She is wearing a light pink, long-sleeved button-down shirt. In her hands, she holds a small, pink, rectangular object, possibly a perfume bottle or a small box. The background is a solid black, which makes the doll stand out. The text "Sweet Valley High" is overlaid in a red, serif font at the bottom of the image.

Reginas Legacy:

Regina's Legacy Francine Pascal, 1993 *The Curse of Cain* Regina M. Schwartz, 1997-05-15 For Regina Schwartz we ignore the dark side of the Bible to our peril The perplexing story of Cain and Abel is emblematic of the tenacious influence of the Bible on secular notions of identity notions that are all too often violently exclusionary negatively defining us against them in ethnic religious racial gender and nationalistic terms In this compelling work of cultural and biblical criticism Schwartz contends that it is the very concept of monotheism and its jealous demand for exclusive allegiance to one God one Land one Nation or one People that informs the model of collective identity forged in violence against the other Your Leadership Legacy Robert M. Galford, Regina Fazio Maruca, 2006 Most executives think of legacy as something to worry about later in their careers at the edge of retirement if at all But here the authors argue that thinking about your legacy now makes you a better more effective leader One's desired leadership legacy should be a catalyst for action rather than a result considered after the fact *Legacy* Adria Cimino, Piper Punches, Didier Quémener, Marissa Stapley, David Whitehouse, Paula Young Lee, Regina Calcaterra, Kristopher Jansma, Stephanie Carroll, Maureen Foley, Lizzie Harwood, J. Chronicling Stankonia Regina Bradley,2021-01-29 This vibrant book pulses with the beats of a new American South probing the ways music literature and film have remixed southern identities for a post civil rights generation For scholar and critic Regina N Bradley Outkast s work is the touchstone a blend of funk gospel and hip hop developed in conjunction with the work of other culture creators including T I Kiese Laymon and Jesmyn Ward This work Bradley argues helps define new cultural possibilities for black southerners who came of age in the 1980s and 1990s and have used hip hop culture to buffer themselves from the historical narratives and expectations of the civil rights era Andr 3000 Big Boi and a wider community of creators emerge as founding theoreticians of the hip hop South framing a larger question of how the region fits into not only hip hop culture but also contemporary American society as a whole Chronicling Stankonia reflects the ways that culture race and southernness intersect in the late twentieth and early twenty first centuries Although part of southern hip hop culture remains attached to the past Bradley demonstrates how younger southerners use

the music to embrace the possibility of multiple Souths multiple narratives and multiple points of entry to contemporary southern black identity **Honouring Our Past, Embracing Our Future** James Pitsula,2011 As the University of Regina marks 100 years of excellence in education on its campus Honouring Our Past Embracing Our Future is a tribute to the thousands of students faculty members and staff who have contributed to the institution s development over the past century
