Regulation Of Robbers Legal Fictions Of Slavery And Resistance:

The Regulations of Robbers Christina Accomando, 2001 In *The Regulations of Robbers* Christina Accomando examines legal political and literary discourses of slavery and resistance through the works of judges lawmakers and former slaves She builds on the words of Harriet Jacobs I regarded such laws as the regulations of robbers who had no rights that I was bound to respect and advocates a methodology of multiple perspectives exposing the false neutrality of legal discourse and turning attention to stories that have been suppressed Accomando analyzes Sojourner Truth who initiated lawsuits and petitioned Congress and Harriet Jacobs who shaped her autobiography into legal critique as legal actors who challenged nineteenth century legal constructions of African Americans She argues that laws governing slave behavior racial identity miscegenation rape reproduction literacy and property defined African Americans as nonhumans with dangerous sexuality and nonexistent subjectivity She traces how nineteenth century constructions of race and gender continue to inform modern policy discussions

Modern Misogyny Kristin J. Anderson, 2015 *Modern Misogyny* explores the landscape of popular culture and politics emphasizing relatively recent moves away from feminist activism to individualism and consumerism where self empowerment represents women's progress It also explores the retreat to traditional gender roles after September 11 2001 It interrogates the assumption that feminism is unnecessary that women have achieved equality and therefore those women who do insist on being feminists want to get ahead of men Finally it takes a fresh look at the positive role that feminism plays in today's post feminist era and how feminism does and might function in women's lives Post feminist discourse encourages young women to believe that they were born into a free society so if they experience discrimination it is an individual isolated problem that may even be their own fault *Modern Misogyny* examines that rendering of feminism as irrelevant and as the silencing and marginalizing of feminists

Writing Pain in the Nineteenth-Century United States Thomas Constantinesco, 2022-02-17 Writing Pain in the Nineteenth Century United States examines how pain is represented in a range of literary texts and genres from the nineteenth century US It considers the aesthetic philosophical and ethical implications of pain across the works of Ralph Waldo Emerson Harriet Jacobs Emily Dickinson Henry James Elizabeth Stuart Phelps and Alice James as the national culture of pain progressively transformed in the wake of the invention of anesthesia Through examining the work of nineteenth century writers Constantinesco argues that pain while undeniably destructive also generates language and identities and demonstrates how literature participates in theorizing the problems of mind and body that undergird the deep chasms of selfhood sociality gender and race of a formative period in American history Writing Pain in the Nineteenth Century United States considers first Emerson s philosophy of compensation which promises to convert pain into gain It also explores the limitations of this model showing how Jacobs contests the division of body and mind that underwrites it and how Dickinson challenges its alleged universalism by foregrounding the unshareability of pain as a paradoxical measure of togetherness It then investigates the concurrent economies of affects in which pain was implicated during and after the Civil War and argues through the example of James and Phelps for queer sociality as a response to the heteronormative violence of sentimentalism The last chapter on Alice James extends the critique of sentimental sympathy while returning to the book s premise that pain is generative and the site of thought By linking literary formalism with individual and social formation Writing Pain in the Nineteenth Century United States eventually claims close reading as a method to recover the theoretical work of literature

authors from different geographies career stages psychological sub disciplines methodologies and experiences the handbook showcases creativity in approach and diversity of perspective The result is a work featuring a chorus of different voices including diverse understandings of feminisms and power Ultimately the handbook presents a case for the importance of intersectionality and power for any feminist psychological endeavor **Slavery on Trial** Jeannine Marie

