*President Obama's Trade Policy Agenda* United States. Congress. House. Committee on Ways and Means,2011

Canadian Imports and Trade Issues Mathew B. Reynolds,2008 The United States and Canada maintain the world s largest trading relationship one that has been strengthened during the past fifteen years by the approval of two multilateral free trade agreements Although commercial disputes may not be quite as prominent now as they have been in the past the two countries in recent years have engaged in difficult negotiations over items in several trade sectors including natural resources agricultural commodities and the cultural entertainment industry However these disputes affect but a small percentage of the total goods and services exchanged Also the United States and Canada work together closely on environmental matters including monitoring solid waste transfers and protecting and maintaining the quality of border waterways This new book explores specific issues related to trade between these two countries Foreign Direct Investment in the United States: Benefits, Suspensions, and Risks with Special Attention to FDI from China Theodore H. Moran,Lindsay Oldenski,2013-09-01 Americans have long been ambivalent toward foreign direct investment in the United States Foreign multinational corporations may be a source of capital technology and jobs But what are the implications for US workers firms communities and consumers as the United States remains the most popular destination for foreign multinational investment Theodore H Moran and Lindsay Oldenski find that foreign multinational firms that invest in the United States are alongside US headquartered American multinationals the most productive and highest paying segment of the US economy These firms conduct more research and development provide more value added to US domestic inputs and export more goods and services than other firms in the US economy The superior technology and management techniques they employ spill over horizontally and vertically to improve the performance of local firms and workers As the United States wants not only to expand employment but also create well paying jobs that reverse the falling earnings that many US workers and middle class families have suffered in recent decades it is more important than ever to enhance the United States as a destination for multinational investors **The Pending Free Trade Agreements with Colombia, Panama, and South Korea and the Creation of U.S. Jobs** United States. Congress. House. Committee on Ways and Means,2011 Bowker's Law Books and Serials in Print ,1988 **Transnationals and Governments** David Bailey,George Harte,Robert Sugden,2002-09-11 The potential ease with which transnational corporations can relocate their activities gives them great leverage over individual governments The authors outline the various policies that the world s major economies have adopted to cope with the unique issues created by transnationals They reveal that there has been a marked contrast in the level of concern about transnationals activities across the countries studied and that this has resulted in significantly different approaches towards transnationals *The United States Department of Commerce Publications, Catalog and Index Supplement* United States.
