Earth energies Cleve shows how the Pipe can facilitate transformation on both the personal and planetary levels He explains its use in rituals such as the sweat lodge the vision quest and the sun dance and in relation to the Medicine Wheel He also provides practical information on obtaining and caring for a Pipe and on preparing for and performing the Pipe ceremony *An Incredible Journey* Holland E.
