Choosing an Identity Sun-Ki Chai, 2010-05-06 Social science research is fragmented by the widely differing and seemingly contradictory approaches used by the different disciplines of the social sciences to explain human action Attempts at integrating different social science approaches to explain action have often been frustrated by the difficulty of incorporating cultural assumptions into rational choice theories without robbing them of their generality or making them too vague for predictions Another problem has been the major disagreements among cultural theorists regarding the ways in which culture affects preferences and beliefs This book provides a general model of preference and belief formation addressing the largest unresolved issue in rational choice theories of action It attempts to play a bridging role between these approaches by augmenting and modifying the main ideas of the rational choice model to make it more compatible with empirical findings in other fields The resulting model is used to analyze three major unresolved issues in the developing world the sources of a government's economic ideology the origins of ethnic group boundaries and the relationship between modernization and violence Addressing theoretical problems that cut across numerous disciplines this work will be of interest to a diversity of theoretically minded scholars Sun Ki Chai is Assistant Professor of Sociology University of Arizona

Theories Of Comparative Politics Ronald H Chilcote, 1981-05-03 Islamic Fundamentalism Abdel Salam Sidahmed, 2018-02-07 The phenomenon of political Islam continues to dominate the political and social map of the Arab world with the increasingly open struggle between ruling elites and Islamists becoming the main source of political instability in many states This volume offers an in depth analysis of the rise of Islamic and fundamentalist movements in the Middle East and North Africa Through detailed case studies the contributors examine the various manifestations of political Islam highlighting differences across movements and evaluating the varying circumstances in which they arise They also assess the influence of such movements on the emerging post Cold War order in the region and consider questions of a general nature such as Islamic state theories and the impact of Islamicism on international relations

Democratisation in Turkey Huri

Türsan,2004 Party politics has been undergoing a revival in many democracies However parties are much less studied in countries with unstable political regimes Party interactions can help to provide explanations for the emergence and performance of regimes whether of the democratic or authoritarian type This book is a comprehensive case study that analyses in depth Turkish political parties Starting with broad historical analysis Huri T rsan takes the reader down to the most recent electoral activities and party politics in a country whose topicality is on the rise not least due to its political problems While the author deals with many issues of politics including the role of the military she focuses on an aspect of party competition which renders democracy problematic in Turkey namely polarisation in party politics along cleavages
