

Nancy Klein Maguire

Regicide and Restoration

English tragicomedy,
1660-1671

Regicide And Restoration

Elaine M. McGirr

Regicide And Restoration:

Regicide and Restoration Nancy Klein Maguire,1992-12-10 Focusing on the directions taken by tragicomedy and the court masque this book accounts for the shift in genre during the decade following the return of Charles II **Revolution, Regicide and Restoration** Robin H. Silcock,1994-01-01 Discusses events that lead up to the execution of Charles I and subsequent parliamentary reforms Suggested level senior secondary *The Regicide's Widow* Antony Whitaker,2006 On 2 September 1685 Lady Alice Lisle was the last woman to be beheaded in England The 67 year old widow was accused of sheltering a clergyman involved in Monmouth's Rebellion Her trial was the first of the infamous Bloody Assize and was characterised by Judge Jeffrey's vengeful attitude and bullying manner *Performing Early Modern Trauma from Shakespeare to Milton* Thomas P. Anderson,2016-12-05 An examination of political and cultural acts of commemoration this study addresses the way personal and collective loss is registered in prose poetry and drama in early modern England It focuses on the connection of representation of violence in literary works to historical traumas such as royal death secularization and regicide The author contends that dramatic and poetic forms function as historical archives both in their commemoration of the past and in their reenactment of loss that is part of any effort to represent traumatic history Incorporating contemporary theories of memory and loss Thomas Anderson here analyzes works by Shakespeare Marlowe Webster Marvell and Milton Where other studies about violent loss in the period tend to privilege allegorical readings that equate the content of art to its historical analogue this study insists that artistic representations are performative as they commemorate the past By interrogating the difficulty in representing historical crises in poetry drama and political prose Anderson demonstrates how early modern English identity is the fragile product of an ambivalent desire to flee history This book's major contribution to Renaissance studies lies in the way it conceives the representations of violent loss secular and religious in early modern texts as moments of failed political and social memorialization It offers a fresh way to understand the development of historical and national identity in England during the Renaissance *The Restoration Transposed* Gillian Wright,2020 An innovative account of the literary Restoration that stresses its diversity historical self awareness and openness to new voices **Killers of the King** Charles Spencer,2015-01-20 Examines the lives of the men who signed Charles I's death warrant and the far reaching consequences for them those present at the trial and England itself *The King's Revenge* Don Jordan,2016-08-02 When Charles I was executed his son made it his role to seek out retribution producing the biggest manhunt Britain had ever seen one that would span Europe and America and would last for thirty years When he ascended to the throne in 1660 as Charles II his search for revenge intensified with show trials in London and assassination squads scouring foreign countries Many of the most senior figures in England were hanged drawn and quartered imprisoned for life or consigned to a self imposed exile in constant fear of the assassin's bullet History has painted the regicides and their supporters as fanatics but among them were exceptional men including John Milton poetic genius and

political propagandist Oliver Cromwell's steely son in law Henry Ireton and the errant son of an earl Algernon Sidney whose writings helped inspire the founders of the American Revolution Cromwell himself was subjected to the most bizarre symbolic revenge when though long dead his body was disinterred and beheaded Set in an age of intrigue and betrayal The King's Revenge brings these remarkable figures vividly to life in an engrossing tale of ambition double agents and espionage

Regicide and Revolution Michael Walzer, 1993-03-25 Maintaining that the trial and public execution of Louis XVI was an absolutely essential part of the French Revolution Walzer discusses two types of regicide the first committed by would be kings or their agents left the monarchy's mystique and divine right intact while the second was a revolutionary act intended to destroy it completely Walzer defends the trial and execution of Louis XVI as necessary since it not only tried to destroy the monarchy's mystique and divine right but also required the deputies to fully explain their guiding philosophies and applied the rules of judicial process to establish equality before the law New to this edition is an appendix containing Revolutionary Justice Ferenc Feher's classic rebuttal to Walzer's thesis and Walzer's response The King's Trial and the Political Culture of the Revolution

