Legend Marie Lu, 2011-11-29 Legend doesn't merely survive the hype it deserves it. From the New York Times bestselling author of *The Young Elites*. What was once the western United States is now home to the Republic, a nation perpetually at war with its neighbors. Born into an elite family in one of the Republic's wealthiest districts, fifteen-year-old June is a prodigy being groomed for success in the Republic's highest military circles. Born into the slums, fifteen-year-old Day is the country's most wanted criminal. But his motives may not be as malicious as they seem. From very different worlds, June and Day have no reason to cross paths until the day June's brother, Metias, is murdered and Day becomes the prime suspect. Caught in the ultimate game of cat and mouse, Day is in a race for his family's survival while June seeks to avenge Metias's death. But in a shocking turn of events, the two uncover the truth of what has really brought them together and the sinister lengths their country will go to keep its secrets. Full of nonstop action, suspense, and romance, this novel is sure to move readers as much as it thrills.

A New Lu Laura Castoro, 2005 Along with the emotional confusion over her recent divorce, Lu Nichols, a 49-year-old columnist, is trapped in a whirlwind of frustration stemming from the guilt she shoulders for having split up the family. And that's only the beginning of her problems.

The Kingdom of Back Marie Lu, 2020-03-03 From #1 New York Times bestselling author Marie Lu comes a historical YA fantasy about a musical prodigy and the dangerous lengths she'll go to make history remember her. Perfect for fans of Susanna Clarke and *The Hazel Wood*. Two siblings. Two brilliant talents. But only one Mozart. Born with a gift for music, Nannerl Mozart has just one wish: to be remembered forever. But even as she delights audiences with her masterful playing, she has little hope she'll ever become the acclaimed composer she longs to be. She is a young woman in 18th-century Europe, and that means composing is forbidden to her. She will perform only until she reaches a marriageable age; her tyrannical father has made that much clear. And as Nannerl's hope grows dimmer with each passing year, the talents of her beloved younger brother, Wolfgang, only seem to shine brighter. His brilliance begins to eclipse her own until one day a mysterious stranger from a magical land appears with an irresistible offer: He has the power to make her wish come true, but his help may cost her everything. In her first work of historical fiction, #1 New York Times bestselling author Marie Lu spins a lush, lyrically told story of music magic and the unbreakable bond between a brother and sister.

Champion Marie Lu, 2013-11-05 The explosive finale to Marie Lu's New York Times bestselling *LEGEND* trilogy, perfect for fans of *THE HUNGER GAMES* and *DIVERGENT*. He is a Legend. She is a Prodigy. Who will be Champion, June and Day? They have sacrificed so much for the people of the Republic and each other, and now their country is on the brink of a new existence. June is back in the good graces of the Republic, working within the government's elite circles as *Principes Elect*, while Day has been assigned a high-level military position. But neither could have predicted the circumstances that will reunite them once again. Just when a peace treaty is imminent, a plague outbreak causes panic in the Colonies, and war threatens the Republic's border cities. This new strain of plague is deadlier than ever, and June is the only one who knows the

key to her country's defense. But saving the lives of thousands will mean asking the one she loves to give up everything he has. With heart-pounding action and suspense, Marie Lu's bestselling trilogy draws to a stunning conclusion. **Prodigy** Marie Lu, 2013-01-29. The second book in Marie Lu's New York Times bestselling LEGEND trilogy perfect for fans of THE HUNGER GAMES and DIVERGENT. June and Day arrive in Vegas just as the unthinkable happens: the Elector Primo dies and his son Anden takes his place. With the Republic edging closer to chaos, the two join a group of Patriot rebels eager to help Day rescue his brother and offer passage to the Colonies. They have only one request: June and Day must assassinate the new Elector. It's their chance to change the nation, to give voice to a people silenced for too long. But as June realizes this Elector is nothing like his father, she's haunted by the choice ahead. What if Anden is a new beginning? What if revolution must be more than loss and vengeance, anger and blood? What if the Patriots are wrong?