A study of the life of a Maryland slave his escape to freedom in New Jersey and the trials that ensued James Collins Johnson made his name by escaping slavery in Maryland and fleeing to Princeton New Jersey where he built a life in a bustling community of African Americans working at what is now Princeton University After only four years he was recognized by a student from Maryland arrested and subjected to a trial for extradition under the 1793 Fugitive Slave Act On the eve of his rendition after attempts to free Johnson by force had failed a local aristocratic white woman purchased Johnson s freedom allowing him to avoid re enslavement The Princeton Fugitive Slave reconstructs James Collins Johnson s life from birth and enslaved life in Maryland to his daring escape sensational trial for re enslavement and last minute change of fortune and through to the end of his life in Princeton where he remained a figure of local fascination Stories of Johnson s life in Princeton often describe him as a contented jovial soul beloved on campus and memorialized on his gravestone as The Students Friend But these familiar accounts come from student writings and sentimental recollections in alumni reports stories from elite predominantly white often southern sources whose relationships with Johnson were hopelessly distorted by differences in race and social standing In interrogating these stories against archival records newspaper accounts courtroom narratives photographs and family histories author Lolita Buckner Inniss builds a picture of Johnson on his own terms piecing together the sparse evidence and disaggregating him from the other black vendors with whom he was sometimes confused By telling Johnson s story and examining the relationship between antebellum Princeton s Black residents and the economic engine that supported their

community the book questions the distinction between employment and servitude that shrinks and threatens to disappear when an individual's freedom is circumscribed by immobility, lack of opportunity, and contingency on local interpretations of a hotly contested body of law. Praise for *The Princeton Fugitive Slave*: Fascinating historical detective work. Deeply researched, the book overturns any lingering idea that Princeton was a haven from the broader society. Johnson had to cope with the casual racism of students, occasional eruptions of racial violence in town, and the ubiquitous use of the N word by even the supposedly educated. This book contributes to our understanding of slavery's legacy today. Shane White, author of *Prince of Darkness: The Untold Story of Jeremiah G. Hamilton, Wall Street's First Black Millionaire*. Collectively, Inniss's work provides an exciting model for future scholars of slavery and labor. Perhaps most importantly, Inniss skillfully and compassionately restores Johnson's voice to his own historical narrative. G. Patrick O'Brien, *H. Slavery: The Coolie Speaks*. Lisa Yun, 2009-02-15. *The Coolie Speaks* focuses on Chinese laborers who worked side by side with African slaves in Cuba and wrote of their experiences of new bondage. Examining these narratives of resistance, the book reconceptualizes diasporic representations and histories to offer transformative re-examinations of Chinese, African, and Latino in mutually imbricated contexts. [Mothers, Mobility, Narrative](#) Mary Jo Bona, 2025-05-01. Shows how US literary representations of mothering across racial, ethnic, and LGBTQ communities challenge ideological prescriptions about motherhood and maternal love. *Mothers, Mobility, Narrative* pairs women identified writers whose work illuminates a range of maternal practices in the face of egregious structural inequalities and obstacles. By using the critical lens of maternal feminism alongside recent theories of time, space, and memory, Mary Jo Bona reengages the field of motherhood studies to explore linkages between motherhood and movement. Across genres: Harriet Jacobs, Willa Cather, Toni Morrison, Audre Lorde, Kym Ragusa, Carole Maso, Cristina Garcia, and Rebecca Makkai develop maternal figures who, in battling against institutional oppressions in eras of slavocracy, colonialism, dictatorship, and pandemic, expose the fundamentally intersectional nature of social categorization and disrupt traditional discourses of the maternal. *Mothers, Mobility, Narrative* rethinks maternity across a century and a half of literary expression in the United States, compelling readers to embrace more capacious understandings of maternal subjectivity, care, and kinship. **Love of Freedom** Catherine Adams, Elizabeth H. Pleck, 2010-02-01. They baked New England's Thanksgiving pies, preached their faith to crowds of worshippers, spied for the patriots during the Revolution, wrote that human bondage was a sin, and demanded reparations for slavery. Black women in colonial and revolutionary New England sought not only legal emancipation from slavery but defined freedom more broadly to include spiritual, familial, and economic dimensions. Hidden behind the banner of achieving freedom was the assumption that freedom meant affirming black manhood. The struggle for freedom in New England was different for men than for women. Black men in colonial and revolutionary New England were struggling for freedom from slavery and for the right to patriarchal control of their own families. Women had more complicated desires, seeking protection and support in a male-headed household while also wanting personal liberty.

Eventually women who were former slaves began to fight for dignity and respect for womanhood and access to schooling for black children