The Devil from over the Sea Sarah Covington, 2022-03-24 In Ireland few figures have generated more hatred than Oliver Cromwell whose seventeenth century conquest massacres and dispossessions would endure in the social memory for ages to come The Devil from over the Sea explores the many ways in which Cromwell was remembered and sometimes conveniently forgotten in historical religious political and literary texts according to the interests of different communities across time Cromwell's powerful afterlife in Ireland however cannot be understood without also investigating his presence in folklore and the landscape in ruins and curses Nor can he be separated from the idea of the Cromwellian a term which came to elicit an entire chain of contemptuous associations that would begin after his invasion and assume a wholly new force in the nineteenth century What emerges from all these memorializing traces is a multitudinous Cromwell who could be represented as brutal comic sympathetic or satanic He could be discarded also tellingly from the accounts of the past and especially by those which viewed him as an embarrassment or worse In addition to exploring the many reasons why Cromwell was so vehemently remembered or forgotten in Ireland Sarah Covington finally uncovers the larger truths conveyed by sometimes fanciful or invented accounts Contrary to being damaging examples of myth making the memorializations contained in martyrologies folk tales or newspaper polemics were often productive in cohering communities or in displaying agency in the form of counter memories that claimed Cromwell for their own and reshaped Irish history in the process

The Ottoman Turks in English Heroic Plays Işıl Şahin Güler, 2019-12-02 Contesting the argument that Restoration period drama referred almost exclusively to domestic social and political issues this text interrogates the extent to which seventeenth century heroic plays justify and perpetuate stereotypical representations of the Ottoman Turks in Western discourse It provides a comprehensive account of representation of the Other based on difference Joining historical discussions ranging from the Ottoman Empire's rise as a world power to the development of British imperial ideology the

book asserts that dramatic texts and production provide a rich and unexamined archive in which the issues of representation difference and cultural stereotyping are attendant on the emergence of imperial figure largely This account not only deciphers representation of the Ottoman Turks based on simplification and stereotyping in dramatic representations but also throws light on the most pressing political issues of seventeenth century England including revolution regicide and restoration dramatized in the guise of the Ottoman Turks and Ottoman history The book s attention to the Ottoman related themes of a number of plays decisively redraws the map of Restoration drama

The Oxford Handbook of the English Revolution Michael J. Braddick, 2015-03-05 This Handbook brings together leading historians of the events surrounding the English revolution exploring how the events of the revolution grew out of and resonated in the politics and interactions of the each of the Three Kingdoms England Scotland and Ireland It captures a shared British and Irish history comparing the significance of events and outcomes across the Three Kingdoms In doing so the Handbook offers a broader context for the history of the Scottish Covenanters the Irish Rising of 1641 and the government of Confederate Ireland as well as the British and Irish perspective on the English civil wars the English revolution the Regicide and Cromwellian period The Oxford Handbook of the English Revolution explores the significance of these events on a much broader front than conventional studies The events are approached not simply as political economic and social crises but as challenges to the predominant forms of religious and political thought social relations and standard forms of cultural expression The contributors provide up to date analysis of the political happenings considering the structures of social and political life that shaped and were re shaped by the crisis The Handbook goes on to explore the long term legacies of the crisis in the Three Kingdoms and their impact in a wider European context

Ravishment of Reason Brandon Chua, 2014-09-11 Ravishment of Reason presents a new contextual framework for the study of Restoration drama demonstrating the important cultural work performed by the restored theaters in offering versions of political theory that mediated between older notions of thaumaturgic authority and proto modern forms of government premised upon autonomy and contract

Twenty-Two Turbulent Years 1639 - 1661 David C. Wallace, 2013 A Chronological History of the British Civil Wars in England Scotland and Ireland covering all of the battles and other events An easy to use interactive ready reference covering the turbulent period between 1639 1661

A History of the European Restorations Michael Broers, Ambrogio A. Caiani, 2019-11-14 Europe s Restorations were characterised by their evolving dialectics The chapters in this first volume address the key questions and controversies of Napoleonic history from a national and international perspective From the re ordering of the European world through the tools of intervention occupation and diplomacy to the creation of new constitutional monarchies across France Scandinavia and Germany the volume outlines the processes that realigned national priorities and the accompanying dynamics of social and political identity In a structure that makes sense of what Luigi Mascilli Migliorini describes as the fiendishly complex process of reconstructing order in post Napoleonic Europe this collection of essays brings together experts in the field to set

a new precedent for transnational research frameworks in the study of the European Restorations Paradise Reframed Tobias Gabel, 2016-06-06 In 1677 John Dryden poet laureate to the restored Charles II published *The State of Innocence* Emphatically advertised on its title page as an opera Dryden's book was based on *Paradise Lost* John Milton's 1667 epic about the fall and eventual restoration of mankind In the heated political climate of the 1670s the publication of this libretto suggested the bold and cunning appropriation of an idiosyncratic text widely viewed even then as a mirror of its author's theological and political opposition to the Restoration establishment Focusing on the historical background to Dryden's reframing of *Paradise Lost* this study recovers the various and often surprising contexts in which both works were written ranging from Restoration foreign and domestic policy to the contemporary book market and early modern habits of interpretation As becomes clear the process of adaptation by which Dryden *Servant to His Majesty* reconfigures *Paradise Lost* as an affirmatively royalist text skillfully defuses the radical and subversive potential of Milton's original while at the same time substituting through prefaces and topical allusions a clear political message of Dryden's own Seen together in their shared cultural historical context the intertwined histories of both texts shed light on the deeply politicised nature of Restoration literary culture offering a fresh view of the early reception history of a disputed and pre canonical *Paradise Lost*

John Milton Paul Hammond, Blair Worden, 2010-08-12 These essays lead the reader into the political and intellectual worlds within which John Milton wrote his verse and prose and into the later worlds within which his reputation evolved and fluctuated The illuminating and entertaining range of perspectives will appeal to specialists and non specialists alike

Catalogue Maggs Bros, 1916 The King's Trial David P. Jordan, 1979 A great read about an important incident in French history the trial and execution of the last king of France Heroic Mode and Political Crisis, 1660-1745 Elaine M. McGirr, 2009 This book explores a cultural language the heroic that remained consistently powerful through the social political and dynastic turbulence of the long eighteenth century The heroic provided an accessible and vivid shorthand for the ongoing ideological debates over the nature of authority and power the construction of an ideal masculinity and the shape of a new British rather than English national identity An analysis of this cultural language and its different valence over time not only unpacks the overlap between aesthetic and political debate in the late seventeenth and early eighteenth centuries but also firmly grounds the eighteenth century's revolution in taste and manners in the ongoing ideological debates about dynastic politics and the foundations of authority Specifically the book traces the making and breaking of the Stuart mythology through the development of and attacks on the heroic mode from the Restoration through the aftermath of the 1745 Jacobite uprising Elaine McGirr is a Senior Lecturer in the departments of drama and English at Royal Holloway University of London **The Curious World of Samuel Pepys and John Evelyn** Margaret Willes, 2017-01-01 Introduction curiouiser and curiouiser The world do not grow old at all Two worlds The decade of the diaries Prodigious revolutions Even private families are the best of governments Private lives I do indulge myself a little the more in pleasure Take nobody's word

for it Pleasure above all things Hortulan affairs Exotic extravagances The affection which we have to books Epilogue and so
to bed Appendix the true domestick intelligence

the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Regicide And Restoration eBooks, including some popular titles.

FAQs About Regicide And Restoration Books

What is a Regicide And Restoration PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Regicide And Restoration PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Regicide And Restoration PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Regicide And Restoration PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Regicide And Restoration PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
